- Judy has arranged for a Saturday group gathering at Hops & Drops. You can choose a different restaurant from the list elsewhere in this booklet, or another of your choice. Silverdale has many to choose from.
- Pair or triple up with other member participants as much as possible for your Saturday evening dining. A side-goal is to re-establish socialization in CMCS after the long pandemic. Try to get to know and talk with everyone.
- The museum is very unique, helping kids in a number of ways. You may find a supported teenager conducting our tour, or at least helping. You will find this a very worthwhile experience. They are an IRS 501(c)(3) charitable organization. Donate if you can.

## ***Saturday Dinner Choices***

Our primary restaurant for Wet Weekend dinner is:

**Hops n Drops**, a pub/restaurant a short walk from our hotel at 3171 NW Bucklin Rd., Silverdale. Following is a link to their menu:

<https://www.allmenus.com/wa/silverdale/728417-hops-n-drops/menu/>

We will contact them with the group count at 6 pm.

We want to ensure that all members can participate in a group meal. Although we won't have a reservation, they will set aside some tables for our group.

Please let us know if you want to be part of this group... when we meet, or text Judy Jewell at (206) 795-1551. Email works too.

If finer dining and quiet is your preference, we recommend **The Yacht Club Broiler** at 9226 Bay Shore Dr. NW, a longish walk from our hotel. (360) 698-1601

They wouldn't take our group but you "may" be able to get a reservation for 4—6 people.

There are many other option for food in the immediate vicinity of the hotel. Pick a food type and you will have choices.

## *Port Townsend Aero Museum*

The Port Townsend Aero Museum preserves aviation history in the Pacific Northwest. Located 45 miles northwest of Seattle, flanked by the Olympic Mountains and the Puget Sound, the museum contributes to a vibrant community.

Our youth mentorship program is second to none. Young adults participate in all aspects of operations, including restoration and flight activities.

Our collection includes a variety of antique and classic aircraft. We regularly fly those aircraft that are safe and airworthy. Restorations are performed in-house by an expert group of mechanics and volunteers. Our shop also performs contract restoration work.

The museum is publicly owned and receives no tax-based funding. If you like our program, please consider contributing.

Thank you for visiting!

*Flying Magazine:*

Have you ever had a craving for pie? Not just any pie, but made from scratch, crispy yet flaky, buttery, still warm from the oven pie. After doing research and speaking to fellow aviators, the consensus is “the” best pie in the Pacific Northwest tri-state area (Oregon, Washington & Idaho) is at Andrea Raymor and Christine Cray’s Spruce Goose Café at Jefferson County International Airport near Port Townsend, Washington.

*Port of Port Townsend News*

Best pie in the NW? The Spruce Goose, pilots say. Although plenty of locals love the pie at the Spruce Goose Cafe—a longtime Port tenant at Jefferson County International Airport—it’s something of a best-kept secret. Not so among Northwest pilots.
