On the Cover - Marlow & Janice Krein's 1965 White Coupe

First: Just a little bit about the main reason we are a part of a great group of people and able to forge some great friendships. "CORVETTES".

Our 1965 coupe was first sold to the Cook Family out of an Olympia Chevrolet dealership. Marlow bought the car from Connie Cook, the original owner, in September of 1969 for \$2,300. This is a no option car, Ermine White with White Interior and remains unchanged except for a couple of additions such as side mount exhaust and knock off wheels.

Marlow became acquainted with CMCS in the mid '70's while working with Neil and Noreen Millen on Neil's race car. Of course it was a

Corvette. Then in 1980 Marlow finally became a member of CMCS.

We are country kids from the mid-west, Jan from Kansas and Marlow from North Dakota. We both were raised on farms. Therefore we are "County Bumpkins".

We both moved to Seattle in the mid '60's. I n 1973 we met while working at Northwest Hospital and dated for a while.

Our busy lives took us in different directions. Marlow went to school for Respiratory Care and Jan continued to work as a Registered Nurse and raising her two sons.

Marlow always thought he knew where Jan lived, but Jan lost track of Marlow. So, on a hunch, in May of 1993 Marlow drove past where he thought Jan lived and low and behold, there was Jan out for a walk. I did not recognize Marlow when he drove by with Jeff, his son in the car. So when the car pulled up behind me, I was apprehensive. Then I heard my name being called. I knew that voice and asked, "What are you doing here?" Marlow's response was, "Hoping to find you."

We had a very long courtship of four months before we were married in September of 1993. The rest is history. Jan has since retired from nursing and Marlow is just plain tired but continues to work at Highline Medical Center for now.

We have five boys in our blended family, two daughters-in-laws, one grandson and four granddaughters, who live in other parts of the US. So we seldom have the opportunity to see the grandchildren.

We have enjoyed many activities, road tours, car shows, parades, chairing the Charity Committee and most of all the great Corvette family. *Save the wave.*

The Membership Tachometer

by Mona Cox

Despite having our January general membership meeting opposite the Seahawks playoff game, we had a good turnout for half-price pizza at Alf's in Lynnwood. We had a good meeting, and welcomed 7 new members to CMCS.

Membership now stands at **317**

Michael and Jane Armstrong join us from Burien with their **2003 Spiral Gray coupe**. The car had 100 miles on it when they purchased it a couple months ago! Michael has been a car guy for years. Most recently they've been into motorcycle touring, but are leaving that to become involved in the Corvette community.

Yumi and Ed Johnson live in North Bend, and very recently bought their **2004 Magnetic Red coupe**. Ed is interested in sculpture, and is a member of the Master Builders Association and the Remodelers Council. Yumi is a dog fancier, focusing on obedience, show and agility. I think we all scared Ed when we encouraged Yumi to learn to drive the car, which has a standard transmission.

With his **2006 Monterey Red roadster**, **Craig Turi** lives in Bellevue. He has varied interests, such as air shows, auto shows, traveling just about anywhere, fishing and working out in the gym.

Joining us from Issaquah are **Pat and Danny Rice**. (Danny was working Saturday, so we'll meet him later.) They have a **1978 white T-top**. Danny is a member of the Professional Golf Association of America, and enjoys traveling with other PGA members to play tournament golf in Washington and Oregon. His other interests are the car, his wife, and their dog Chase.

2006 Membership Renewal Forms

You should have received a preprinted Membership Renewal Form in the mail during the 1st week of January. This form makes things easier for you to renew as you need only mark any changes, and makes it easier to update our membership database because most data is printed and therefore does not need to be re-read or re-entered.

Please use this form; attach your check and send it back before the form gets lost or before you forget. This newsletter does not include the blank renewal form as in previous years. This saves the Club money. If you need a blank form, you can print one from our web site (downloads) or contact Mona Cox. Don't forget to fill out the survey. The board does analyze and respond to these inputs.

31st ANNUAL CORVETTE OWNERS PICNIC

JUNE 18, 2006

What is the **BEST** way to celebrate Father's Day, 2006?

Come to the **31st Annual Corvette Owners Picnic** at Lake Sammamish anytime after 10 am.

***** Celebrate Father's Day the way Father likes best *****

***** Celebrate the beginning of summer (and the official Corvette season) *****

***** Enjoy a day of sun, fun, family and Corvettes *****

This year we will be located in the rotunda section of the park. Watch for the NCRS banner on your left as you enter the park. There should be plenty of parking area but we are asking that any steel support vehicles park at the back of the parking area so the front section can be exclusively Corvettes. We want everyone to be able to appreciate the Awesome Corvette Display!

Lake Sammamish State Park is located off I-90 east of Seattle. Take the Lake Sammamish State Park exit and follow the signs. The state will collect \$5 for admission to the park.

Look for the NCRS banner and look forward to a good time!

SEE YOU THERE!!!

41st CMCS Wet Weekend

February 25 – 26, 2006

This is our Traditional winter get-away. “Wet” can mean a lot of things! **Wet Weekend** is our first official tour of the year, and everyone is always ready to get out on the road after the long winter. “Wet” can mean rain (but normally doesn't) or “Wet” can mean by the water (which it usually does)! Rain or Shine, Sea or Shore, we'll have a great road tour up to the Port Hadlock area.

New Members Should Not Miss This Event!!!!

What does this mean you ask? This means that Saturday night we'll have a great dinner followed by some rather bizarre activities where we give out lavish (take that for what it's worth) prizes for foolish little contests as we welcome our new members from the past year to their first **Wet Weekend**. The fun can also include those not-so-new members who have never attended a **Wet Weekend**!!

Lodging

We'll be staying and playing at the
Inn at Port Hadlock
310 Hadlock Bay Road
Port Hadlock, WA.

A block of rooms has been held with
rates starting at **\$99** per night. Call
now for reservations:

(800) 785-7030

Be sure to let them know you are
with the
Corvette Marque Club of Seattle.

The Inn has also held a few rooms
for Friday night just in case anyone wants to start the weekend early!

The room block will be released on January 3rd. Don't Wait too long!

Saturday Caravan to Port Hadlock

We are departing Canyon Park at 9 am sharp.
I-405 Exit 26, Mall west of freeway.

Our adventure will begin with a sail across the sea on the Edmonds Ferry and continue on some great Corvette roads up to the Port Hadlock area. We'll have a very interesting tour along the way. Just a hint...you might want to watch “An Officer and A Gentleman” just one more time!! We'll be having lunch at some wonderful place that we haven't found yet!! But never fear there will be food. You can always count on that!

Call before January 3rd

☂ Saturday Night Dinner and Activities ☂

Place: Bayview Banquet Room – Social hour with no-host bar

Menu: When we've had enough socializing, a wonderful dinner will be served with your choice of either **Chicken Picata** with Lemon Butter Sauce or **Prime Rib** with Au Jus and Creamed Horseradish. Dinner includes Salad, Bread, Veggies (we know the guys will love that!), Potatoes or Rice, and Dessert.

After Dinner Activities: This is when the rather bizarre stuff starts!! You remember...the lavish prizes and all? We guarantee that fun will be had by all...some more than others, but definitely by all!

After the After Dinner Activities: And of course there are always the obligatory 31 games that will surely ensue. What is 31 you ask? Just bring out 3 quarters, sit down at a table and someone will tell you. And if you've never played it before, you're pretty much guaranteed to win large sums of money...maybe as much as \$3.00!

☂ Sunday Activities ☂

Sunday morning following breakfast in Nemo's Restaurant we will be having the traditional counting of the election ballots and a short Board Meeting in the Bayview Banquet Room. Of course all members are very welcome to attend. If that does not pique your interest, Port Ludlow and Port Townsend are a short distance away with lots of great shopping and some interesting attractions. We will be leading a caravan back to Seattle in the afternoon, and will have more information on that as we go, so keep watching this column for details.

Cost: The Cost of this event is \$45.00 per person. This includes Dinner on Saturday night, Breakfast on Sunday morning as well as the lavish (remember them from earlier) prizes and **Wet Weekend** Pins for all.

☂ Reservations ☂

*President's
Corner*
**by Rick Milsow
(CMCS President)**

This month we kick off our **CMCS** year with Wet Weekend. This year we travel to Port Hadlock for a weekend of fun and fine food. Check out the listing in this newsletter.

A very important responsibility of belonging to the **Corvette Marque Club of Seattle** is to share your talents with other members of the club. If you have an idea for a program, a meeting place, would like to organize an event or tour, or would like to serve as a committee member or board member, **CMCS** needs you.

This month we meet on February 4th to finalize the ballot for officers and board members for our club. Kayla Main is working on recruiting members who will agree to be nominated to serve and **CMCS** is looking for your support and involvement. Do consider serving on the board.

Many people have dedicated many hours toward the success of **CMCS** this past year and next month at our banquet we will be able to celebrate and recognize many of these people. One that I would like to call special attention to is Oran Petersen, our newsletter creator, editor, compiler, printer, and producer. Oran spends countless hours each month hounding people like me for (my monthly) articles, cover pictures, event dates and information, calendar items, and who knows what else it takes to put this newsletter together. Once he has it assembled on computer, Oran sends it out to several people who proof the newsletter before printing. During the last weekend of a given month he clicks on print and lets his printer go all night printing our colorful newsletter, then calls on a small army of people to help staple, fold, label, and get it ready for mailing. The result of all of Oran's work is the best Corvette Club newsletter around. Oran volunteered to do our newsletter because he believes in the club and wanted to make his contribution to its success. Over the years of our club, we have had a handful of people who have labored over our newsletter and we may not have expressed our thanks for a huge job well done. So as you read this you can only imagine the hours that Oran has spent on getting it together and delivered to your mailbox. Mega Thanks to you Oran and special thanks to your worker bees who help you along the way.

Get the polish rags out and dust off that Corvette. We want to see it at one of our upcoming events.

Until then, **Rick**

by Kayla Main

Here we go again for the 5th time and the last time. Our last RAD tour will take us to the ocean in Oregon on June 24 & 25, 2006. We will be going to Seaside. I don't have the hotel selected yet, but boy do I have some neat roads this time. AWESOME! As in all past RAD's, you're guaranteed to see stuff you've never seen before. This may just be the best RAD ever. There will be more info as time goes on. In the meantime, I just wanted to let you know about the date and the location so you can mark your calendars & plan for LOTS OF FUN. Keep watching this space.

The Corvette Marque Club of Seattle would like to invite all Corvette owners, clubs and "wannabe's" to join us on our 7 day Alaska Cruise aboard the Dawn Princess.

Round trip sailing from Seattle on May 20, 2006 includes stops in Juneau, Ketchikan and Victoria, plus 2 relaxing days at sea. Cruise through Tracy Arm Fjord during one of the days where you'll view Sawyer Glacier.

This is a great time for new or prospective members to meet & acquaint themselves with members of their club. For those of us that have been around awhile, what better way to enjoy a cruise than with friends.

All meals are included, plus 24-hour complimentary room service, nightly entertainment, dancing, and use of the gym, sports court, swimming pools, hot tubs & cinema. The ship contains duty free shops, a casino, spa and fitness center, numerous lounges, digital golf simulator and a 24-hour Internet Cafe.

The following discounted costs per person include port charges, government taxes of \$45.00 are additional. A deposit of \$350.00 per person is required at time of booking. Princess Lines have given us a limited amount of blocked-off cabins available for this event.

Inside Cabin	\$849.00
Window Cabin	\$1,404.00
Balcony Cabin	\$1,549.00

As usual, all prices are based on double-occupancy.

This ship is completely booked up at this time with the exception of the CMCS blocked cabins. This is not one of those events that you can sit around & wait for something better to come along so I suggest you book early! Now! Not tomorrow! Now!

TO OUR VALUED FELLOW CMCS CORVETTE OWNERS

We appreciate your business!

As many of you know, we have been in the Corvette business for years starting in 1964 and our technicians have nearly 100 years combined Corvette and general automotive experience. We wouldn't have been able to do it without support from CMCS members. We sincerely appreciate this support at our facility in Kirkland since 1981. We have been a sponsor of CMCS for many years and Rick has been a member since 1964.

Update the look of your Corvette with C4, C5 and C6 chrome spoke wheels available in 17,18,19,20 inch diameter and various widths. Get off those stock wheels and look good doing it. If you want your Corvette to look great stop by Rick Stark Enterprises for a great deal. We also have Goodyear tires at the best prices in town.

C6 Exhaust System

Want to spice up both the performance and sound as well as the looks of your C6 Corvette? We have what we feel is the best C-6 Corvette exhaust system on the market. The B&B Bullit system is the more aggressive sounding system of the two systems offered by Billy Boat Performance Exhaust and also delivers the most horse power for your dollar and we have one in stock for immediate delivery and/or installation in our showroom on display. Other exhaust options and performance goodies are also readily available for the 2005 Corvette so stop by and see us for this and all of your other maintenance and performance needs. And remember, we work on cars and trucks other than Corvettes as well and would love to see you come by with any of your other vehicles too. Thanks for your continued support, ***R.S.E. Auto***
