On the Cover - Dave & Rachelle Woodcook's 2000 Magnetic Red Convertible

Five years ago, after driving my friend's 1996 coupe, Rachelle, my wonderful wife of fifteen years proclaimed she wanted a Corvette. I didn't think she was serious so I said "ok whatever you want dear". Three days later, she sat me down for a family meeting where she said she found a car and wanted approval to buy it. I told her that I was ok with the purchase but I had wanted

a Corvette since before she was born, so if there was to be one in our garage, it would be 'our' car. Of course, she agreed, and the next day she sent off a cashier's check for a red on red 1996 automatic coupe which she had shipped to our house from a dealership in Connecticut.

In the following years, we referred to it as 'our Corvette' but as many of you know, it was, and always will be, her car. In reality, I just turned out to be the garage boy that changes her oil and keeps her Corvette shiny and clean. Don't get me wrong, it has been a fun job with decent pay, good benefits, and I have no complaints but.....

Last fall, my sister told me that my twelve year old nephew had asked her, "Mom, how come Aunt Rachelle has two cool cars and Uncle David drives an old Explorer? He needs to get a cool sports car". Since purchasing the '96, I'd gotten grief from my friends about the wife letting me drive 'her car' when I'd show up with it at a gathering, but the comment from the nephew replayed in my head for weeks.

Last January, problem solved. After 40 years, I finally have a Corvette of my own and the 1996 is now officially, "Her Corvette". I purchased a 19K mile 2000 Magnetic Red six speed convertible from a dealer in Bellevue. The C5 will

be a semi-daily driver for me, sharing duties with the Explorer and the C4 will continue to be the garage queen that it always has been, sitting under the cover as a place holder for the days mail and this week's jackets.

Rachelle and I have been CMCS members since 2002 and have enjoyed the many events and nice people who share the same passion for Corvettes as we do. I look forward to attending CMCS events this summer like a big kid, with my own car, instead of mom's.

Adopt-A-Highway Cleanup
by Craig & Lorraine Crummer
(425) 333-6417
Craig@CorvetteMarqueClub.com

Our stretch of I-5 is calling for a clean-up

Sunday June 24th @ 9 am

After three or four years of service, David and Rachelle Woodcook asked to be relieved of duty and Lorraine and I thought it was something we could handle.

Dave has assured me that he will remain involved and spoke highly of the club faithful who we are also counting on to back up us newbies.

We'll meet at the usual place (the bus barn employee parking lot) just south of the North 175th Street exit on I-5. Bring rain gear (although statistics are in our favor). Bring gloves.

We'll go to brunch after the work is done at a place TBD.

Remember: anything you find, you can keep or horse trade at the end of the cleanup. We'll bring the hard hats, vests, baggies and safety sign.

***On your Marque ...
Get Set ...
Go!***

By Kevin Jewell - CMCS President

It takes a lot of work to keep a club such as ours working smoothly. I can't thank the board and other volunteers enough for all the work they do to make it seem easy. We are in constant need for new blood in the volunteer ranks. This month I want to highlight two couples.

Michael and Jane Armstrong have agreed to chair our Seattle in September 2008 event. That seems like a long time from now, but speaking from experience I can tell you it is not too early to start planning for this major club event. I know they will be needing other volunteers to take over individual assignments, so please be gracious with your time to help our club continue to provide the diverse activities we enjoy.

Craig and Lorraine Crummer have taken over the reins of our Adopt-A-Highway project. Thanks to Dave and Rachelle for their efforts the past few years and welcome to Craig and Lorraine. We only do our highway cleanup 3 to 4 times per year and it usually takes 2 hours at the very most. If you have never participated in this, give it a try. It is a great way to give something back to our community. It is amazing how many waves and horn toots we get from the passing motorists.

The past two years we have had a great turnout for our tour to Harvey Airfield and lunch on the outside deck at the Buzz Inn. The weather cooperated both years. Some of you might remember the marriage proposal one of the skydivers carried on his way back to earth. When you have an event that seems to work well and people enjoy, then it is an obvious event to repeat. We hope for the same this year as we have our general meeting in Snohomish on June 9. Then the following week on Flag Day, June 14, we have the opportunity to join another Corvette Club for Vette Rides for Veterans. More details of both are shown in the newsletter. Plan to do one or both and get that car out of the garage.

The summer months are upon us and the calendar is filling up. If you are looking for a fun day or weekend try the NW Historics Vintage Racing at Pacific Raceway at the end of June. There will be lots of Corvettes to cheer, many with solid historic racing backgrounds. See you on the road.

Vette Rides for Veterans #1 of 2 in 2007

by Gary Main

On Thursday afternoon, June 14th, 2006 we've been invited to join our friends in the Glass Odyssey Corvette Club on the Annual **Vette Rides for Veterans** event at the Veterans Home at Retsil near Port Orchard, WA. This is our chance to give back a little to these Veterans who gave so much when duty called.

Here's the plan: For folks who want to gather before the event, there is a car display at the Port Orchard A&W in the afternoon of June 14th. Then we will tour to the Veterans Home quadrangle, arriving at 5:30pm. We'll park the

cars so the Veterans can walk around and enjoy them for a bit then we'll give rides for all who want to go. There's a brief course laid out that provides about a 10-15 min. ride. The route can be varied longer or shorter to accommodate the desires of our honored passengers. Maps will be provided. The course features some time along the waterfront, some time on straight country roads and, of course, some curves. Last year some of the Veterans really got a charge out of blasting down the road and feeling real Corvette power. We'll drive responsibly, of course, but the whole point of this exercise is to provide a bit of enjoyment to these Veterans and maybe help them to relive, if only briefly, a bit of their youth. We were told that last year some of the residents were smiling for weeks afterward. So were some of the Corvette drivers. Everybody wins on this one!

We'll make it a fund raiser, too. Please bring any good clothes, books, videos, or Corvette related stuff you no longer need that they might enjoy or have use for. Gift cards and/or cash works, too! Let's outdo the Ferrari Club, the Harley-Davidson Club and the Porsche Club!

After everyone has had as many rides as they want, we'll head for a local restaurant for dinner. Local Info: Byron Faber, 360-638-1235 or byfaber@centurytel.net or, CMCS Info: Gary@CorvetteMarqueClub.com

Note: Event #2, a repeat of the above, is scheduled for September 8th.

Seattle in September 2008

by Michael & Jane Armstrong

This is CMCS's premier event. It is viewed as one of the best Corvette events in the region. (For the new folks; Seattle in September is a two-night Corvette fest held at a local hotel. It includes valve cover races, tours, show & shine, rally, a banquet and more. (Last year we had an autocross as well.) **We would like to receive your comments, thoughts or ideas on it just to**

get the thinking process started. We will call a meeting some time in the early part of June to get things rolling. If you have any ideas you'd like to talk about now, please call us at (206) 439-9823 or e-mail

14th Annual "Take Me Out To The Ball Game"
with the Everett Aquasox - Saturday August 4th
by Ben Benninghoff

This year "Marques" our club's 14th anniversary outing with the Everett Aquasox baseball team. This outing has been a club favorite over the years giving us another opportunity to show off our Corvettes inside the ballpark while getting 'free' reserved seating along the first base side.

This year we're again going to organize a food drive for the local food bank in Everett while conducting a car show for the fans; kind of a mini 'show-n-shine' where the people attending the game will cast their vote for their favorite car. And how are they going to do that? Glad you asked. Instead of ballots being passed out, the fans will place their non perishable food items in storage bins placed in front of each car. The winner will be the car receiving the most items and/or cash donations where a car will be placed as well so those wishing to make a cash/check donation to the food bank can do so. Somewhere around the 7th or 8th inning an announcement will be made and the trophy awarded to the winner. Talk about a win-win situation, it doesn't get any better than this. So now you have an extra incentive to join in on the fun this year and help others out in the process.

You can begin to arrive at the ballpark after 3 pm but before 5 pm due to traffic, both foot and vehicle traffic at the ballpark. Once parked inside the south fence, break out your picnic baskets on the lawn and eat to your heart's content. All food items must be packed up and put away prior to the gates opening at 6 pm. After that you are welcome to sit in the reserved bleachers along the first base side, mingle with other club members alongside the Corvettes, or go for a bread-bowl filled with hot steamy I var's clam chowder, hot dogs, pretzels, pizza, and ice-cold beer or other beverages of your choice.

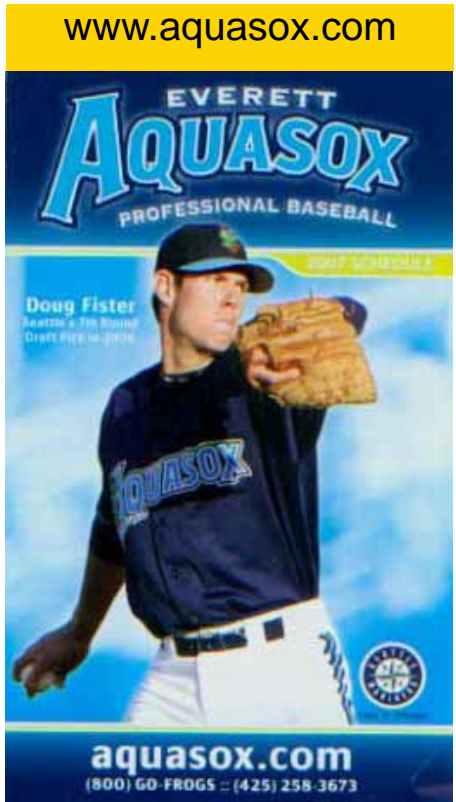

The Aquasox are celebrating their annual salute to the '60's with their "FrogStock" night, so bring your tie dye t-shirts and tight jeans and join in on the spirit. Those sporting the best period clothes from the 60s just might win something memorable.

Bring something warm to wear, it does get cool after the sun goes down, and a seat cushion for your you know what. After all, those are real wooden bench seats with real wooden splinters, and I don't care how good a friend you are, you'll be taking them home with ya! And bring some

food item donations with you.

The Membership Tachometer

by Marty Cameron for Michael Dail

The May 5th General Meeting was held at CLUB HOLLYWOOD in North Seattle. Movies & Stars billboards is the theme of this place. Everyone had fun looking for their favorites. There were no new members at this meeting.

Membership numbers: by Kevin Jewell

At the May general meeting several members expressed questions about the membership number decline. The decline happens every year at renewal time. All clubs have attrition in membership. Some members chose not to renew and many are just late in getting their renewals in, so for a short time we lose them on the membership roster. As those later renewals start coming in, and new members come on board, our membership numbers start climbing. The May, 2006, newsletter showed membership of 256. As of 5-15-07, our membership stands at **266**.

President Kevin Jewell asked once again for help with the Adopt- A-Highway program. There was more discussion on how to keep this program going and our contractual obligations to the State.

New Business:

Vice President Wayne Kanaby asked the members if anyone would like to host a board meeting at their home. If you are interested please e-mail him at CMCS.

Oran Petersen noted that CMCS business cards are printed. They will be available at CMCS meetings and events. Take some for handout to prospective members.

There was a question about membership cards brought up. It was explained that the club voted to discontinue membership cards at Wet Weekend 2006. There was also a question as to why the membership decreased. It was explained that every year it decreases in May because of non- renewals. It then increases during the year as members remember to pay their dues and we add new members.

Kevin Jewell announced that Michael and Jane Armstrong will be coordinating the SIS event for 2008. Kevin thanked them for taking on this large project!

The 50/50 pot was \$164. Michael Armstrong won \$82 dollars. The remaining \$82 went into our scholarship fund for the Shoreline Community College automotive program.

Our next general meeting will be held at Buzz Inn at Harvey Field. There will be a tour from Redmond to Harvey Field followed by lunch and the general membership meeting.

The May board meeting will be at Kevin and Judy Jewell's home in Woodinville. Dinner will be served at 6 pm.

The meeting was adjourned at 11:03 am

Respectfully submitted by Cheryal Heppner, Secretary

Laps From the Past or "Marque in Time" A CMCS history feature by Ben Benninghoff

40 LAPS AGO: JUNE '67. President Maureen Morse gets the evening started at the Sheraton Motor Inn in Seattle and introduced the special guests; Mr. & Mrs. Glenn Walden, and, Mr. & Mrs. Jay Kertes from the Jaguar Owners Club Northwest, who were present to formally invite CMCS to join them for a one day trip to Spirit Lake. Lots of scheduled activities throughout the region. Jerry Patten is appointed as the Pacific Raceways Chairperson for the Corvette Cove. Two new clubs join with WWSCC; Seattle Corvette Owners Association, and the newly organized Camaro Club.

Dick & Deanne Ramsey, Chris & Kathi Clark, and Jack & JoAnn Winchester are all voted into membership. New club patches are approved and replace the ones being used. Seven Honorary Members are voted upon and passes. A need for name tags to identify members was broached, Forrest Bouldry and Ed Baker team up to investigate the merits, the costs per tag at .25 cents seems reasonable and will be available at the next club meeting. The Board notes there seems to be no age restriction for club members. Wally Arrowsmith will look into the legalities and all that entails.

30 LAPS AGO: JUNE '77. President Len Hodges presides over the monthly meeting at Lee Johnson Chevrolet in Kirkland. Club expenses note a charge of \$43.27 for the printing of 927 membership cards, or, .50 cents@. Denny Anderson and Jeff Schmidt are voted into membership bringing the total to 121. Jeff Schmidt volunteers to be the club's photographer and historian. Examination of the club's Constitution has the Board concluding that in order for a prospective member be worthy of becoming a member in good standing the following hoops need negotiating; "A prospective member must attend three (3) functions: 1) General Membership meeting 2) Board meeting or an activity 3) activity or Board meeting; voted in at the next General Membership Meeting." WWSCC is working on an Autocross Championship event with CMCS & Acme Hardware in September, HRA will assist with setting up the course and profits will be split 50-50. It was approved to hold one race at SIR since we have a track-date already slotted, and hold the other one at Kent-Boeing, one with open exhaust the other with closed exhaust. Speaking of exhaust, the membership moves to close the meeting and head for Sneaky's Pizza for a tune up.

20 LAPS AGO: JUNE '87. The VP Diane Anderson keeps it short n sweet at the Meat Market Restaurant in Lynnwood. NCRS at Lake Sammamish and

Bend Oregon, while CMCS action is in Yakima for the Valley Vettes “Vette-A-Bration”, and in Fife for the NWACC Event #2 by Tacoma Corvettes, in Enumclaw for the All GM Picnic, and the favorite 50s tour. John Paul Nelson III is nominated for Chairperson for the NW chapter of NCRS. There are 101 club members, but we are -1 for Membership Chairperson. Club is short a newspaper editor as well; Glenn Cunningham and Cece Nelson are thinking about the position. Newsletter printed in blue print as if printed on a hand cranked roller mimeograph machine.

10 LAPS AGO: JUNE '97. Bob & Karen Barnott’s 1993 Black Rose Metallic Coupe is on the cover of the monthly newsletter. Prez. Ben passes the grape and bread around in the upper room at Seaview Chevrolet in Lynnwood to get the meeting started. Kayla Main, Membership Chair, requires oxygen after introducing 14 prospective members for consideration to join, ready?... Dan & Andrea Bonnet, Steve & Jackie Brown, Walter & Diane Hein, Ruth & Larry Kelly, Jerilee Noffsinger, Bob & Cyndi Robinson, Larry St. Laurent, and, Rick & Nancy Quimby, all accepted and bringing the membership to an all time high of 151! Gary Main notes the Marysville Strawberry Parade is in need of lots of Corvettes. NCRS is holding its Father’s Day Picnic at Lake Sammamish again, WCCC Swap Meet at the Puyallup. CMCS ponies up \$100 for the annual dues to WCCC and Gary is looking for a volunteer to take over as the rep.
