Cover Car - Al & Jean Dager's 40th Anniv. Convertible

Our 1993 40th Anniversary Edition represents Jean's first experience with Corvettes, and my (Al's) third. I started out in 1968 with a 1967 425 Stingray coupe, racing green. It was hot. I'm not just talking about the power; the interior used to get really hot. But I also had a lot of fun in it.

Not long after selling the '67 I bought a used 1969 L-88 coupe. This one was really hot, but not so much the interior. It had stress cracks in the fiberglass from all the hard driving. I won't tell you how much money I spent trying to keep that thing tuned up. I finally sold it in 1972 for around \$6,000. The guy in Grants Pass who now owns it tracked me down and tells me he's turned down \$125,000 for it. (Sob.)

We're hoping for a chance to see it next time we drive through southern Oregon.

In 2003, after we sold our 1987 T-Bird, we decided that we didn't need two full-time cars. I had often spoken about how I'd love to have another Corvette, and I was pleasantly surprised when Jean didn't try to discourage me. She actually went with me to look at some, and seemed pleased to let me have my mid-life crisis toy. After checking out a couple of really used C-4s we came across this one. It had 100,007 miles on it, was a one-owner car from California, and needed just a little bit of work. And it was only \$1,000 more than the beaters we saw.

After getting it I checked out CMCS's Web site and we went to Sequim to join in the

Irrigation Days parade that May. That's when we decided to join the club, and,

surprise! We were accepted on our first try! How about that? I'll bet that doesn't happen very often, does it?

We've really enjoyed being a part of the CMCS activities. We especially enjoy the driving tours. Which explains why I scheduled as many as possible for our general meetings during the past summer. I figured we could find things to do indoors during the late fall and winter.

Even though our ruby-red baby isn't as gnarly as my older Corvettes, we love it. It's quick enough for my old age (although I secretly lust for a Z06). Let's face it, every Corvette is fun to drive.

On July 12, 2005 Jean and I celebrated our 25th wedding anniversary with a trip to Birch Bay in our Corvette. It was a special time, and I played the tape of our ceremony while we sat with the top down, enjoying the beautiful view at the beach.

We especially like driving places with CMCS. Jean isn't too fond of having her hair blow around, but I hope some of you will tell her how beautiful she is even when her top-down hair makes her look like a wild thang. It may encourage her to let me put the top down during the winter, too.

*The Gospel,
According to
Gary . . .*

*by Gary Main
(CMCS President)*

This is my last gospel. My final sermon as your president. Seems like I said that about 10 years ago, doesn't it...but I digress...this time, maybe it's for real. Next month the "buck stops" somewhere else and I'll be watching the comings and goings of CMCS from my lofty perch in the rockin' chair of the Office of the Past President.

Time flies. Things change. Or, sometimes, they don't. Ten years ago as I wrote that "last" gospel, I remember saying something about having just dropped a TEMPORARY engine into my Sunfire Yellow '67 presidential limo...just something to keep the wheels turning while I rebuilt the "numbers" motor. A decade and 30-plus THOUSAND miles later the wheels are still being turned by that artificial heart and the numbers motor is still waiting for that rebuild. Maybe now I'll have time to finish it. Y'think?

BTW...How many of you knew that we have a FABULS celebrity within our membership? We do. Check out the story & photo on [page 12](#) of this newsletter. Oops, I digressed again. OK. Back to business...

By all accounts we've had a great year. Lots of changes, most of them good. We did good for the community, we did good for us and we had a load of fun while doing the good. Life's been good! We kept our Adopt-a-Highway section of I-5 squeaky clean. We had a bunch of great events. Who can forget the very **LAST RAD** back roads tour to/from Seaside, or the Umpteenth Annual **50's Tour**, or the Corvettes at **Mill Creek Show**? How about our annual **CMCS School Daze** at Pacific Raceways, or **Saturday Night at the Ballpark**, or **Women's Only Weekend**? We had the **10th Anniversary Seaview Show**, followed by the **CMCS Support the Troops** project. There was record attendance at the **All Corvette Show & Burger Bash @ XXX** and it raised a pile of \$\$ for Evergreen Hospice. We did another stellar **Seattle in September** event that included hosting the first **NWACC Auto-X** in more years than I can remember. We closed the year with our Dee Esping **Adopt-a-Family** for Christmas project that brought a load of joy to several needy families in our community and an even bigger load of joy to those of us who got to see the smiles on the faces of those families as **CMCS Santa** made his deliveries.

I didn't make all of this stuff happen. I was just your president while it happened. (Ref: **Leadership Rule #1** is, and I quote, "Figure out which way the mob wants to go, then get out in front of the mob.") From the

very beginning I said we'd operate by the "Golden Rule" (defined as: whoever *has* the gold, *makes* the rules) and we did just that. All of these good things happened because a lot of CMCS members stepped forward and picked up bits and pieces of the various events and ran with them. Members who stepped forward "had the gold" and the end result was that everybody who chose to be a part of these events had a great time. (And those who didn't...didn't. Who cares?) Come to our end of the year **Awards Banquet on March 10th** and help me say thanks to those who made this CMCS year the success that it was.

I t's been my pleasure...and that of the First Lady, too...to serve you this past year. We have an excellent set of mostly brand new rascals coming in to lead CMCS next year. Please give them the same great support that you gave me and my team of rascals and you can be sure that CMCS will have another great year.

Excuse me now, while I "pass the buck" to Kevin.

- March 18th - CMCS Adopt-A-Highway cleanup**
- March 31st - Membership renewal deadline**

Famous Members

CMCS is full of memorable characters. Some way more memorable than others. It could be said that one of our long time members has "pegged the needle" on the memorable gauge, so much so that a life-size bronze statue commemorating the well known antics of this member is being created and will soon appear in a prominent location in the greater Seattle area.

A number of CMCS members grew up with this person. An even greater number of us, who just got older but never really grew up, have had and continue to have our lives enriched

by our association with this memorable character. Any idea who we're talking about here?

In the April issue of On Your Marque we'll give you, in the words of Paul Harvey, "The rest of the story". In the meantime, the photo is a hint...

Club Radios

Many of our members have purchased UHF radio(s) that are used during caravans to keep the group together and resolve issues and problems. Most of the radios are the Motorola brand, two of which are shown below.

One source of these radios is:

www.TechWholesale.com

Both are a single channel, which is all that you need for Club operations. The 2 watt unit is more satisfactory, and does not cost that much more. The prices are not listed, as they change often. The Club uses Frequency: (467.9000 MHz) and Interference Code: (179.9 Hz)

You also can opt for more power, channels, brands and models.

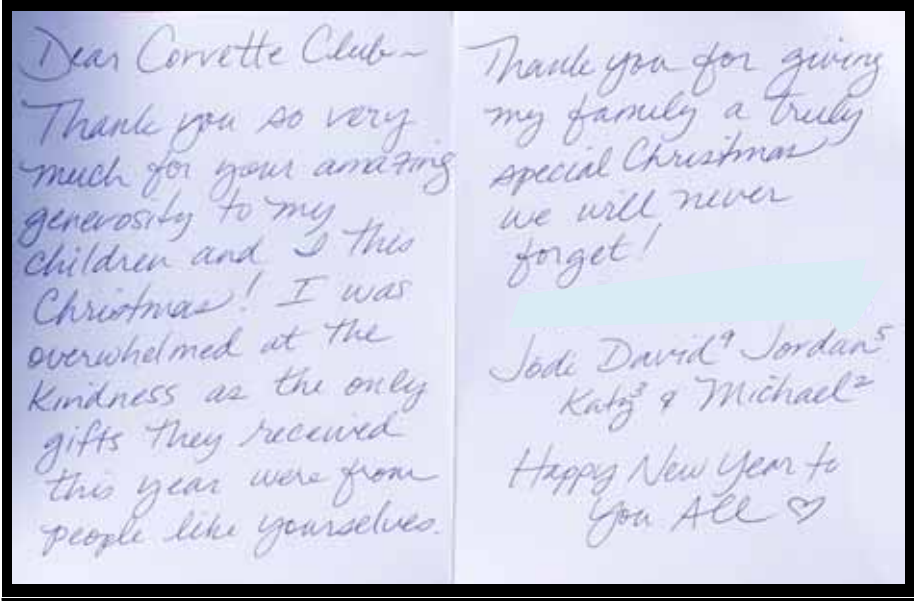

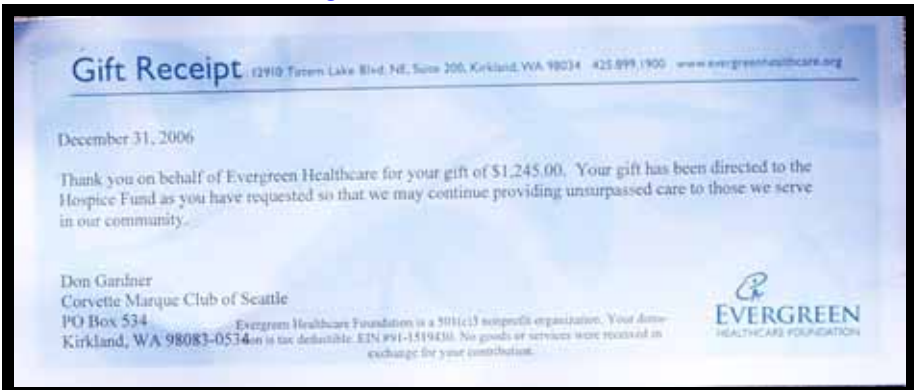

*XU2100
2 Watt*

*CLS1110
1 Watt*

NOTE: These are UHF frequencies, not VHF

Charity Thank You Notes

Club Windshield Decals

CMCS decals that apply to the outside of your windshield are now available. Shown are yellow, and white (in the background). These remain on the glass permanently and are said to last a couple years. Cost is \$21 for a set of 2 decals. See Mona Cox (425) 488-9613 for available colors and to place your order.

"A quality life for those with developmental disabilities"

November 20, 2006

Dennis Montgomery
CMCS
P.O. Box 534
Kirkland, WA 98083-0534

Dear Mr. Montgomery:

Thank you for the donation of \$1,125.00 to LEO from the recent car show held at the Triple XXX in Issaquah. Your thoughtfulness is greatly appreciated. No goods or services were provided to you in exchange for this donation.

LEO is a 501(c)(3) nonprofit working to foster a quality life for those with developmental disabilities in the greater Issaquah area. Our focus areas are housing, employment, recreation, and community.

Your donation allows us to continue as a resource to those with developmental disabilities and their families. The LEO organization continues its programs in community outreach with public forums and employment with Employee of the Year awards. We maintain a strong advocacy voice in the education, transportation and recreation systems. LEO now has two adult family homes that assure a safe, caring place to live. We continue to grow in other areas of advocacy for those with developmental disabilities. With your help, we are creating a strong organization to carry on when the parents can no longer look after these adults.

Thank you again for being so thoughtful of our organization!

Sincerely,

Larry Kimble Thank you so much!

Adopt-a-Highway Clean-up By David & Rachelle Woodcook

**Our area of I-5 needs a
CMCS Adopt-a-Highway cleanup.**

Sunday March 18th 9:00 am

Let's all meet at the usual place (the bus barn parking) lot just south of the North 175th Street exit on I-5. Dress in your warm grubbies and bring your gloves. Rain gear might not be a bad idea either. We will have lunch afterwards. Remember that anything you find, you can keep. We've had fun comparing treasures at the end of the cleanup.

The Membership Tachometer

by Marty Cameron

Officer nominations were held at the Old Country Buffet and naturally everyone helped themselves to a huge breakfast. About 18 cars took off for Tacoma CC's open house held at Corvettes of Auburn. After looking at engines, parts and corvettes at varying stages of rebuild we heard from their president and sponsors, then were welcomed to take part in a lunch buffet that was fantastic. Needless to say no one went home hungry Saturday! Membership stands at **318**.

My Other Car - Advertising

You Don't have to Own a Z06 to Drive it.

MyOtherCar™ Club Select Membership has been created with the members of the Corvette Marque Club of Seattle in mind.

By Jari Kristensen, President of MyOtherCar™ Club

MyOtherCar™ Select Sponsor Program is designed for individuals who would like to see a particular car, such as a the new Corvette C6-Z06, in the MyOtherCar™ Garage. As participants, you, together with up to three other Corvette connoisseurs, will enjoy your Z06 as drivers. But in addition, you will also benefit in the form of profit sharing when the car is driven by other members of the MyOtherCar™ club.

Participation in the Select Sponsor Program is for a period of two years. You and each of the other co-sponsors make a contribution towards the purchase of the car based on a chosen percentage of the vehicle's value, up to a combined total of sixty percent. MyOtherCar™ Club covers the remaining share of the car's value.

Participants in the Select Sponsor Program automatically become MyOtherCar™ Club members with access to the MyOtherCar™ Garage and receive an allotment of refundable miles they may use based on their contribution level. Participants share in the mileage profits when their selected car is driven by other members. To sign up for the MyOtherCar™ Select Sponsor Program, call 425-770-2832 or send an email to info@MyOtherCar.com. See you at www.MyOtherCar.com.

What if instead of parking this 505 horsepower rocket for most of the year in the garage, you could share it with some of your best friends, forget about maintenance, and pay something more along the lines of sales tax instead of the full \$75,000 price tag? Now if you and your friends could stand to gain from other folks driving this Z06 while you have a good time with another car, that would be quite a blast, right?

We thought so, too.

Join MyOtherCar™ Club by participating in the Select Sponsor Program.

Wet Weekend 2007 - Event Report

For 2007 CMCS returns to one of its favorite watering holes for one of its longest running annual events; Wet Weekend #42 at Ocean Shores WA.

Over 50 members attended, most on a caravan from Renton on Friday February 23rd. We made a lunch stop at Duffy's in Aberdeen.

Renton Caravan Group

From there we made a “back roads” tour along the shoreline and other scenic roads courtesy of our leader Gary Main, arriving in Ocean Shores in mid afternoon.

Our base of operations was again the Polynesian Inn; a facility that we have used for Wet Weekend on several previous occasions.

Friday evening we enjoyed a potato dinner, with all the trimmings.

The game room was the base of operations for the feast, Board Meeting and games of 31 lasting well into the night.

Wet Weekend Event Report (continued)

Saturday morning this event lived up to its name big time! It was pouring down rain and windy in the teens. You could see whitecaps in the parking lot, and not from the nearby Pacific Ocean. Mike and Jane Armstrong arranged a nice road tour. About 10 cars

braved the elements to participate in the tour.

The remaining mostly vegetated, occasionally peeking out the window to see if there was any weather change. First stop was the Interpretive Center about 15 minutes from the hotel.

After a narrated tour the group continued to the Quinalt Lodge for lunch.

The Saturday banquet was again at Mariah's, a restaurant adjacent to the Polynesian.

The Ronald McDonald House Tour *by Ben Benninghoff*

On Wednesday the 21st of February, CMCS President Gary Main and Kayla, and Charity Chairperson Ben Benninghoff met with Executive Director Dianna Finnerty at the Ronald McDonald House Charities of Western Washington and Alaska, in Seattle Washington.

While there Dianna took us on a tour of the facilities and met with several of her assistants, all volunteers dedicating their time supporting the House and the facilities it provides of temporary housing for severely ill children and their families. It was a truly impressive place to see and one could feel the sense of importance this place represented to those unable to ever hope to meet medical costs and hotel like sleep over rooms for the immediate families of the children.

We discussed how our club could become a part of this worthwhile cause and found several possibilities the House would welcome eagerly from a car club of our size. We will have more information for everyone in the near future as how we can come together as a club to organize events and collect donations, food drive and such to support the House. Anyone having a desire to jump on in with this project just let me know.

This could be the start of a beautiful thing between CMCS and the Ronald McDonald House.

Corvettes de Olympia All City Rally XXVII

April 22nd
Theme - Corvette Summer
\$15 per Car

75-mile gimmick type Road Rally. Open event. Cars with driver & navigator follow a confusing route around country roads and try to find the answers to obscure questions about things you see along the way (sort of a motorized scavenger hunt). The teams that get the most correct answers win trophies. The finish is at a food and drink establishment where everyone “rallies”.

- All paved roads.
- Not a speed event.
- Dash plaques for all cars. Raffle and door prizes at the finish.
- Proof of insurance required
- Brief tech inspection (lights, signals, etc.) at start.
- First rally car out at 9:00 am, last car must start before noon.

Useful things to bring: Clipboard or similar and paper to write on, pencils with erasers. Map of Olympia area may be useful, binoculars can help spot obscure clues and gimmicks, sense of humor is mandatory.

Open to ALL street-legal vehicles. Current registration and proof of insurance required at the start! Sponsored by **Corvettes de Olympia**, co-sanctioned by Northwest Region, Sports Car Club of America.

Start - New start location this year:

Corvette & High Performance
2840 Black Lake Blvd. SW, Olympia, WA 98512
(their phone (360) 754-7890)

Directions:

- From I-5 in Olympia take exit #104 onto US 101
- Exit at Black Lake Blvd. (food, gas & rest rooms at this exit)
- Turn south on Black Lake Blvd for about 2 miles
- Corvette & High Performance is in an industrial park on your left.

The Rally is a fun way to get out on the back roads and start the South Sound motorsports “season” with other cool car enthusiasts. There are dash plaques for every car, and dual trophies (driver and navigator) for the top five teams. Lots of door prizes (one ticket with your entry and you may buy more).

Your entire entry fee goes to the **Corvettes de Olympia Scholarship Fund** for students in the automotive curriculum at South Puget Sound Community College. Each year CdeO awards \$1500 in scholarships. The college matches the amount!

Watch www.corvettesdeolympia.org for updates, or contact Rally Master Meagan Renick (360) 459-0771 notdads@hotmail.com.

CMCS General Membership Meeting Minutes

February 3, 2007

by Mona Cox - Secretary

After eating a tasty buffet breakfast at the Old Country Buffet in Totem Lake, President Gary Main called the general meeting to order at 9:35 a.m.

Board Members present were Gary Main, Bill Cameron, Mona Cox, David Ormerod, Kevin Jewell and Al Dager. Absent was Rick Milsow.

Secretary's Report: The minutes were accepted as published.

Treasurer's Report: Treasurer David Ormerod reported that the membership dues are coming in, as well as some sponsor money.

Membership: Seven people came to join the club today. They are Roger Smith (his dad Len joined last month) from Ballard with his 1976 white coupe, John and Vicky Kingston from Seattle with their 1998 torch red roadster, Steven and Sheila Ness from Redmond with their 2007 silver roadster, and Doug and Debra Granberg from Lake Stevens with their 1999 pewter roadster. With these people voted in unanimously, Marty Cameron reported that membership is now at 318. Marty also reminded us to send in our renewal paperwork along with the associated payment.

Activities: Al Dager noted that Gary Main will be leading a caravan to Auburn after the meeting, for those who want to go to Corvettes of Auburn for an open house hosted by Tacoma Corvette Club. Gary had those who planned to go to Auburn raise their hands so he'd get an idea of the caravan length.

February 10 and 11 are the dates of the High Performance Swap Meet in Puyallup.

Wet Weekend will be February 23 through 25 at the Polynesian at Ocean Shores. The block of hotel rooms has been released, but rooms are still available at our special rate. Sign up now! Contact Kayla Main or Marty Cameron if you have questions.

The Officer Installation and general membership meeting is on March 10 at the College Club in downtown Seattle. The registration information is in the newsletter. Please register by March 4.

Read the newsletter to see additional activities.

Newsletter: Newsletter Editor Oran Petersen noted that there's a downloads section in the new CMCS website. You can now print registration forms from the website, rather than tearing pages out of your newsletter or having to make copies of the pertinent page of the newsletter when registering for various events.

Lick 'n Stick (the newsletter assembly party) will be February 27.

Adopt-A-Highway: Dave Woodcook reported that our section of I-5 was cleaned on January 7. He's scheduled another clean up day for March 18.

Charity: Gary reported that \$1425 (profits from the August XXX car show in Issaquah) was presented to Evergreen Hospice on January 28. CMCS also presented Evergreen Hospice with a \$500 contribution in memory of CMCS member Dick D'Alessandro, who passed away in December 2006.

We're planning an event at/with Ronald McDonald House; details to follow.

National Corvette Restorers Society (NCRS): Jay Cockrum reminded us to check out the NCRS booth at the Swap Meet. He also mentioned that the Mill Creek Car Show is July 7.

National Corvette Museum (NCM): On behalf of Wes Holmes, Gary noted that there will be a 2009 Corvette Caravan to the Museum to celebrate the Museum's 15th anniversary. The celebration dates are September 3 through 5. For more information, check <http://corvettecaravan.com>.

Parades: Jim McDonnell said that the club has been invited to be in the Skagit Valley Tulip Festival parade on April 14. We won't be carrying dignitaries, so all cars are welcome. We can have 10-14 cars; contact Jim if you're interested.

Northwest Association of Corvette Clubs (NWACC): Tim Cox asked us to consider attending other clubs' events.

Old Business: Gary noted (again!) that the new CMCS website needs car photos; currently, there are only 11 CMCS cars pictured. You can add your pictures yourself.

New Business: Vice President Bill Cameron took the floor and noted that the club is tasked with nominating one person for each board election. The club presented the following:

- President: Kevin Jewell
- Vice President: Wayne Kanaby
- Secretary: Cheryal Heppner
- Treasurer: David Ormerod
- Two-year: Chris vonRavensberg

One-year: Al Dager will move into this from the Two-year position.

Past President: Gary Main will move into this position.

Bill then went through each position, asking for additional nominations from the attending membership (floor). None were made except that Mona Cox was also nominated for Secretary. She declined to accept the nomination.

Jan Cockrum asked that the candidates stand, introduce themselves and explain why they're qualified for the positions for which they had been nominated. It was done.

The 50/50 pot was \$136. Jean Fiorentino won \$68; the other \$68 went into our scholarship fund for the Shoreline Community College automotive program. The meeting was adjourned at 10:19 a.m. The caravan to Auburn was to leave the parking lot 20 minutes later.

The next meeting is Saturday, March 10 at the College Club in Seattle. Again, please RSVP by March 4. Cocktails are at 6:00 p.m., dinner at 7:00 p.m., and the meeting to follow. During the meeting, the new board will be installed.

Respectfully submitted by Mona Cox, Secretary
