On the Cover - Jim Fernandez/Peggy Watkins's 1963 Blue Roadster
by Jim Fernandez

As I suspect is the case with everyone in the club, I've always loved Corvettes. Among all of them, the 1963-67 Sting Rays are by far my favorites; great power trains and independent rear suspension wrapped up in the most beautiful car design ever built (personal opinion). During my teenage years, my uncle drove to St. Louis to pick up a new red '63 roadster, and he was generous enough to allow me to drive it on several occasions. I told myself that some how, some day, I would have one of my own.

I work for Boeing as a manager in the Computing (IT) organization, and my wife Peggy Watkins is a realtor with Coldwell Banker Bain. After the completion of our house remodel on Mercer Island, I began to look locally and on the Internet for Sting Rays. In late 2002, I made the plunge, buying a 1963 Daytona Blue roadster. It was shipped across the country from Rhode Island and arrived on a cold November morning. I searched for Seattle Corvette clubs, and joined CMCS in February, 2003, shortly before my car's 40th birthday.

I am not a garage mechanic, and this is my first experience with owning an old car. The more I look, the more I learn how primitive (and worn) a 40-year machine can be. These cars are definitely worth preserving, but they do require a whole lot of time ...and a whole lot of money. Rick Stark and his amazing top mechanic Tim Goree have performed many miracles with my car, from the engine and transmission re-builds to substantial interior restoration. We even had to patch the vinyl-covered fiberglass dash where a previous owner had cut huge holes for a sound system that was wedged in with a piece of 2x4!

"Restoration is a Journey, not a Destination." My '63 will never be a Duntov Award winner, but it is evolving into a very nice driver, and it is the ultimate stress-reliever. Turning the ignition key wakes up 340 horses, and it never fails to put a smile on me and everyone who sees it go by. Several people have even followed me into my driveway and offered to buy the car.

Club Radios

Many of our members have purchased UHF radio(s) that are used during caravans to keep the group together and resolve issues and problems. Most of the radios are the Motorola brand, two of which are shown below.

One source of these radios is:

www.TechWholesale.com

Both are a single channel, which is all that you need for Club operations. The 2 watt unit is more satisfactory, and does not cost that much more. The prices are not listed, as they change often. The Club uses Frequency 7 (467.9000 MHz) and Interference Code 29 (179.9 Hz)

You also can opt for more power, channels, brands and models.

31st Annual NCRS Corvette Owners Picnic

JUNE 18, 2006

What is the **BEST** way to celebrate Father's Day, 2006?

Come to the **31st Annual Corvette Owners Picnic** at Lake Sammamish anytime after 10 am.

***** Celebrate Father's Day the way Father likes best *****

***** Celebrate the beginning of summer (and the official Corvette season) *****

***** Enjoy a day of sun, fun, family and Corvettes *****

This year we will be located in the rotunda section of the park. Watch for the NCRS banner on your left as you enter the park. There should be plenty of parking area but we are asking that any steel support vehicles park at the back of the parking area so the front section can be exclusively Corvettes. We want everyone to be able to appreciate the Awesome Corvette Display!

Lake Sammamish State Park is located off I-90 east of Seattle. Take the Lake Sammamish State Park exit and follow the signs. The state will collect \$5 for admission to the park. Look for the NCRS banner and look forward to a good time! For more information call:

CMCS April General Meeting and Tour of Vintage Racing Motors

Saturday April 1st

9255 151st Ave NE, Redmond.

10 am Tour, Meeting After (Stand-up)

Vintage Racing Motors is owned by several local businessmen and is the home to their vintage race cars. These cars are taken all over the country to participate in vintage racing, and if you attend the vintage racing scene locally, you might have seen some of the cars. The collection is constantly changing, but has included such cars as CanAm Lolas, a birdcage Maseratti, the late 1950's Pan American winner etc. This is a working shop where the cars are restored, maintained and prepared between races.

If you enjoyed the Hart collection, you will also enjoy this tour. After the meeting those that are interested can head to downtown Redmond for lunch.

Kevin Jewell (425) 885-0103 or kevin@corvettemarqueclub.com.

Directions

From I-405 North or South take the NE 124th (Totem Lake) exit Go East on NE 124th

At the bottom of the hill Turn right (South) on Willows Road.

Turn left on NE 95th and then right on 151st Ave NE

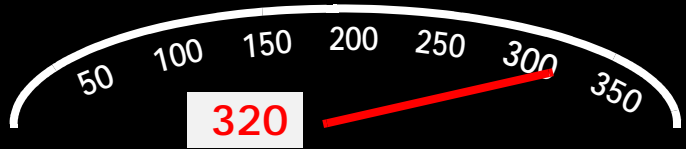

Vintage Racing is on your right.

There is some parking in their lot and lots of street parking.

The Membership Tachometer

by Mona Cox

We met for breakfast at the Old Country Buffet in Kirkland for our February general membership meeting. As the area was in the middle of a wind storm, some people were without power and had to come to the restaurant to get their coffee fix! We voted three new members into the club.

Membership now stands at **320**.

Recently moving to Kirkland from Las Vegas are **Ken and Jean Fiorentino**, with their **Torch Red 2001 coupe**. They enjoy tennis and have an auto model collection, and are members of Vegas Vettes. They noted quite a difference in the weather between Vegas and Seattle!

Kent Van Dusen joins us from Marysville. He's the proud owner of 4 Corvettes, some of which we've seen at past CRI STA show and shines. He has a **1960**, 2 **1966's** (one in pieces), and a **2003 blue Z06**. His hobbies are restoring, driving and showing classic Corvettes. Kent also belongs to NCRS and SACC.

Pat and Danny Rice joined last month but we did not have his photo. They have a **1978 white T-top**. So here they are together. See the February Issue for details.

CMCS School Daze - Driving School & Practice

Wednesday July 12, 2006

7:00 am to 3:30 pm

Pacific Raceways

Tech inspection will be conducted prior to the event. The Pacific Northwest Region of the Porsche Club of America (PCA) will assist with the operation, track safety and instruction. All Porsches must be accepted through the PCA inspection program.

School Daze Ground School

A ground school, mandatory for first-time entrants and recommended for all, will be held at 6:30 pm on Wednesday, July 5, 2006, at Shoreline Community College, Automotive Service Education Bldg. This school will cover the use of flags, driving lines, apexes, braking technique, car prep and more.

First Driver	\$160
Second Driver same car	\$125
Instructor (1/2 1st driver fee)	\$60
Event Day registration	\$185
Late tech inspection 7/12/06 (after 8:15)	\$25

This event is limited to these marques or other cars appropriate for track use with prior club approval:

<i>Corvette</i>	<i>Porsche</i>	<i>BMW</i>	<i>Ferrari</i>
<i>Lotus</i>	<i>Viper</i>	<i>Alfa</i>	<i>Audi</i>
<i>Camaro V8</i>	<i>Firebird V8</i>	<i>Cadillac V Type</i>	<i>SSR's</i>
<i>Mustangs</i>	<i>Other Marques as Approved</i>		

On track instruction will be provided by qualified instructors. You will be given sufficient track time to develop and hone your driving skills. Drivers will be divided into 4 run-groups based on experience and skill level, limited to a maximum of 40 cars per run-group.

This is not a race

Some restrictions will apply to passing and proper track manners will be strictly enforced. No one under 18 years of age will be permitted on the driving course. Track safety is paramount and safety rules will be strictly enforced. Helmets (Snell 95 or later) and proper clothing (long pants, long sleeve shirt and closed shoes) are required. Insurance regulations require that all roadsters have a hardtop and/or a roll bar installed.

This is a great opportunity to see why you bought a sports car in the first place.
Club membership is not a requirement to participate.

Wet Weekend Kudos
by Oran Petersen

Wet Weekend 2006 is now history. Over 60 members and 35 cars enjoyed the Port Hadlock weekend set up by **Dennis & Lorrie Montgomery** and assisted by **Rob and Sheila Wyllie**. **Tim Cox** also set up a diabolical trivia activity based on the movie "An Officer and a Gentleman." Ferry ride, guided tour, museum, banquet, games, brunch, scenery, and more. This weekend had it all in a jam-packed two days. See some "filler" in this newsletter. More will follow next month due to the tight printing deadline. Thanks to you all!

Z Ohhhh 6

The introduction of the C6 ZO6 this model year has been impressive. Seeing Wes Holme's Velocity Yellow ZO6 in person was both a thrill and exciting. It will be interesting to see what the General and Tom Wallace have in store for the future of Corvette.

The future of Corvette Marque Club of Seattle is up to the new board that will be installed later this month and the support they receive from you, the membership. We have some new events, some returning events, and more things to do in the coming months than a normal person can handle. But then, we are Corvette people.

The new board needs your support. Working together we can organize and carry out events that everyone will enjoy. We have parades, car shows, driving events, tours, a baseball game, and our big event: Seattle in September 2006. It's a mixed salad of events that should touch every member in the club, all involve Corvettes, usually eating, and always the camaraderie that CMCS offers. If you have an idea that we haven't scheduled let's hear about it.

Our big event this year will be **Seattle in September IV 2006**. This event will draw people from Washington, Oregon, Idaho, and British Columbia. Kevin and Judy Jewell are working with a great team of CMCS members to plan the activities. More volunteers are needed to help on the day of the event, so contact Kevin or Judy to let them know how you can help.

Thank you all for your support this past year and for all the hard work you have given to this club.

Really Awesome Driving Event #5

by Kayla Main

Another big piece of the puzzle is now in place. Our 5th and final **RAD** tour will take us to the Oregon coast on June 24 & 25, 2006. The event will officially launch on Saturday morning from a motel near Olympia, WA. Soon after the launch we'll drop off of I-5 onto the back-roads and we won't see the freeway again until sometime on Sunday afternoon. We'll head off in a generally southwesterly direction and meander over hill and dale, around more than a few bends on genuine official Corvette roads (and over some water!). This event is all about driving on some AWESOME roads. Eventually, we'll end up in Seaside, OR at the

Shilo Seaside Oceanfront Inn.

\$119 per night.

Upgrades are available for those who so choose.

What? You don't relish the thought of getting up early on Saturday morning? Some don't. Your tour leaders find themselves in this category so for those of a similar mind set we'll find a motel near Olympia on Friday evening, have dinner somewhere, kick back, maybe play a little '31' and get in the right frame of mind for the Saturday launch. As in all past **RAD**'s, you're guaranteed to see stuff you've never seen before. This may just be the best **RAD** ever. Event registration details will be in the April newsletter. In the meantime, get your Seaside room reservation made now while the room block is available & plan for LOTS OF FUN. Keep watching this space for more previews...

TO OUR VALUED FELLOW CMCS CORVETTE OWNERS

We appreciate your business!

As many of you know, we have been in the Corvette business for years starting in 1964 and our technicians have nearly 100 years combined Corvette and general automotive experience. We wouldn't have been able to do it without support from CMCS members. We sincerely appreciate this support at our facility in Kirkland since 1981. We have been a sponsor of CMCS for many years and Rick has been a member since 1964.

Update the look of your Corvette with C4, C5 and C6 chrome spoke wheels available in 17,18,19,20 inch diameter and various widths. Get off those stock wheels and look good doing it. If you want your Corvette to look great stop by Rick Stark Enterprises for a great deal. We also have Goodyear tires at the best prices in town.

C6 Exhaust System

Want to spice up both the performance and sound as well as the looks of your C6 Corvette? We have what we feel is the best C-6 Corvette exhaust system on the market. The B&B Bullit system is the more aggressive sounding system of the two systems offered by Billy Boat Performance Exhaust and also delivers the most horse power for your dollar and we have one in stock for immediate delivery and/or installation in our showroom on display. Other exhaust options and performance goodies are also readily available for the 2005 Corvette so stop by and see us for this and all of your other maintenance and performance needs. And remember, we work on cars and trucks other than Corvettes as well and would love to see you come by with any of your other vehicles too. Thanks for your continued support, ***R.S.E. Auto***

May Events Now Online!

Registration for the ZR-1/C4 Gathering, May 4-6 and the Corvette Forum Cruise-In event, May 25-27 have now opened on our website.

This year's Gathering marks the 10th Anniversary of the Grand Sport Corvette and the 10th Anniversary of the end of the C4 Generation. Adventurous road tour excursions to famous Kentucky attractions, informative seminars, "slow" drag racing, autocross, a banquet and auction, and so much more are in store for participants. All pre-registered participants will receive a commemorative dash plaque and personalized event badge when registering before April 23. Find out more about the event and reserve your spot by at:

<http://www.corvettemuseum.com/registration/gathering/info.shtml>

Corvette Forum Cruise-in participants will enjoy a three-day event to celebrate the Corvette lifestyle featuring road tour excursions to Kentucky landmarks, silent auctions, gimmick rally, a BBQ outing and much more! Get the big picture and get on board for the fun at:

<http://www.corvettemuseum.com/registration/forum/info.shtml> or call us at (800) 53-VETTE. We're going to have a blast – be here for the fun!

C5/C6 Bash Activities Filling Up

There are still several weeks to beat the pre-registration deadline for the upcoming C5/C6 Bash – April 20-22 but activities are filling fast.

April 5 is the deadline to register to guarantee your commemorative event dash plaque designed by Tom Peters, and the event lapel pin and name badge. Find out more about the exciting activities at this year's C5/C6 Bash by visiting our website at:

http://www.corvettemuseum.com/registration/c5_bash/info.shtml
or (800) 53-VETTE.

Cruisin' to New England

Our next member cruise is open for registration and features a trip to the beautiful New England area - September 23-30!

Experience the history around every turn of Boston's famous Freedom Trail. Discover the culture and charm of Canada and New England and enjoy a lobster bake in Bar Harbor, stroll through Halifax's Victorian-style public

gardens or take a romantic horse-drawn carriage ride through Quebec City. All of this and more are part of the next member cruise aboard one of Royal Caribbean's newest cruise ships - Jewel of the Seas. Make your reservations and find out more here: <http://www.ncmcruz.com/>

Membership Software Upgrade

If you have signed on to our website through the membership link or registered for an event in the past month, you have probably noticed some changes as part of our new software upgrade. We are still in the early stages of conversion and learning, but are excited to share some of the new features available.

You will now be able to log on and change your address information, renew memberships, sign up for new memberships, register for events and even add more activities to an event after you have registered. These are functions available online at this time. Future benefits will include the ability to view your brick photos when you are logged on – so stay tuned for updates about the many new opportunities that will be available soon.

When signing on, please be sure to use account information you already have, or retrieve it by using the “forgot password” feature. Please do not set up a new account as it will not recognize your membership information and discounts. We are excited about the many benefits of these upgrades and appreciate your support!
