On the Cover - Bill and Nancy Benn's 1992 Torch Red Coupe

Our 1992 Torch Red Corvette Coupe was part of a local collection of Corvettes. It is still in original 'MINT' condition with black leather interior and just 30,000 miles on it at the time of purchase. Previously, it was owned by a collector who decided to divide and sell part of his Corvette collection which consisted of 30 specialty Corvettes. He owned models in years ending in the number two: such as 1962, 1972, 1982, 1992, 2002 etc.. We look forward to some

good times and great road trips with membership in the CMCS.

We are Washingtonians, both native to the Seattle area. Bill is from West Seattle and Nancy is from the North End. We've been married 33 years and have been residents of the

Edmonds area for 28 years. We have a son and a daughter who are both WSU graduates. We enjoy road trips, dancing, travel and adventures in the great outdoors. We especially enjoy the Pacific Northwest.

*The Gospel,
According to
Gary . . .*
**by Gary Main
(CMCS President)**

If you thought May was busy (Corvette wise), hang on to your shorts....June is even better.

It starts with the **Seattle in September** planning meeting on June 2nd. This one's critical, folks. If you haven't yet volunteered to help, what are you waiting for? Engraved invitation? Consider THIS your invitation. Call Kevin or Judy Jewell (#'s on the contact page) and step up to the plate!

Our June 10th General Membership event begins in Redmond with a tour that goes first to Marysville to John (CMCS member) Bell's Winery then continues on to Harvey Field in Snohomish for lunch at the Buzz Inn Steakhouse, then the meeting and it ends with an abbreviated version of the **School Daze** presentation that was supposed to happen at the May meeting but didn't.

Next comes the **Vette Rides for Veterans** event on June 14th. This is your chance to give something back to the veterans who made it possible for you to enjoy the freedoms that you have.

Saturday morning, 6/17, there's the Shoreline Corvette Show followed that same evening by the **Umpteenth** (almost) **Annual 50's Tour** led by our own JP3 Nelson. The 50's tour didn't happen last year, much to the chagrin of many. It's back. Be there!

Sunday, 6/18, is the **31st Annual NCRS Fathers' Day Picnic** This is one of those rare times each year when the garage and trailer queens venture out into the sunlight for a relaxing day in the park and display side-by-side with those of us of the "driver" persuasion. You'll get to see some of the finest examples of vintage Corvettes, some originals and many meticulously restored. Expect to see a few really cool customs, too.

The month ends with the 5th and final **Kayla's Really Awesome Driving event**. The **RAD**. This one is not to be missed. Details on all of these events, as well as at least (9) more, can be found elsewhere in this newsletter. Call the listed event chair or check the club website www.CorvetteMarqueClub.com for late breaking event news.

Your assignment is this: Figure out a way to get your grass mowed, get your house cleaned, get your honey-do projects done *during the week*. Week-ends are for Corvetting!

Other stuff for your consideration:

Item....Jim McDonnell is still rounding up club trophies and other

memorabilia to put in the new trophy case being built at Seaview Chevrolet. Check your closets, your garage, that secret hidin' place. Get the stuff to Jim.

Item...Our club e-mailing database overhaul continues. Lots of corrections already made but there are still a few holes to fill. Along about midnight on 6/15/06 I'll send another test message out to everyone currently on the "members only" group list. We've discovered that some folks' e-mail carriers and/or spam blockers won't allow group messages. Most will get the message instantly, as it should be. Some won't see it for a day or two due to tight "security" and, if the paranoia level is set high enough, a few won't see it at all. A couple days after the test message goes out, let me know which category you fall into by sending me a note at: Gary@CorvetteMarqueClub.com.

Still looks like the coming year's going to be a wild ride, but you asked for it, so...DEAL WITH IT!

Really Awesome Driving Event

by Kayla Main

Just 3-weeks until **RAD** 2006. The 5th and final **RAD** officially starts @ 9:00AM SHARP on Sat, 6/24/06, in the parking lot at **Corvette & High Performance (CHP)** 2840 Black Lake Blvd, #D, Tumwater, WA 98512. We'll gather at CHP around 8:30AM.

CHP is (1) mile south of US 101 on Black Lake Blvd (south side of Olympia) Find a map to CHP at: <http://corvhp.com/location.htm>

This last **RAD** tour will take us to the Oregon coast on June 24 & 25, 2006. Soon after the launch we'll drop off of I-5 onto the back-roads and we won't see the freeway again until sometime on Sunday afternoon. We'll head off in a generally southwesterly direction and meander over hill and dale, around more than a few bends on genuine official Corvette roads and over at least one (maybe more) water crossing. This event is all about driving on some AWESOME roads. Eventually, we'll end up in Seaside, OR at the **Shilo Seaside Oceanfront Inn**. (30 North Prom, Seaside, OR 97138 for those with GPS) The **Shilo** room block has been released but you may still be able to get one. Call 800-222-2244 or 503-738-9571 for reservations. Mention **Corvette Marque Club** and you might still get our special discounted rate.

Your **PRE-PAID RAD**-gistration fee of \$25 per car was due **NLT 5/22/06** and gets you self-guided tour directions for both days, (2) commemorative wine glasses, (1) dash plaque, plus assorted entertainment goodies throughout the weekend. Late registrations (after 5/22) will still be accepted but will NOT be guaranteed some of the listed event goodies due to required production lead time.

For those wishing to get an early start or, for those like your tour leaders who wish to AVOID having to get up way too early on Saturday morning, we've blocked some rooms for Friday night, 6/23, at:

GuestHouse Inn & Suites

1600 74th Ave SE
Tumwater, WA 98501
(360) 943-5040

All rooms in our block are \$72.95 + state/local taxes and tariffs. Some are dbl queen, some are single king, and a few are king exec...all the same price.

****Be sure to mention "Corvette Marque Club" to get our special price****

As in all past **RAD**'s, you're guaranteed to see stuff you've never seen before. As well as being the last one, this may just be the best **RAD** ever. We have cars registered from as far away as Laurel, Montana and Phoenix, AZ. Plan for LOTS OF FUN. Count on it!

As with all past **RAD** events this event is open to all Corvette owners.

Club membership is not required. You just need a Corvette, a sense of adventure, and a desire for **Really Awesome Driving** with like-minded folks.

Questions? Contact: Kayla@CorvetteMarqueClub.com or 425-485-2131
Advise Kayla of your arrival plans (are you coming Friday? or Saturday?)

Car Corral

An additional 250 vintage and collector cars from local car clubs will be on display in the car corral.

The Pacific Northwest Historics features many of the world's rarest and most beautiful pre-1970 race cars. This year, more than 250 vintage race cars are expected to enter. Favorites include Ferraris, Lotuses, Cobras, Corvettes, Porsches, Austin Heales and some less recognizable names like Elva, Ginetta, and McLaren. Most are in mint condition

through extensive restoration and many attain speeds in excess of 150 miles per hour. Some of the cars are valued at over \$1 million and many have impressive racing histories. Competitors come from all over the West Coast and Canada. The wheel to wheel competition on the challenging 2 1/4-mile road course includes nine turns, 200-300 foot elevation drop and a near 3/4 mile straightaway.

All proceeds benefit uncompensated care at Children's Hospital and Regional Medical Center in Seattle. Over the last 18 years, close to \$4.5 million dollars has been raised at the races. Our goal for 2006 is \$450,000

Seattle in September - Commentary

by Kevin & Judy Jewell - SIS Chairs

Seattle in September is the club's biggest project. We organize this event every other year for the benefit and fun of both our members and guests from other Corvette clubs. This year the event will include Valve Cover Racing, Poker Run, Show-n-Shine, NWACC certified Autocross, Banquet with entertainment afterwards, and Awards presentation with raffle prizes. Did I mention food? Yes, there will be lots of that also. Lots of trophies are also

included. Registration information is included elsewhere in this newsletter. What do we need from you?

First and most important, we need you there. Get that registration filled out and mailed. The more people we have the more fun we will have. Remember the intent of this event is to have fun, whatever types of activities you like. Be daring and try something new.

Volunteer to help the planning and execution of the event. Although we have chairs for all the major activities, putting on an event of this type requires a lot of help. If you have a particular interest in an activity, just let us know. If you are willing to help wherever needed, please also let us know.

We have monthly meetings and you are always welcome.

Raffle Prizes: Much of the fun of these events is coming home with a “goody”. Solicit your nearby auto parts store for some car wash soap or part to donate. If you have something at home that someone might enjoy, consider donating that item. We will mix and match and combine items to establish meaningful door prize/raffle items.

Raffle Baskets: This year we are expanding our raffle baskets as a major source of funding for the event. We will have donated baskets placed around the room. Attendees can put one or more raffle tickets in the box in front of the basket in the hopes of winning the drawing. Selling these raffle tickets helps as defray the costs of the event, allowing registration fees to be held lower. Be creative, and plan on making a basket that we can raffle. It could include such items as hair care products, “Made in Seattle” food products, car care items, wine and cheese etc. If you have been to the last few meetings, you have already seen a couple of basket ideas.

So quit procrastinating, and get your registration sent in today.

My Other Car - Advertising

What if instead of parking this 505 horsepower rocket for most of the year in the garage, you could share it with some of your

best friends, forget about maintenance, and pay something more along the lines of sales tax instead of the full \$75,000 price tag?

Now if you and your friends could stand to gain from other folks driving this Z06 while you have a good time with another car, that would be quite a blast, right?

We thought so, too.

13th Annual "Take Me Out To The Ball Game"
with the Everett Aquasox - Saturday July 29, 2006
by Ben Benninghoff

This year "Marques" our club's 13th anniversary outing with the Everett Aquasox baseball team, and their 23rd anniversary of Class A baseball, now associated with the Seattle Mariners. Our record to date is 10 wins and 2 losses. Single "A" ball is the first tier for these young athletes aspiring to become major league baseball players and they play with passion and love of the game. Sometimes we might just see a player from the Seattle Mariners that is coming back from an injury as have Jay Buner, Randy Johnson, and Ken Griffey Jr. This outing has been a club favorite over the years giving us another opportunity to show off our Corvettes inside the ballpark while getting 'free' reserved seating along the first base side.

This year we're going to shake things up somewhat and organize a food drive for the local food bank in Everett while conducting a car show for the fans; kind of a mini 'show-n-shine' where the people attending the game will cast their vote for their favorite car. And how are they going to do that? Glad you asked.

Instead of ballots being passed out, the fans will place their non perishable food items in storage bins

placed in front of each car. The winner will be the car receiving the most items, and or cash donations where a can will be placed as well so those wishing to make a cash/check donation to the food bank can do so. Somewhere around the 7th or 8th inning an announcement will be made and the trophy awarded to the winner. Talk about a win-win situation, it doesn't get any better than this. So now you have an extra incentive to join in on the fun this year and help others out in the process.

You can begin to arrive at the ballpark after 3 pm but before 5 pm due to traffic, both foot and vehicle traffic at the ballpark. Once parked inside the south fence, break out your picnic baskets on the lawn and eat to your heart's content. All food items must be packed up and put away prior to the gates opening at 6 pm. After that you are welcome to sit in

the reserved bleachers along the first base side, mingle with other club members alongside the Corvettes, or go for a bread-bowl filled with hot steamy Ivar's clam chowder, hot dogs, pretzels, pizza, and ice-cold beer or other beverages of your choice.

The Aquasox are celebrating their annual salute to the '60's with their "FrogStock" night, so bring your tie dye t-shirts and tight jeans and join in on the spirit. Those sporting the best period clothes from the 60's just might win something memorable. Bring something warm to wear, it does get cool after the sun goes down, and a seat cushion for your you know what. After all, those are real wooden bench seats with real wooden splinters, and I don't care how good a friend you are, you'll be taking them home with ya! And bring some food item donations with you.

Tour

You can enjoy a pre-game tour starting at the Canyon Park Albertson's parking lot (I-405 Exit 26, west of freeway), leaving at **10 am** and tour through the countryside out to the Dutch Cup for a quick stop, then north again towards Granite Falls to join the Boeing Stratocruisers club that is putting on their annual car show at a retirement home. While there we are invited to join in on their BBQ and just relax on the lawn while the retirees reminisce when they owned cars like those parked on their front lawn. Around 2 pm we'll tour to the ballpark with some of the Stratocruisers and join those already at the ball park and kick back until game time.

General Meeting Tour - Event Report

by Oran Petersen

A new 'crop' at Remlinger Farms. 35 Corvettes in a grass field.

Al Dager, our activities chairman, gave the club one of its favorite events after the May 13th general meeting at the Chengdu Buffet. A 50 plus mile day tour, with pit stops and more food (candy no less) at the end. Over 35 cars made the run on east side roads, stopping at Remlinger Farms in Carnation and ending at Boehm's Candy in Issaquah, which is near another favorite member pit stop, the XXX Root Beer Drive In. The handout tour sheet, complete with mileage at each turn, made it easy to stay on course, even though traffic made it difficult to keep the cars together. Give a big thank you to Al for setting this up.

June General Meeting Tour to Buzz Inn

On June 10th we will have a tour to the **Buzz Inn** on the Snohomish airport. A similar tour was done last year with great success. This tour precedes the meeting, which will be on a covered patio overlooking the runway. You do have to keep watch that an errant parachutist does not 'drop in'. If you like tours, cars, airplanes, outdoor buffets and watching people jump out of perfectly good airplanes, don't miss this one.

Rick Hendrick Takes Delivery of a New Z06

NASCAR's Rick Hendrick of Hendrick Motorsports made a visit to the Museum to take delivery of his new Z06 Corvette today.

Rick along with a team of Lowe's representatives and friends, spent the day touring the Museum and Corvette Assembly Plant and created quite a stir with the special Corvettes they had transported to us to display outside for a commemorative photo of the occasion. Rick is the owner of a 1991 ZR-1, noted as the first to come off the line for production and together with his new Z06, which also has been noted as the first retail production Z06 model off the line, was photographed with a GTP racer owned by Hendrick and the 2006 Daytona Pace Car Corvette. "I love Corvettes and what the Museum stands for," Henderick told us. "Being here today at the home of Corvette with my buddies is just such a great feeling. I am just thrilled to be here."

Corvette Surprise

The R8C Museum Delivery Program experience is an unforgettable way to take delivery of a new Corvette, and we are thrilled to be a part of each one. Every now and then, we have the chance to be a part of a true "surprise" delivery and this week was a great one. Steve Lippens Jr purchased a new Corvette for his father's 60th birthday. Steve Lippens Sr. thought he was coming to the Museum to see a friend take delivery of a new Corvette. With dozens of balloons, a birthday cake, happy birthday signs and several people shouting "surprise", Steven Sr. was given a birthday gift he will never forget – a new Monterey Red Coupe! Taking delivery of a new Corvette at the Museum is an unforgettable experience – no matter what the occasion. Learn more at: http://www.corvettemuseum.com/ncm_delivery/index.shtml

Saturday	October 7	9 am	Issaquah Salmon Days Parade

Hi Club Members. It is time for you to think about the parades we support. This is an opportunity to give back to our community, show our support for city events, and show off our Corvettes; America's only true sports car!

The Parades Committee is still working the details for each parade. We carry local celebrities, politicians, and officials in Redmond, Greenwood, Magnolia, Lake City, and Shoreline. We use convertibles for this duty. In each parade, however, we have coupes following close behind.

For the Bothell parade we are still working on getting celebrities.

Bothell is a parade in which cars are expected to be decorated with appropriate American holiday stickers, flags and finery.

Vashon is a totally different parade. More than anything it is corps de elegance. The cars on that Sunday morning are all classic and restored creations. Our Corvettes fit right in. Usually, we catch an 8 am ferry and arrive in time for breakfast furnished by the hosts. It is a nice little cruise through town with local townspeople cheering us at every turn.

So think about signing up for a parade. Sign up early and sign up often. We have room for 20 cars in every parade. Here is a chance to give your ride the recognition it deserves. Sign up through Jim McDonnell.

TO OUR VALUED FELLOW CMCS CORVETTE OWNERS

We appreciate your business!

As many of you know, we have been in the Corvette business for years starting in 1964 and our technicians have nearly 100 years combined Corvette and general automotive experience. We wouldn't have been able to do it without support from CMCS members. We sincerely appreciate this support at our facility in Kirkland since 1981. We have been a sponsor of CMCS for many years and Rick has been a member since 1964.

Update the look of your Corvette with C4, C5 and C6 chrome spoke wheels available in 17, 18, 19, 20 inch diameter and various widths. Get off those stock wheels and look good doing it. If you want your Corvette to look great stop by Rick Stark Enterprises for a great deal. We also have Goodyear tires at the best prices in town.

C6 Exhaust System

Want to spice up both the performance and sound as well as the looks of your C6 Corvette? We have what we feel is the best C-6 Corvette exhaust system on the market. The B&B Bullit system is the more aggressive sounding system of the two systems offered by Billy Boat Performance Exhaust and also delivers the most horse power for your dollar and we have one in stock for immediate delivery and/or installation in our showroom on display. Other exhaust options and performance goodies are also readily available for the 2005 Corvette so stop by and see us for this and all of your other maintenance and performance needs. And remember, we work on cars and trucks other than Corvettes as well and would love to see you come by with any of your other vehicles too. Thanks for your continued support, ***R.S.E. Auto***

Laps From the Past or "Marque in Time" A CMCS history feature by Ben Benninghoff

40 LAPS AGO JUNE '66: Ed Baker opens the monthly meeting at Alan Green Chevrolet while suggesting each club member consider placing a fire extinguisher and first aid kit in their Corvettes, and, perhaps learn how to operate such. John Thomas notes the club should join WWSCC for the cost of a single ten-spot, voted to accept followed a brief discussion on the merits and benefits the 10 bucks would bring to the club.

Sue Stanley notes a patch as large as the car badge could be obtained for \$.80 @, with silver or gold trim at \$1.10 @. Activities include; party at the Stanley's, PRI Club Autocross & High Speed practices, Rally from Yakima, tour to Ocean Shores. Ron White will maintain the club's bulletin board if current photos are submitted. Butch Miller and Jerry Hudson are accepted into the club bringing the membership count to 31 paid members. Mr. Hughes from Goodyear Rubber and Tire Company spoke on tires and showed a movie on the Southern 500 Stock Car Race.

30 LAPS AGO JUNE '76: Prez. Dale Ellis gets the meeting going as the membership meets at Don and Mimi Schwab's home. Joan & George

Ringstad, and Ron & Pat Peters, past members rejoin, as John & Cecelia Nelson, and, John & Sheri Schierberl all join up as members for a total of 119. Activities noted; Hickory Farms tour to Bellevue Square, Mustang (HUH!?) Autocross in Kent, and the Rose City Autocross at Jansen Beach, Portland, and the club's Autocross in August is proceeding well. Cheryl Ellis resigns as Program Chairman as Carl Mollnow fills in temporarily. WSCC offers our club name to Ace Hardware for them to sponsor an Autocross. CMCS board says 'no way José' unless 'we' have creative control of the event. ***So much for that idea***... Joyce says there are still several Corvette Cartoon pictures that were sold at the January membership meeting for the Telethon auction, and Dale said he'd work on them by the next club meeting. Sally will inquire about the Snooper & Super Snooper radar detector, while Ernie mentioned the need for more communications between the board members.

20 LAPS AGO JUNE '86: Prez. Frank Brese called the meeting to order at Ivar's Captains Table restaurant in Seattle. Bend Oregon for the NCRS Regional Meet, Salem Concourse & Autocross, All Corvette Show in South Tacoma, Drag Race, and '50's Tour from the Golden Gardens Park in Ballard to Shakey's Pizza, then gather at Frank Brese's hot tub in Redmond highlight the month's activities. Late membership dues still coming in so no membership total at this time. Newsletter article on "Touring" by Ernie Kahler, first printed in '74, finds it reprinted here reminding all the need to follow certain touring etiquette for safety and making sure all get home safe. (*Limited histories for 1986 preclude further historical references- Ben*)

10 LAPS AGO JUNE '96: Wally & Kathy Von Barga's 1962 Ermine White roadster is featured on the newsletter's cover. Prez. Gary Main corals all the Rallyers from the club's First Annual CMCS Corvette Show-n-Shine at the SeaTac Village Shopping Center and Rally to the Aqua Barn Ranch in Maple Valley where the awards were handed out from the days activities. Vince & Chris Perriello are voted into membership bringing the number to 140. The Classic Car Tour is canceled, as is the Anacortes/ Majestic Glass Show n Shine. The Annual '50's Tour follows the Marysville Strawberry Parade, and, the Father's Day Picnic at Lake Sammamish State Park highlight's the club's monthly activities for June. Cloyd compiles a club promo handout brochure for advertising the club for new members. Meeting sets all time 'quick' rating coming in at a mere 780 seconds! As the sun slowly sets and the evening's light dims, all follow Kayla's glowing red neck out to the cars and the drive home. Thanks, Kayla, and I hope that sunburn dissipates without too much grief.

5 LAPS AGO JUNE '01: Bob & Patty Bunn's 1998 Silver Coup graces the newsletter's cover. Prez. Jan Cockrum presides over the meeting at the Golden Steer Restaurant in Kent. Kevin Grimes, Michael Wechsler, and Steven Morgaard are all voted into membership for a count now of 260. The '50's Tour leads to a dinner and dance party at Lake City Community Center. The 26th Annual NCRS Fathers Day Picnic at Lake Sammamish is well attended, the 6th Annual CMCS Show-n-Shine at SeaTac Village is another

good one, followed by Oran & Dee Petersen's rally to the Golden Steer in Kent. Vince Perriello returns after visiting the National Corvette Museum where his Corvette was on display and talks about the museum and the need to support it. 2002 SIS is in full planning mode and those wishing to become involved should step up and let themselves be known. Drive Savers was able to recover club data from Cloyd's failed computer drive for a cost of \$1,665. Back ups in the future will be on FTP files using the internet through Gecko Tech to avoid costly recovery, but at least it was there this time so no club records were lost, especially with the newsletters and all the files that they came from.

An unmarked, plain wrapper envelope was dropped off at the newsletter's editor's office. Inside was a 8 by 10 glossy photo of the lost President's Trophy with what looks like the Seattle nighttime skyline from what looks like the West Seattle hill pull-over area. A reward is rumored to have been posted but Jan is willing to let bygones be bygones and offers a 'no questions asked' for its return. Now, how much is that in Francs? *Sac le blu...*

Vette Rides for Veterans - 2nd Annual

by Gary Main

On Wednesday afternoon, June 14th, 2006 we've been invited to join our friends in the Glass Odyssey Corvette Club on the 2nd Annual **Vette Rides for Veterans** event at the Veterans Home at Retsil near Port Orchard, WA. This is our chance to give back a little to these Veterans who gave so much when duty called.

Here's the plan: For folks who want to gather before the event, there is a car display at the Port Orchard A&W in the afternoon of June 14th. Then we'll tour to the Veterans Home quadrangle, arriving at 5:30PM. We'll park the cars so the Veterans can walk around and enjoy them for a bit then we'll give rides for all who want to go. There's a brief course laid out that provides about a 10-15 min. ride. The route can be varied longer or shorter to accommodate the desires of our honored passengers. Maps will be provided. The course features some time along the waterfront, some time on straight country roads and, of course, some curves. Last year some of the Veterans really got a charge out of blasting down the road and feeling real Corvette power. We'll drive responsibly, of course, but the whole point of this exercise is to provide a bit of enjoyment to these Veterans and maybe help them to relive, if only briefly, a bit of their youth. We're told that last year some of the residents were smiling for weeks afterward. So were some of the Corvette drivers. Everybody wins on this one!

We'll make it a fund raiser, too. Please bring any good clothes, books, videos, or Corvette related stuff you no longer need that they might enjoy or have use for. Gift cards and/or cash works, too! Let's outdo the Ferrari Club, the Harley-Davidson Club and the Porsche Club!

After everyone's had as many rides as they want, we'll head for a local restaurant for dinner. Local I nfo: Byron Faber, 360-638-1235 or byfaber@centurytel.net or, CMCS I nfo: Gary@CorvetteMarqueClub.com

Show-n-Shine Overview

by Dennis Montgomery

As summer comes you may be hearing people in the club talk about Show-n-Shines. If you are already aware what a Show-n-Shine is you can disregard reading this and go out and start polishing those lug nuts on the Corvette. If you aren't sure, read on and we'll tell you more than you may want to know about what a Show 'n Shine is (at least what a CMCS Show-n-Shine is).

Simply stated, a Show-n-Shine is a Show of Corvettes that have been Shined up by their owners and then put on display at a Show 'n Shine event. The Show 'n Shines that CMCS puts on are more social events than competitions and are a terrific way to get to know your fellow CMCS members and learn a little about Corvettes at the same time. They are low-key, no pressure events that are never going to be mistaken for a Concours d' Elegance or hard-core, go for the points, judged by professionals, event!

For the most part, the awarding of the trophies to the class winners is determined by a vote of any and all folks who attend the show 'n shine, both those who have Corvettes in the event and those who are just attending as spectators (in other words, the "General Public"). This format is called a people's choice format and is just what it says. The Corvettes the voters like the best win the trophies!

The Corvettes are divided in classes based on year of manufacture so that C1s compete against other C1s, C2s against other C2s and so on up through C6s. The usual procedure is to try to get the cars in place by 8 am, or so, to allow for that last minute clean up. At 10, usually, the entrants are told to stop shining ("rags down") and the voting can commence. Around 2-3:00 pm, the votes are tallied and trophies are awarded.

The time between "rags down" and the trophy awards is the time to socialize, look at the other cars and just relax.

This year, the club will hold or help support three Show-n-Shines,

- **July 8th - Mill Creek Corvette Car Show.** The Mill Creek event is being held for the first time and will be held right in the middle on the New Town Center in Mill Creek as a part of the Mill Creek Festival. This is a chance to get your car in the show and then explore the terrific new shops, restaurants and businesses in the New Town Center. If you haven't been to Mill Creek lately to see what they have done with that community you are in for a pleasant surprise. The community and merchants are really looking forward to seeing all the great looking Corvettes and we are looking forward to having a relaxing and fun time participating in the Mill Creek Festival. The city will close off the street that is the "main drag" in the new area and we will display our Corvettes there.
[Corvettes at Mill Creek](#) (See page 27 in this newsletter)
- **August 13th -** The 10th Annual **Seaview Show-n-Shine** is held at the club's main Sponsor, Seaview Chevrolet, in Lynnwood and is our longest running Show-n-Shine. Seaview clears the "front line" of their car lot along Hwy 99 for us and a great display of Corvettes is seen by many people. Seaview Chevrolet is happy to have us there, and appreciates us. We really appreciate their involvement also.

[Seaview Show & Shine 2006](#) (See page 29 in this newsletter)

- **August 27th** - The **CMCS All Corvette Show and Burger Bash at the XXX Drive-In** in Issaquah is in its second year and has proven to be our biggest Show'n Shine of the year. In our inaugural year (2005) we had over 160 Corvettes of all shapes and descriptions from all over the Northwest! This is a people's choice format and will be a fun day with great Corvettes, great participants and spectators, raffle prizes, and music. The event is located in the XXX Drive-In in Issaquah and is a place where cars shows have been held on virtually every weekend for many, many years. We are fortunate to have one of those shows and we're sure you will enjoy it.

[All Corvette Show & Burger Bash](#) (See page 30 in this newsletter)

Please plan on attending these events and entering your Corvette. After all, one of the main reasons we bought Corvettes is drive to fun events and be around other enthusiasts. What better way to do that than a Show-n-Shine? We'll see you there!

School Daze 2006 - Commentary by **Rick Milsow - Event Coordinator**

On July 12th at Pacific Raceways CMCS will host its annual School Daze driving event. Each year we organize and hold a driving event that allows many sports car owners the opportunity to drive their car on a 2.25 mile road course. This event is limited to cars that are either hard top or convertibles with a roll bar. Yes, I would like to be out there, but my convertible does not qualify. Our insurance carrier writes the policy and the rules on this one.

Those of you with hardtops, coupes, convertibles with optional hardtops, and ZO6's should consider this event. Learn how well your Corvette handles, learn how to better handle your car. Instructors will provide guidance on your track experience and work with you throughout the day to give you tips on improving your driving skills. You will learn braking, cornering, steering techniques, and gain knowledge in how to read a corner, steer into it, and accelerate out of it. Instructors will emphasize how to prepare for entry into a corner, how to look ahead and plan for other cars, changes in the pavement, and approaching curves. Basically you will learn driving tips and lessons that will improve your overall driving.

School Daze has a long tradition with CMCS dating back to the 1960's with two main goals in mind: 1. Help members to become safe drivers in their Corvettes, and 2. Enjoy the driving experience. School Daze is not a competitive event. It allows participants to learn important driving skills while gaining valuable experience behind the wheel of their Corvettes.

As a part of School Daze, we offer a ground school for participants where one can learn about Pacific Raceway's road course. Ground school is held one

week before the School Daze event and a valuable segment of this program. We cover the many turns and the many idiosyncrasies of the course. Ground school is required for first timers and recommended for all participants. Check out the registration information elsewhere in this newsletter and go back to school, driving school.

Respectfully submitted by *Mona Cox*, Secretary
