On the Cover - Bob & Jo Spurr's 1994 White Coupe

Our 1994 White Corvette Coupe was a great find as it has only 28,128 miles on it. The interior is grey and black with grey seats. It still smells new. The drive train is an LT1 with a 6 speed and is very fun to drive. We have owned about 43 cars during our 28 year marriage. But the '94 Coupe is the one we enjoy most. This is my second Corvette. I bought a new 1976 ordered to my spec., which was great. We hope to order one more new Corvette to specs., but for now the '94 will do.

We also have a 1948 Chevy Pickup parked next to our Corvette with 49 miles on it. We finished a full restoration on it and took "Best in Class" in the 2005 Kirkland Legends car show. Hope to show our '94 as well and who knows?

My wife and I look forward to being members of the CMCS and to enjoy some of the club road trips. They sound like fun. We've lived in Kirkland for most of our 28 years in Washington. Originally came from Chicago but now call Washington our home, as Chicago is a great place to be from.

We have 3 children, 2 daughters and a son. Our oldest daughter is graduating from WSU this fall in nursing. Our youngest is a freshman at WSU. Our son is starting his 4 years in the Navy, serving our country. My wife and I enjoy traveling the Pacific NW, dancing and fine art.

*The Gospel,
According to
Gary . . .*
**by Gary Main
(CMCS President)**

Bring out the cake. Light the candles...it's Anniversary Time! Yes, it was 10 years ago this month that we welcomed **SEAVIEW CHEVROLET-GEO** as our major club sponsor. A lot has changed. A lot has stayed the same. GEO is long gone, replaced by **PONTIAC-GMC**. A few of the faces have changed but owner, **CHRIS OLSON**, is still ready, willing and able to do whatever's needed to take you out of whatever you're driving and put your tail in the seat of a new or used **CORVETTE** or, for that matter, anything else that **Chevrolet** or **Pontiac** or **GMC** builds.

Our feature event this month will be the **10th Annual Seaview Show-n-Shine** on August 13th. All Corvettes and all Corvette Clubs are welcome and encouraged to be there. Chris Olson is making this anniversary show extra special with things like a live remote radio broadcast on-site during the show. Put this one at the top of your Corvette 'to do' list this month. Let's show **SEAVIEW CHEVROLET-PONTIAC-GMC** how much we appreciate their **TEN YEARS** of support of CMCS. Details are on [page 17](#).

Plenty of other Corvette stuff going on in August, too. Check out the Upcoming Activities pages.

Looking ahead, have you registered for *Seattle in September* yet? Is your **Valve Cover** racer ready? Better get moving. On both! The host hotel is filling up fast and the track will be faster. Competition for Club Participation award is heating up, too. **Capital City Corvettes** is still (barely) in the lead, but only by the slimmest of margins. Another Oregon club and at least one from Idaho are breathing down their necks. It's going to be a race! Last month at the High Desert event, word on the street was that the **Dukes Racing Team** would be coming back en mass to defend their Valve Cover Racing title. Can they do it? Find out at *Seattle in September*. See you there!

My Other Car - Advertising

What if instead of parking this 505 horsepower rocket for most of the year in the garage, you could share it with some of your

best friends, forget about maintenance, and pay something more along the lines of sales tax instead of the full \$75,000 price tag?

Now if you and your friends could stand to gain from other folks driving this Z06 while you have a good time with another car, that would be quite a blast, right?

We thought so, too.

Some Thoughts After School Daze

by Michael Armstrong

One of the objectives in getting THE CHEV was to have a sports car and learn how to drive it. I was pleased to find that CMCS would provide the opportunity to learn some of the dynamics of the car's behavior & performance in a safe, controlled environment. Here is some of what a first timer at School Daze encounters:

Sensory Overload: this started one week before track day. Ground school was a fact filled two hour session dealing with track safety, rules, protocol and how-to. The track boss and the chief driving instructor briefed us on track rules, safety, flags, more safety and information about getting around the course. There was more than two days material covered in two hours. It left you well briefed but wondering how much would be retained, even with all the handouts.

Event Day Butterflies: We have strong attachments to our Corvettes. The prospect of hurting it is not heartwarming. The speeds, unknowns and a new experience leave one wondering what's in store.

Meeting The Learned One: I was chatting with the event organizers about getting an instructor lined up. They introduced me to Jim Millet, a senior instructor with the BMW Club. He has lots of experience both driving and teaching. We started the day with a few runs around the track in his Z3 M series coupe. He showed me the "line", where to accelerate, brake, the turn in points and how to get the car around the course most efficiently.

My Turn: The sensory overload resumed. All those things you need to remember must now be executed. It took a while to get the line down. At different points, the correct line appeared counter intuitive. Weather complicated things. It was wet, it dried a bit then got wet again. After three or four track sessions, I had the line reasonably well organized and did not get lost as often. Then we got a drier session and confidence & performance went up markedly. Jim Millet taught well. As it turned out, the speeds were not that high and the car and occupants were never in peril.

That Car Is More Than A Pretty Face: I viewed THE CHEV as a capable GT car, sometimes in the vein of a Thunderbird that performed better. That is no longer. Experiencing what that car can do was a real eye-opener. It goes, stops and turns with more finesse than imagined. And, more than that, it is something I can do with the car. It very positively changed the way I feel about the car. A big thank you to CMCS, School Daze organizers and Jim Millet. Now I've got to do it again.

Mike and his wife Jane joined the club in January with their 2003 Spiral Gray Coupe, THE CHEV.

Mill Creek Show - Event Report

by Lorrie Montgomery

For those of you who missed the Mill Creek All Corvette Show this past weekend, you really missed a great event. The venue was super, with a variety of stores and restaurants to please everyone, as well as the Annual Mill Creek Festival which was going strong. We had 98 Corvettes register for the show, and a few others that just stopped by to see what was going on. They came from all over the area including Yakima!

Photos by Bill & Nancy Benn

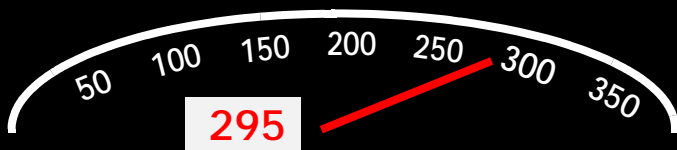

We want to thank Jay and Jan Cockrum for the outstanding job they did in planning and executing the Mill Creek All Corvette Show. They started out by organizing a group of Marque Club volunteers to help. But it was Jay and Jan who worked tirelessly over the last few months meeting with the Mill Creek Festival organizers, calling on the community businesses, lining up sponsors and getting raffle donations from anyone who showed even the slightest interest, and they handled all the promotion for of this event (obviously it paid off)! And to top it off, they arranged for 85 degrees and sunshine!

Needless to say, this show was a huge success. So be sure to watch for it next year...you won't regret it!! Thanks again to Jay and Jan!

The Membership Tachometer

by Marty Cameron

A 9am Breakfast at "The Old Country Buffet" in Factoria was the setting for the July 15th general meeting. A tour was led by Al and Jean Dager to beautiful Mt. Rainier and many cars followed as the destination and weather were great. Eight new members joined this month making membership **295**.

New Members - July 2006

Mark Everett lives in Woodinville and has a "hobby" driving his **'91 yellow coupe**

Kurt Geisreiter lives in the city of Everett. He also owns a Harley and enjoys driving his motorcycle and boating. His **'92 aqua blue coupe** has only 12,000 miles! WOW

Mike and Julie Siemion own a **2004 Silver Z06**. They are semi-retired, enjoy fly fishing, gardening, snowmobiling and teach entrepreneurship for start-up dot.coms.

Stan and Billie Trask This couple some of you might recognize...they were members in the '90's and have moved back to the Issaquah area and are welcomed back into club with their **'63 split window Red Coupe**

Kevin and Christy Kosche live in the Lake Stevens area. Christy has been involved in the Vintage Chevrolet Club of America for 15 years with her **'59 white roadster**...the only Corvette. About time they both belong to a Corvette club, huh!! They also own a **'99 Red Coupe**.

2006 Parade Event Report

by Jim McDonnell (Parade Chairman)

jim@corvettemarqueclub.com

CMCS is having another successful parade season. We were in 4 parades in July and are looking forward to two more in August.

On July 4th twelve cars participated in the Bothell Parade. The weather was not as hot as last year, thank goodness, were closer to the front. We moved rapidly through the receptive crowds. Afterwards several of us went to lunch, something we always try to do.

Bothell

All parade photos taken by Bill & Nancy Benn

The Redmond Parade was second. On July 8th we carried celebrities in 10 cars and had four cars "along for the ride." The parade route was so short this

year that we finished in 15 minutes. We skipped lunch as many of us departed for the Mill Creek Show & Shine.

Celebrities were in our cars again at the Greenwood Parade on July 26th. We had nine cars of celebrities and a few along for the ride. A run to Dick's for hamburgers afterwards finished the evening.

CMCS was specifically requested to furnish convertibles for the Seafair Torch Light Parade on July 29th. We came in with 9 convertibles and a few extra. We carried dignitaries both from Seattle and other countries. The Torch Light Parade is the premier parade of Seattle Seafair. Being a part of it was special.

We have two parades in August, both on the same day. Magnolia is on the morning of the 5th and Lake City is in the afternoon. There is still room if some of you folks want to join our group. We will have more pictures to add to our web site and next newsletter. Do come out and join us. Parades are a fun way to offer community service.

Let's Go Valve Cover Racin' . . .

VALVE COVER RACES! Never heard of it, you say? Here's the deal: It's a lot like the Pinewood Derby races that your neighborhood Cub Scouts do. Only bigger. Bigger boys have bigger toys. Girls do too! Simply take an old valve cover, slap a set of wheels under it, find an incline somewhere, and say to your buddy, "Bet mine's faster'n yers!", and Bubba, 'ya probably got 'yerself a race. There are a few rules, of course, but not many. In order to keep this from turning into an NWACC type fiasco...i.e....crushed under the weight of the NWACC competition rule book...we're borrowing the guidelines used by our Canadian friends. Very simple. And, if we build to their standards, perhaps we can entice some international competition some day.

THERE WILL BE (3) CLASSES:

| STOCK | MODIFIED | UNLIMITED |
|---|--|---|
| Must use small block Chevy valve cover. Must be short type only. Can be steel or aluminum. Must be stock in appearance (no wings, etc.) Maximum width 10 in. Maximum weight 5 lbs. | Must be small block Chevy valve cover. Can be TALL or short. Can be steel, aluminum, cast, or carbon fiber. Wings and accessories are allowed. Maximum width 10 in. Maximum weight 7 lbs. | Can be small or big block Chevy or other make. Can be TALL or short. Can be any material. Modifications are allowed. Maximum width 11.5 in. Maximum weight 15 lbs. |

RULES and SPECIFICATIONS

| VALVE COVERS | TRACK |
|---|--|
| NO engines or motors are allowed. GRAVITY power only. Leading edge of racer must contact track starting pin (pin extends 2" above track) All entries must be officially weighed in. Valve Covers must pass a technical inspection. Valve Covers must have a minimum of 3 wheels. Individual entries are allowed in one class only. | Will be 20-30 feet long. Starting line will be 4 feet off the floor. Lanes will be 12 inches wide. Rails will be 2 inches high. Races will be electronically timed, if possible. Eliminations will proceed after time trials and qualifying runs completed. |
| ***all track measurements are approximate*** | |

GENERAL

Entrants are responsible for staging their own Valve Cover entry.
 Racing is open to kids (ALL ages), one official entry per person, after time trials.
 Unsportsmanlike behavior will result in disqualification (& heavy shame!).
 Organizers do not accept responsibility for injury or damage to persons or property or for failure to have fun. Yer on yer own, bubba!
 Decisions of the Organizers will be final. Protests will NOT be acknowledged.
 Awards may be made for People's Choice, Rusty Wheels, and Competition classes.
 Anything NOT specifically PROHIBITED by above rules is LEGAL.
 Anything NOT specifically REQUIRED by above rules is OPTIONAL.
 And finally. . . there AIN'T NO MORE RULES!
 So there you have it. Dig around in your garage & find that old valve cover you've been using to store old rocker arms & rusty head bolts that you'll never ever use again. Dump the junk out of it, slap on a set of wheels (and maybe a coat of spiffy paint) and LET'S GO RACIN' . . . !

2006 RAD Experience - Event Report *by Patty Bunn*

A huge round of applause goes to Kayla, Gary, and to those who helped make the Mains final **RAD** event successful! Bob and I are sporting new suntans and sunburns that will remind us of our wonderful experience on the 2006 **RAD** to Seaside, OR. It was a blast and HOT, HOT, HOT!

On Saturday, I drove at speeds faster than I-5 (a parking lot at the time) on sweet long and winding roads that RUNVUS has mostly never driven on in order to get to Seaside. We did get a lot of smiles and waves from on-lookers who were passed by our mostly roofless convoy of Corvettes. Shortly after arriving in Seaside, Bob and I purchased yummy salt water taffies and souvenirs while walking along Broadway, then dipped our feet in the ice cold refreshing ocean waves, and then crashed in our room. Later that evening, we enjoyed the company of other Corvette Marque Club members such as the Luczyk's who flew their kite during an incredible sunset. Soon after, I helped get a huge bonfire going. We roasted marshmallows and nibbled on S'mores as memorable stories of Corvette moments were being told. Before we knew it midnight was close at hand. After a majority voted, only Bob objected, no one was to be named the '31' champ that night. The sound of Seaside night life still buzzed in the air as Bob and I tried to get some much needed sleep.

When Sunday morning came, we had a hard time believing that it was almost time to head home. Not eager to go, I wanted to check out the shops and walk on the beach one last time that weekend. When it was time to go, Bob and I agreed to keep the roof on RUNVUS due to it being a lot hotter day than Saturday. Bob drove this time around towards home. The roads taken back were pretty bumpy, and the smell of pine was strong. We stopped at the Jewell Elk Park to stretch our legs. A few of us commented about needing 'sporting bras' on that last stretch of road. Only one tree provided enough shade for our group. During the break, we found out that someone actually had a refrigerator in their storage area. We checked it out and were pretty impressed with how little space it took up! Also, none of us saw any Elks, but saw a llama (or was it a camel?). After getting back on the road, we stuck with our group up until reaching I-5 so that we relieve the grandparents who were watching our kids.

Bob and I got to experience **RAD** only once before with RUNVUS. We both were sad that **RAD** 2006 would be the final one. After talking it over with the Mains, the Bunnns will coordinate a **RAD** event in 2007. We will keep you posted with the details after we decided what route and where we will be staying. Till then- TTFN!

Seattle in September 2006 Information

by Kevin & Judy Jewell kevin@corvettemarqueclub.com

There is only a little over a month until **Seattle in September** debuts for 2006. If you haven't already done so, get your registrations mailed and be sure to contact the hotel for your room reservations. There is a competing event at the hotel that weekend, so we expect them to be booked. The event is coming together well and we look forward to giving everyone a fun time. Food, touring, autocross, more food, valve cover racing, show & shine, poker run, big banquet with entertainment; something for everyone. Remember our theme is Mardi Gras so bring your beads, masks, hats or whatever for the banquet.

One of the ways we pay for the event is with the raffles during the event. During the event we sell raffle tickets. For the major raffle prizes, which will be spread around the room, the participant can put one, or more, raffle tickets in each of the boxes in front of the prize. The winning ticket gets the prize. We also will have lesser raffle prizes that will be grouped together to go to winning tickets drawn at random. We are soliciting the following type of prizes:

Goody Bag Prizes: These tend to be the less expensive give away prizes such as pens, car wash items, key chains etc. Anything of value is always fun to get in a goody bag. Marty Cameron is collecting goody bag prizes.

General raffle prizes: If you have something new sitting at home that would work for a raffle prize, please donate it for the event. Maybe you know something that you could buy that would be well received, consider adding that to your next shopping list. We need lots of raffle prizes. If you have a contact with someone you buy from, sell to or just know, ask them for a raffle prize. This could be a free oil change at your favorite dealer. Maybe a car wash bucket full of car care products. Use your imagination, for prizes. Certainly, even things like software can be a valued donation. For cash contributions, we recognize any entity that gives us \$150 as a donation. They will be shown on our bulletin board and all the promotional literature as major donors. If you were there in 2004 you might remember that the coveted raffle prize was a set of 4 Goodyear tires for your Corvette. Good Neighbor Tire & Auto Service, Inc. of Renton has again offered a set of tires. Don't think the prizes you solicit have to be of this cost. Anything, especially car related, is valued. We can always group together small tool kits with something else to make a raffle prize. Don and Marcia Hardesty are the chairs of this effort.

This year, we are also soliciting members to develop gift baskets that will be put around the room with the raffle ticket container at each one. The baskets have been very successful and highly sought after at other events. At the last Seattle in September planning meeting, one of the committee chairs showed a nice carrying bag full of hair care products. Some of the other baskets already planned include a Cajun basket (our theme is Mardi Gras this year), an Everything Seattle basket full of Seattle unique products and a Closet Basket, with cedar hangers and other closet items. Get together with a friend and develop your own Wine and Chocolate basket, Gardening basket or again use your imagination. I use the term basket, but it could be a bucket, wheel barrow, or any type of container to hold the prize contents. Whatever seems appropriate for the prize. I have seen people buy another \$50 worth of raffle tickets just to increase their odds of winning that basket they most covet, so this is a great fund raising activity for the event.

Marty Cameron is also taking shirt and sweatshirt orders. See the registration form to order your clothing, or call Marty direct.

We hope everyone joins us for Seattle in September. Please also consider helping, by volunteering for one or more of the committees and participating in the raffle prize solicitation or preparation of gift baskets. Any questions, just call or e-mail us and we will get you the answer.

TO OUR VALUED FELLOW CMCS CORVETTE OWNERS

We appreciate your business!

As many of you know, we have been in the Corvette business for years starting in 1964 and our technicians have nearly 100 years combined Corvette and general automotive experience. We wouldn't have been able to do it without support from CMCS members. We sincerely appreciate this support at our facility in Kirkland since 1981. We have been a sponsor of CMCS for many years and Rick has been a member since 1964.

Update the look of your Corvette with C4, C5 and C6 chrome spoke wheels available in 17, 18, 19, 20 inch diameter and various widths. Get off those stock wheels and look good doing it. If you want your Corvette to look great stop by Rick Stark Enterprises for a great deal. We also have Goodyear tires at the best prices in town.

C6 Exhaust System

Want to spice up both the performance and sound as well as the looks of your C6 Corvette? We have what we feel is the best C-6 Corvette exhaust system on the market. The B&B Bullit system is the more aggressive sounding system of the two systems offered by Billy Boat Performance Exhaust and also delivers the most horse power for your dollar and we have one in stock for immediate delivery and/or installation in our showroom on display. Other exhaust options and performance goodies are also readily available for the 2005 Corvette so stop by and see us for this and all of your other maintenance and performance needs. And remember, we work on cars and trucks other than Corvettes as well and would love to see you come by with any of your other vehicles too. Thanks for your continued support, ***R.S.E. Auto***

Laps From the Past or "Marque in Time" A CMCS history feature by Ben Benninghoff

40 LAPS AGO: AUGUST '66. Vice President Roger Orth gets the monthly meeting going at the Hyatt House in Seattle. Minutes were not reviewed as there were none. Treasurer notes funds presently at plus \$10 so 'we're good!' Harold Hunt and Michael Bailey are accepted into club membership. Bruce Kelly gives a presentation on what he's learned about the new '67 Corvette soon to come out. The Board brainstorms ideas to improve membership turnout and participation; perhaps a 'point system' to reward members for showing up.

30 LAPS AGO: AUGUST '76. President Dale Ellis slips in a monthly meeting at the annual Beach Party at Sam Sakur's home on Whidbey Island. Ron and Jan Anderson become the latest members voted in bringing the total to 123. Correspondence from Edmonton Corvette Association; convention during the upcoming Labor Day weekend. NWACC; Rally/Party/Autocross, Cheney Stadium, Tacoma. Len thanks everyone helping with the Concours and Party; thank you letter forwarded to Lee Johnson Chevrolet and to Larry

Foss from the Parts Department for their donation of a short-block that was raffled off; motioned passed to thank them with an ad taken out in the Seattle Times and P.I. newspapers. Don Schwab has given the green light to hire a band for this year's Christmas Party. Sally Christian voted in as the club's representative for NWACC as Kevin steps up as the alternative. Apparently a 'tiff' ensued at the recent CMCS NWACC event we put on; displeasures noted with the trophies, and the party. Another motion passes to take a 'bye' on an NWACC Event next year (Good luck, Sally...that's showing 'um!). Len notes the Mustang Club has a duel set of timing lights available for \$35. Jeff Weymouth is no longer associated with Hoffman and Neighbor Goodyear.

20 LAPS AGO: AUGUST '86. Greg Westford's 1970 Marlboro Maroon roadster is featured on the newsletter's cover. President Frank Brese conducts the meeting held at the Meatmarket Restaurant. Treasurer notes a refund from the IRS for \$290. NWACC held in Vancouver. Evelyn Schwerin, Leroy & Connie Anderson, and, Tom Rodenbough are all voted into full membership bring the total to 102. An idea of distributing self-addressed business cards to potential members was discussed. Corvette Festival noted without comment to further explain. (Limited histories for 1986 curtails further references to club activities- Ben)

10 LAPS AGO: AUGUST '96. Loren & Verlene Sawyer's 1958 white with red coves graces the monthly newsletter cover. President Gary Main calls time-out at the Everett Aquasox baseball game outing to hold the first CMCS General Membership meeting in the left hand side bleachers by 1st base prior to the start of the game. Minutes from the previous meeting was waved due to Ben positioned by the Corvettes parked inside the park for the incoming fans to enjoy. Bill & Diane Reisbick, and, Rick & Lauri Milsow take the vow in the bleachers to become the latest members in CMCS bringing the total to 157. Gary closes the meeting a mere 8 minutes afterward and 2 minutes before the Ump calls out; Play Ball!; a new world record, and silently disappears under the stands to partake in his usual Ivar's Clam Chowder in a bread bowl. Harold LeMay Car Collection tour was mentioned. \$1,600 is 'earmarked' for next year's S.I.R. event. Gayle Richards donates her recently acquired print from the Corvette Museum, serialized and signed by Zora, to use as this year's Raffle prize. Verlene moves to have Kayla frame and mount it, funds to be used from the club's general funds, approved by a vote from the Board.

5 LAPS AGO: AUGUST 2001. President Jan Cockrum presides over the meeting held at the Western Corvette Supply store in Lynnwood. Guest speaker Jodi Fordahl gave a talk on autocrossing; being active for the past 20 years and holding 4 National Championships. Kevin & Judy Jewell, Jim McDonnell, John & Cynthia Luke, Don & Chris Berry, and, Rick & Peggy Middlebrook are all voted into membership bring the total to 273. Seaview Chevrolet hosts the 5th CMCS Show & Shine in Lynnwood, Classical Glass

of Tacoma, Everett Aquasox outings highlight the activities. Karen Barnott resigns as NWACC Treasurer. Rick Milsow reports 49 cars attended the latest S.I.R. School Daze event, and that the track will be under new management next year. Gary & Kayla Main and John Thomas give reports of the past "On The Rouge Again" where 22 cars attended, and for the Boise Idaho Vette Fest saw 8 CMCS Corvettes attend, and for W.O.W had 11 cars. Western Corvette Supply will be closing its doors next month, Jan thanks Rick Spellman for all the years of loyal support for the club. The Charity club receives an anonymous donation of \$100 during the Seaview Show and Shine while hot dogs were being served to one and all. CMCS receives a 2nd place trophy in the Magnolia parade, and a letter of thanks for those participating in the Edmonds 4th of July parade.

Be one of 100 to Help the Museum - NCM Vehicle Sales Initiative

If you currently own a non-GM vehicle (1996 model or newer) and make your purchase of a new GM vehicle between May 8 and August 31, 2006 you could be one of 100 that help us gain \$25,000 towards our building campaign!

GM Vehicles are any new 2006 or 2007 model Chevrolet, Pontiac, Buick, Cadillac, Saturn, GMC, Hummer or Saab. You can help continue our Building Campaign efforts through this special promotion. Find out more by clicking here: <http://www.corvettemuseum.com/donations/sales.shtml>

Supporter Plans for the Future

NCM Member Jack Cunningham still has many years to enjoy his Corvette, but has already made plans to have his Corvette taken care of long after he is gone.

Jack has named the Museum in his will as the recipient of his 1990 ZR-1 upon his passing. "I love my Corvette, and I want the Museum to have it to share with others," Jack told us. "I couldn't imagine a better place to leave something that I care for so much." We appreciate the generosity of the many Corvette enthusiasts who have made arrangements to make the Museum a recipient of their valued assets in their long-term planning. If you would like to find out more about how you can name the Museum as your beneficiary, contact Frank Ragukonis, NCM Development Manager at:

frank@corvettemuseum.com or (800) 53-VETTE.

Corvette Buyers Tour Opens

If you are purchasing a new Corvette, we invite you to be a part of the "Corvette Buyers" tour available to new Corvette buyers!

The tour, offered in conjunction with the Bowling Green Corvette Assembly Plant, provides a VIP experience of the Assembly Plant for you and up to 3 guests to witness the assembly of America's Sports Car with your very own personal tour guide. Participants are often able to schedule their tour on the day their Corvette is being built. You might be able to "give birth" to your Corvette, starting your Corvette's engine for the very first time. Buyer's Tour participants also receive an in-depth 3-5 hour private plant tour. Find out more about this exclusive tour by visiting our website at:

or by calling our Museum Delivery Team at: (800) 205-4248.

General Meeting Minutes

by Mona Cox - Secretary

July 15, 2006 - Old County Buffet in Factoria

Following breakfast President Gary Main called the meeting to order at 9:48 a.m.

Board Members present were Gary Main, Bill Cameron, Mona Cox, Dave Ormerod, Kevin Jewell, Al Dager and Rick Milsow.

Secretary's Report: The minutes were accepted as published in the newsletter.

Treasurer's Report: Dave Ormerod reported that the recent Mill Creek car show and School Daze both showed positive balances; the club is in good shape financially.

Membership: Joining the club in July were Kevin and Christy Kosche (1959 white roadster and 1999 red coupe), Kurt Geisreiter (1992 aqua coupe), Mike and Julie Siemion (2004 silver Z06), and Mark Everett (1991 yellow coupe). Former members Stan and Billie Trask have re-joined. Membership now stands at 295.

Activities: Al Dager and others brought the following to our attention:

- August 5 and 6 – Women Only Weekend in Anacortes. Jan Harris noted that the block of rooms will be released on July 18.
- July 16 – All Chevy Show at XXX in Issaquah
- July 16 – Anacortes Open Car Show
- July 22 and 23 – Alaska Cruise for Kids; proceeds to Seattle's Ronald McDonald House.
- various parades in July and August – Jim McDonnell needs more roadsters! See newsletter for specific parade dates.
- July 29 – Aquasox Baseball Game in Everett
- August 13 – 10th Annual Seaview Show and Shine in Lynnwood
- August 27 – XXX Show and Shine in Issaquah. Contact is Dennis Montgomery.
- September 15 through 17 – Seattle in September: Co-chair Kevin Jewell encouraged people to register for the event; it will be here before we know it! Also consider preparing a “basket” to be a raffle item. If you can't do a basket, please donate items for general raffle prizes.

Newsletter: Through Gary, Oran asked for cover pictures and stories. He has enough for the next couple months, but is always looking for more.

Adopt-A-Highway: No report.

Charity: No report. No 50-50 drawing this time. The club is still collecting items to send to the troops. See your newsletter for more details of what's needed.

National Corvette Restorers Society (NCRS): No report.

National Corvette Museum (NCM): Wes Holmes noted that the museum has Christmas ornaments for sale via the website. Wes also has raffle tickets for a 2007 red coupe. Tickets are \$10. The drawing will be held Sunday, September

3. He also has \$100 tickets and \$500 tickets for different Corvettes. See him to purchase tickets. All donations are tax deductible.

Parades: No report; see the Activities section in this report for information.

Northwest Association of Corvette Clubs (NWACC): Tim Cox reminded us that the Classical Glass event is being held this weekend (July 14-16), and the Rose City Classic event is in Portland August 11 through 14. He also introduced Wes Holmes as CMCS's NWACC alternate representative.

Seattle in September (SIS): See the Activities section in this report for details.

Old Business: None.

School Daze: Rick Milsow reported that 53 cars participated in the event on July 12 at Pacific Raceways. It was rainy, but everyone had a good time. Rick noted that CMCS reserves the track once a year for our event. He thanked all those who attended and those who helped with the event.

New Business: None.

It was good to see Dick and Jane Shimanek at the meeting. They live in Green Valley, Arizona, but spend a bit of time in Seattle in the summer.

Following the meeting, Al and Jean Dager were to lead a tour to Mt. Rainier. The meeting was adjourned at 10:21 a.m.

Respectfully submitted by Mona Cox, Secretary

OPERATION: HELPING HANDS

***A CMCS Charity Committee Project
Project Chairperson: Ben Benninghoff***

We have a committee to collect items to send to the troops in the Middle East. We welcome any contributions that are needed over there.

Due to the travel time, climate and the heat inherent with that part of the world, freshly baked goods, like cookies, cakes, chocolate, etc. are not appropriate. A list of items that are acceptable and welcome (not inclusive); prepaid phone card (\$10@), disposable cameras, books, magazines, newspapers, beef jerky, sun block, lip balm, coffee/tea, hard candy, trail mix, nuts, CD/DVDs, playing cards, dominos, talcum/baby powder, shampoo, photos from the local area, letters of thanks, eye wash drops, breath mints, deodorants, Kool-Aid like powdered drinks, Mac n cheese, batteries (AA/AAA) for CD players, and, just about anything one can imagine taking on a camping trip to make life a little more comfortable.

Donations will be accepted at all club functions up to and including the Seaview Chevrolet Show n Shine on **August 13, 2006**.

The committee will box up the items for shipping on Sunday August 20th at 1:00 pm at my home. If you are interested in helping, send me an e-mail at BenBennCorvetteMarqueClub.com or phone (425) 275-1607.
