On The Cover - Dave Johnson's 1999 Coupe

My 1st Corvette was a 1991 magnetic red coupe C4. I purchased that car in 2002. My current Corvette is a 1999 Silver Coupe C5. I purchased the car in October 2004 from the salesman that sold it originally to the first owner. The car has 22,000 miles on it. It had been garaged and well cared for by the original owner. The original owner put TOYO "18's" all the way around, mounted on Antera wheels. Additionally, an after-market sound system was installed.

I work in the Food Industry as a Quality Assurance Manager and Director of Product Development. I also teach culinary arts at Edmonds Community College and Everett Community College. For the past 6 years I have been on the City of Lynnwood's planning commission.

As a young man I played music for a living and taught music. I have a recording studio at my home in Lynnwood and I have several guitars, amplifiers, and other instruments. I am also an Audiophile. The significance of my license plate-L5- is that Gibson Guitars makes an L5 model guitar. They are hand made and rare; and I happen to own one.

For fun I fly a (rented) Cessna 172 and a Piper Cherokee. However in the Winter months the opportunities to fly are limited so most of my free time is spent either rubbing on my car or in the Music room.

My wife Maribeth and I have lived in Lynnwood for 25 years. She retired in 2002 from the Washington State Court of Appeals. She enjoys gardening and is a Snohomish County Master Gardener. She works part time at Emory's Garden Nursery.

*NCRS Father's Day Picnic
Lake Sammamish State Park
30th Annual Corvette Owners Picnic
June 19, 2005*

www.nw-ncrs.org

Can you believe it? We have been celebrating Father's Day at the Corvette owners Picnic at Lake Sammamish for 30 years!

Well, we did try Mother's Day once. That was a bad idea because Mother Nature really let us have it.

Mostly we have had good weather and good friends who came to show off their prized Corvettes.

This year you can, once again:

- Celebrate Father's Day the way Father likes best
- Celebrate the beginning of summer (and the official Corvette season)
- Enjoy a day of sun, fun, family and Corvettes

This year we will be located in the rotunda section of the park. Watch for the NCRS banner on your left as you enter the park. There should be plenty of parking area but we are asking that any steel support vehicles park at the back of the parking area so the front section can be exclusively Corvettes. We want everyone to be able to appreciate the Awesome Corvette Display!

Lake Sammamish State Park is located off I-90 east of Seattle. Take the Lake Sammamish State Park exit and follow the signs.

Look for the NCRS banner and look forward to a good time. See you there

RAD 2005

May Update

By Kayla Main

RAD

(**R**eally **A**wesome **D**riving Event)

* * REGISTRATION update * *

Your **PRE-PAID RAD**-gistration fee of \$25 per car is due **NLT 5/23/05** and gets you self-guided tour directions for both days, (2) commemorative wine glasses, (1) dash plaque, and assorted entertainment goodies throughout the weekend. Send your \$25 check, payable to Kayla Main, to the club address: PO Box 534, Kirkland, WA 98083-0534. Late registrations (after 5/23) will be accepted but will NOT be guaranteed some of the below listed event items due to required production lead time. Room prices may also be higher then due to the block having been released.

Event details...

RAD (**R**eally **A**wesome **D**riving Event) is now on it's 4th year. We've been through the highways and byways of Hood River twice, Grand Coulee Dam and this year the **Covered Bridges of Oregon**. This is an easy laid back cruise for your enjoyment of driving and scenery. There are many photo opportunities on this tour and of course we've ordered sunny weather. You will be given a new set of directions each day and can go as fast or as slow as you like (within the bounds of local laws, of course!). You can travel alone or together as a group. The choice is yours. Some of these places are perfect for dipping your toes in the water. They just make you want to stop and smell the roses. I'll also be giving you a little bit of facts and information on each bridge. We completed another pre-run of the **RAD 2005** route during Easter weekend and re-checked the routes to all of the **COVERED BRIDGES of OREGON** that we'll be visiting. The roads are all paved, unless you get really lost, and many have lots of my favorite design feature...**CURVES!**

The "official" launch of the event will begin, as in past **RAD** events, on Saturday morning with a 9AM drivers' meeting. This year we launch from the parking lot of the **Super8 Motel at Kelso, WA** (exit 39 on I-5). There you'll get your first day's driving instructions for the self-guided tour that will take you south down the I-5 corridor in search of covered bridges. You'll

Covered Bridges of Oregon

Really **A**wesome **D**riving
Event #4

June 25 & 26

hit the southern-most part of the route about lunch time in Cottage Grove, OR, then start working your way back north from bridge-to-bridge-to-bridge, eventually ending up at the **Best Western Inn at Albany, OR** for Saturday night.

Sunday morning there'll be another drivers' meeting where you'll get another set of route instructions directing you over a bunch more "Corvette roads" to see still more covered bridges and ending up at Tebo's in Gladstone, OR for lunch (and the worlds finest strawberry shortcake!). From there we'll head back to wherever it is that we have to be on Sunday night.

Why the start from Kelso, you may ask? Well, if we're going to see the **COVERED BRIDGES of OREGON**, we must first *get* to Oregon. For those of us in the greater Seattle area, that means driving 130 miles or so before the 9AM tour start. Some of us (your tour leaders come to mind!) may not want to get up that early on Saturday morning. There are a couple of options. You can either start out really early on Sat morning to make it to the launch point by 9AM...OR...you can drive to Kelso on Friday evening, have a nice dinner enroute (we suggest the **Olympic Club in Centralia**...a really unique place), check into the **Super8**, maybe play a little "31", sleep-in on Saturday morning and still be ready to launch @ 9AM. The choice is yours.

With that in mind, we've blocked a group of rooms for our event at both motels as follows:

Friday, June 24th, at the **Super8** in Kelso. Mention "CMCS" when calling 360-423-8880 for reservations. "CMCS" group rate is \$46.65 + tax.

Saturday, June 25th, at **Best Western Albany Inn**. Mention "CMCS" when calling 866-890-0519 for reservations. "CMCS" group rate is \$65.00 + tax.

Room blocks at both of these motels will be released on May 23rd. After that, you take your chances. At last check, our block at the Albany Inn was about 75% filled already, so don't procrastinate much longer! There's another alternative nearby if needed. Contact Kayla for details.

Things to bring: Quarters & cards for "31", folding chairs, camera, hats, sunscreen, liquids, club 2-way radios...fully charged, of course...and a desire for adventure.

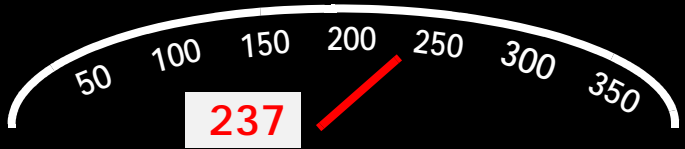

As with all past **RED** events this one is open to all Corvette owners. Club membership is not required. You just need a Corvette, a sense of adventure, and a desire to go on a **Really Awesome Driving** event with like-minded folks. Come join in on the fun and make your reservations today!

The Membership Tachometer

by Mona Cox

We met at Dan and Janet Roupe's garage in Lake Stevens for our April 9 general membership meeting. What a fantastic place! We welcomed four new members, bringing our total membership to **237**.

New CMCS Members - April 2005

Joining us from Woodinville are **Mike and Jamie Dail**. (Jamie wasn't at the meeting; we'll meet her later.) They recently purchased their first Corvette, a **2001 silver coupe**. Mike likes to hunt and fish; Jamie enjoys antiques.

Welcome to the Club

Dean Dettman and Coco Roberts live in West Seattle. Last summer they bought a **1998 white pearl coupe**, and have already taken a trip to California. They've both been working a lot, but look forward to participating in club events.

Summer is Almost Here

*by Rick Milsow
(CMCS President)*

The 58 is my favorite solid axel. With the rippled hood and chrome strakes running up the trunk, this car is distinctive among the early Corvettes. CMCS is distinctive among Corvette Clubs because of its members. Every member brings something different, something better to the club.

This past month, Don Gardner and Byron Crocker treated us to a lesson in car detailing. Many of us learned some new tricks and new products to use to make our cars look better. We have two Show-N-Shine events planned for this summer Crista on July 23rd, and Seaview on August 21st where people can put into practice what they learned. Expect some fierce competition during these events this summer.

One thing that really helped make the April General Meeting a success was the meeting place. Dan and Janet Roupe welcomed us to their home and "Garage." Thanks for opening your home to CMCS.

This month we have some exciting plans for CMCS members. Our General Meeting will be held at Alfy's Pizza in Lynnwood. We will meet in the lower level of the restaurant for our meeting and presentation by Ron McDuffie. Ron will be talking about School Daze. Alfy's Pizza has offered ½ price pizza for all who attend our meeting. Everything begins a 6:00 pm Saturday, May 14, 2005. There's plenty of parking behind the restaurant.

The summer is shaping up to be another busy time for club members, we have the a tour of the LeMay car museum and General Meeting, the Father's Day Picnic, and the RAD event lead by Kayla Main all in June. This year for RAD we travel to Oregon to view some of the covered bridges. There should be some photo-ops on that trip. See registration information in this month's newsletter.

In July the pace picks up, we have parades, our School Daze track event, Saturday night at the Everett Aquasox game, and don't forget that the factory Corvettes will be racing in Portland. Check out the events calendar for more events happening in July.

We have had to cancel the SeaTac Show-N-Shine because no one was available to organize this event. The Club really needs people to step up and help with these events. Please contact me directly. We have work on Parades, General Meetings, and the Seaview Show-N-Shine for a CMCS member willing to help.

Save the wave,

Rick Milsow

2005 American Le Mans Portland Grand Prix July 29-31, 2005 Car Club Special Offer

The American Le Mans returns this summer, July 29-31, 2005 to Portland International Raceway with its premier high-tech and powerful prototype racing machines. Add the nimble and quick modified production cars, all on the track at the same time, and edge-of-your seat sports car racing is back! Follow your favorites whether it's Audi, Lola, Corvette, Ferrari, Dodge Viper, Saleen Mustang, Porsche, BMW or Lamborghini.

See many of the same cars and drivers who compete in the legendary 24 Hours of Le Mans in France each June. Get a close look at all these exotic cars and their drivers in the open paddock area. Autograph sessions, too!

This year the Car Club Offer will allow for an "early bird deal" that will last thru April 15, 2005. After this date it will become the normal car club offer. The package this year includes tickets, paddock passes, parking in the club corral, a parade lap and entrance to a separate Car Club hospitality area where food and beverage can be purchased as well as opportunities to meet drivers and win ALMS prizes.

The Car Club Package:

3day (early bird):	\$80 driver + \$50 passenger
3day (normal):	\$85 driver + \$50 passenger
Saturday (early):	\$50 driver + \$35 passenger
Saturday (normal):	\$55 driver + \$35 passenger

This year we have added the Porsche GT3 Challenge to the list of already impressive racing. This series will allow amateur and semi-professional drivers, who don't make their living in motorsports, a chance to compete in a professional environment.

The race schedule has changed from last year and the ALMS Round #6 race will be held Saturday evening from 5pm - 7:45pm.

Here is the condensed tentative schedule showing all races:

Friday:	Practice and qualifying for all races (ALMS, Star Mazda, SPEED World, Pro Miata, GT3 Challenge)
Saturday:	Star Mazda, SPEED World #1, Pro Miata #1, <u>ALMS</u>
Sunday:	Pro Miata #2, GT3 Challenge, SPEED World #2

Funny Foto - C7 In Development

GM has started development work on the C7, incorporating some defensive mechanisms to help allay the dangers of the expected increase of drivers with cell phones in large SUVs ravaging the road. Shown here in development mode without the composite skins, it includes a crusher and grinder. They are working on a max speed issue, which presently is 1/3 mph. It took 40 minutes to cross this road. However, it was stated that none of the waiting vehicles honked their horns at it.

Seaview Show from past years

Mt. RAINIER

National Park

Paradise

is not just
a Myth...

It's a destination!

----- CRUISE TO PARADISE -----

Please join members of the *Corvette Marque Club of Seattle* on
Sunday September 11, 2005

Annual "All Corvette Cruise" to the historic Paradise Inn at Mt. Rainier for their fabulous Sunday Brunch.

We'll meet at the SeaTac Mall main entrance at **8 am** & caravan to the southern Nisqually entrance to Mt. Rainier National Park (to some that's the Longmire entrance). We should arrive at Paradise about an hour before the brunch. Please be sure to bring a full tank of gas, empty bladders, your club radios if you have them & a \$10 bill.

- **The brunch runs from 11am to 2pm.**
- **Price per person: \$24.95 (Seniors: \$22.50)**
- **Price per car to enter the park: \$10.00.**

The reason for the early start time is due to the parking availability at Paradise Inn. This is a popular Sunday destination and the parking lot fills up.

After the brunch we'll tour the rest of the park with possible stops at Reflection Lake, Box Canyon, etc.

Exiting the park we'll take highway 410 past Crystal Mountain and through the Federation Forest to Enumclaw. We'll take highway 169, bypass Maple Valley, & link up with highway 18 to I-90. We'll wrap things up at the XXX Drive In in Issaquah for burgers & shakes – they'll be expecting us.

If you wish to spend Saturday night at the lodge, call (360) 569-2275 for overnight lodging accommodations at Paradise Inn.

Mark your calendar for this date for a beautiful drive & Sunday Brunch at the Paradise Inn at Mt. Rainier. This is clearly one of the nicest brunches in the Northwest.

Let's Go Valve Cover Racin' . . .

by Gary Main

VALVE COVER RACES! Never heard of it, you say? Here's the deal: It's a lot like the Pinewood Derby races that your neighborhood Cub Scouts do. Only bigger. Bigger boys have bigger toys. Girls do too! Simply take an old valve cover, slap a set of wheels under it, find an incline somewhere, and say to your buddy, "Bet mine's faster'n yers'!", and Bubba, 'ya probably got 'yerself a race. There are a few rules, of course, but not many. In order to keep this from turning into an NWACC type fiasco...i.e...crushed under the weight of the NWACC competition rule book...we're borrowing the guidelines used by our Canadian friends. Very simple. And, if we build to their standards, perhaps we can entice some international competition some day.

THERE WILL BE (3) CLASSES:

STOCK

Must use small block Chevy valve cover.
Must be short type only.
Can be steel or aluminum.
Must be stock in appearance (no wings, etc.)
Maximum width 10 inches.
Maximum weight 5 lbs.

MODIFIED

Must be small block Chevy valve cover.
Can be TALL or short.
Can be steel, aluminum, cast, or carbon fibre.
Wings and accessories are allowed.
Maximum width 10 inches.
Maximum weight 7 lbs.

UNLIMITED

Can be small or big block Chevy or other make.
Can be any material.
Modifications are allowed.
Maximum width 11.5 inches.
Maximum weight 15 lbs.

RULES and SPECIFICATIONS

VALVE COVERS

NO engines or motors are allowed. GRAVITY power only.
Leading edge of racer must contact track starting pin (pin extends 2" above track)
All entries must be officially weighed in.
Valve Covers must pass a technical inspection.
Valve Covers must have a minimum of 3 wheels.
Individual entries are allowed in one class only.

TRACK

Will be 20-30 feet long.
Starting line will be 4 feet off the floor.
Lanes will be 12 inches wide.
Rails will be 2 inches high.
Races will be electronically timed, if possible.
Eliminations will proceed after time trials and qualifying runs completed.

all track measurements are approximate

GENERAL

Entrants are responsible for staging their own Valve Cover entry.
Racing is open to kids (ALL ages), one official entry per person, after time trials.
Unsportsmanlike behavior will result in disqualification (& heavy shame!).
Organizers do not accept responsibility for injury or damage to persons or property or for failure to have fun. Yer on yer own, bubba!
Decisions of the Organizers will be final. Protests will NOT be acknowledged.
Awards may be made for People's Choice, Rusty Wheels, and Competition classes.
Anything NOT specifically PROHIBITED by above rules is LEGAL.
Anything NOT specifically REQUIRED by above rules is OPTIONAL.

And finally. . . there AIN'T NO MORE RULES!

So there you have it. Dig around in your garage & find that old valve cover you've been using to store old rocker arms & rusty head bolts that you'll never ever use again. Dump the junk out of it, slap on a set of wheels (and maybe a coat of spiffy paint) and LET'S GO RACIN' . . . !

Laps From the Past or Marque in Time
A CMCS history feature by Ben Benninghoff

30 LAPS AGO: May '75. President Sam Sakura calls the meeting to order at the Alki Homestead. Chuck Hart, Joe Wagenleitner, and, Bill & Kris Hegger are all voted into membership. WWSCC Autocross held at South Sound Center in Lacey. Club unanimously gives the thumbs up as if we wish to be permanent members of the Daffodil Festival via WWSCC. Air plane ride in Port Angeles, Feast at Midevil Inn, and another autocross in Shelton hosted by Corvettes de Olympia round out the activities for May. Slides and a movie are shown after the meeting.

20 LAPS AGO: May '85. President Mike Shelly presides over the meeting held at the Stark's home. NWACC hosts an Open Show at Alan Martin Chevrolet in Bremerton. Swap Meet in Monroe, a Reno V/T Tour, Open Picnic at Marymoor Park by Classic Chevy, and, the Big Sky Corvette Club in Bozeman, Montana highlight the month's activities. (Histories from 1985 are limited as most historical records are missing from the archives).

10 LAPS AGO: May '95. Jay & Jan Cockrum's 1965 Nassau Blue Roadster is featured on the newsletter's cover. President Bob Lazeroff gets the meeting started after the dinner of meatloaf and mashed potatoes made speed bumps out of those attending the Petersen's marvelous dinner. 123 members to date with Jim Talbott introduced to the secret handshake. Cloyd Jackson has the new CMCS Brochure for prospective members, Roy Robinson Chevrolet invites us to participate in the Marysville Parade in June, a free VIP breakfast buffet precedes the parade at the Royal Fork is sure to guarantee good participation, Gary reports that WCCC is studying the 'emission' laws now before the state's legislative body and will keep us posted on developments, John Thomas is working at computerizing the Treasurer's records, Jan Cockrum has finalized the club's membership roster and will mail them out soon, Car Club Challenge at SIR. The Prez. shows mercy on the sleepy gathering and calls the meeting to close so to announce that cherry pie and coffee are now being served on the promenade deck; didn't realize a house could lean to one side as the faithful suddenly gather a strong second wind for dessert. This marks the first time in publication for Ben Benninghoff's "From

The Rear View Mirror, destined to become a monthly feature now known as “Laps From The Past, or, Marque In Time”, dedicated to a look back at CMCS’s histories through the years from its humble beginnings in November of 1963 until the present.

5 LAPS AGO: May 2000. President Jan Cockrum takes silver spoon to crystal stemware to gain everyone’s attention while fine dining at the Original Oyster House in Discovery Bay. New members voted in: Kristi Eveland, Wes DePew and Wanda DeLeo, and, Bobby & Jennifer Read, bringing the total to 193. Discussion pertaining to the upcoming Seattle in September event was opened and shared by all attending. Trophies for the event are being acquired and lots of positions towards supporting our first 3 day event are still available. President Jan was awarded a new, larger, heavier duty, rubber gavel by the Long Island Ice Tea Society. A “Corvette Dream Parade for Dayna” was attended by 35 Corvettes in the 105th Sequim Irrigation Festival Parade, who also took in the drive to the legendary Troll House. (My apology not identifying whose car was featured on this month’s newsletter as a copy is missing from the histories.)
