This Month's Cover Photo...

...is Gary & Kayla Main's Sunfire Yellow '67 Coupe. Hmm...? It has a really strong resemblance to a White '66 Roadster, doesn't it. Stay with me on this. I'll all make more sense shortly. Here's the deal:

This was my brother's first Corvette back in the 70's.

Options include: L79 engine, 4 speed transmission, Delcotronic Full-Transistor ignition, off-road side-mounted exhaust, white soft top, removable hard top and head-rest seats. It also has a dealer-installed traffic hazard lamp switch and deck lid luggage carrier. When my brother sold it sometime in the early 80's (same reason we all sell our first one...young family, house payments, etc.) it was with the proviso that he be given an opportunity to buy it back should the lady ever decide to sell. She drove it from his Iowa home to her home in Texas and then only occasionally after that. It apparently spent a number of years in storage, never seeing the light of day. At some point, she moved to Arizona, shipping the car instead of driving it. She kept her promise, though, and in early 2006, contacted my brother saying that she was retiring, selling the ranch and moving to smaller quarters far from AZ and it was time for the '66 to find a new home. Did he still want it back? YES! Absolutely, he wanted it back, but now he had another problem. His garage was full of collector cars and no place to put this one. He'd also fairly recently acquired an NCRS Top Flight '66 roadster, nearly identical to this one except for color, thinking that he'd probably never see his first one again. Still, he wanted it back. What to do?

He called me. Did I want his old car? No, I didn't. What I wanted was a **Sunfire Yellow '67 Coupe** to go with the Sunfire Yellow '67 roadster we've had for 30+ years. We made a deal. I'd buy the White '66 and sit on it for a couple years or so. He'd try to find that **Sunfire Yellow '67 Coupe** that I want. If/when he did, we'd trade cars. In the meantime, I'd keep entertained by doing a bit of restoration on the '66. Could be a win for both of us.

I had not seen the car since I left Iowa in '79. We enlisted the aid of a couple CMCS escapees living in AZ (THANKS, Dick & Paul) to go look at the car and confirm that it was indeed the same car I remembered. It was. Based on their description and on the owner's

statements, Kayla and I bought 1-way tickets and flew to Phoenix on June 30th, 2006. It was 108°F when we landed at noon.

We were met by the owner who drove us the 40 miles to Casa Grande to pick up the car. A quick road test and visual inspection convinced me we had made the right decision. By 4 pm she had the \$\$, we had the car, and we were hot footin' it...and I do mean HOT footin'...out of town and headed for ANYWHERE north where it might be a bit cooler. We had high

hopes that eventually we'd make it to Seattle. Here we were, embarking on a 1,850 mile journey, in 100° plus heat, on unfamiliar roads, in a 40 year old car that hadn't been out of its own shadow for at least 25 years. Absolute lunacy! What were we thinking? What followed was unquestionably the most miserable road trip we have ever had the misfortune to have endured. Under these trying circumstances, the '66 Corvette did just fine. It was the pilot and co-pilot who damn near croaked! The trip would make an entertaining story but much too long for these pages. It can be summed up in just two words. NEVER AGAIN!

We made it home on July 3rd. The '66 recovered from the trip much quicker than the aforementioned pilots. We took it to the Seaview Show a few weeks later and then my brother came out from Iowa and drove it to the '06 XXX Show. Now he's on a mission to find us that **Sunfire Yellow '67 Coupe** so this story can go full circle. Stay tuned...

Corvettes at Lake Tahoe Trip Planned by Gene Kinnunen

Craig Turi and I are going to attend the Corvettes at Lake Tahoe event June 19 through 22. If you are interested in joining us for this event please contact me for specifics.

We plan to leave Wednesday morning, June 18th and stay overnight somewhere around Medford, Oregon, arriving in Lake Tahoe on Thursday afternoon.

***On Your Marque ...
Get Set ...
Go!***

By Kevin Jewell - CMCS President

OK, we are off and running on a new club fiscal year with a new board in place. We had a lot of activities last year, and I am hopeful that we can do an even better job this year. After all, didn't you join the club for activities? Now, get out and exercise your right to participate in those activities.

April marks the traditional start of our driving season. We have the LaConner parade on the 12th, the Corvettes de Olympia Rally on the 20th and the Tulip Rallye on the 26th. Details for all are shown in the newsletter and the Web site. The club traditionally has a sizeable contingent at the Tulip Rallye and each club that has a minimum of 3 entries has a trophy awarded to the club participant that does the best on the rallye. Bob Bunn and Bob Spurr have each won; perhaps this is a Bob thing. The Olympia rally is a bit more of a technical challenge for those that enjoy a challenge. If you haven't done the LaConner parade, you might consider adding it to your schedule just for the opportunity to tour the PACCAR test center up that way, that opens only to the public one day per year. It alone is worth the trip.

Some years ago, we did more Saturday dinner meetings. The challenge for dinner meetings is that dinner is always more expensive than breakfast or lunch. Our April 12 club general meeting will return to the dinner format. If you like the idea of dinner meetings vote with your feet and show up. If enough people attend, it will encourage our activity chair to plan more dinner meetings during the coming year. See you on the road.

We Have Hats

Thanks to a generous donation by **SanMar Corporation**, solicited by **Lois Kanaby**, we have 288 beige baseball caps in club storage. These were donated for non-profit use, so they cannot be sold. The intent is to use the hats as mementos of our activities. Perhaps, some children's hats when we visit Ronald McDonald House, or caps to the veterans on our next veteran ride tour. If you are planning an activity in which you could use some hats, just contact Kevin Jewell. Be creative, the hats are an asset we should use.

Parades & More
by Jim McDonnell
(425) 885-2445
Jim@CorvetteMarqueClub.com

The parade season begins anew!

We are into Spring with the first parade at

La Conner on April 12th. This is a parade for all Corvettes.

We do not carry celebrities, dignitaries or locals. Hardtops are as welcome as coupes and convertibles.

If you would like breakfast meet at Mitzel's American Kitchen at 8 am. We join with members of the Tacoma Corvette Club.

The restaurant is west of I-5 exit 186. The address is 303 128th SW, Everett, WA 98204.

Those that don't want breakfast can join us at 9 am near Mitzel's. A lot just north of the restaurant is our start point. We depart about 9:15 am.

We then drive to the Farmhouse Restaurant near La Conner to join the Majestic Glass Corvette Club. Then off to PACCAR's open house just a few miles away.

At 12:30 pm we get in line for the parade. You have time to spruce up your car, so bring appropriate cleaners.

After the 2:00 parade through downtown La Conner, you may visit the surrounding Tulip fields or shop in La Conner.

Last year's weather was beautiful. See the CMCS Web site for photos of last year's parade.

Please let me know if you plan to attend so that I have a count. I would hate to leave anyone behind.

Parades are a great venue for Corvettes. I have been contacted by Redmond, Seattle and Issaquah for their parades. Come join us. Great opportunity for meetin-n-greetin!

Installation Banquet - Event Report

About 50 CMCS members enjoyed the Club's annual installation banquet at the Best Western River's Edge Inn in Tukwila. This is the venue for SIS 2008 in September, so we got an advance look at the facility.

The outgoing officers and committee chairs all received a red travel bag with an embroidered CMCS shield.

Thank You to the outgoing and **Welcome** to the incoming.

See the Contact Sheet on page 2 to match names and faces.

Wet Weekend - Event Report *by Wayne Kanaby*

Tales of a Wet (less) Weekend
McMenamins Edgefield Hotel, Troutdale, OR
February 22, 23, 24, 2008

Our Wet Weekend tour started Friday, at Totem Lake, and then proceeded to Southcenter to pick up the group from the south end. The morning was a little cloudy but sunshine seemed imminent. We did some “sightseeing” through Parkland...if you’ve ever been to Parkland you know what I mean! We enjoyed a nice lunch at Arnold’s Country Inn in Yelm. The owner had a section of the parking lot all roped off for us when we arrived. And when we left, he stood in the middle of Hwy 507 and stopped traffic so we could all exit together. We hope he lived through that! Then off to some back roads, on to I-5 and off to some back roads again. The only mishap of the weekend happened in Castle Rock. Seems that some kids came out of their “Castle” and threw rocks over the bridge, with one hitting Mike and Jamie Dail’s C6 right in the windshield. Luckily no one was injured, but Jamie is still seeing spider webs from looking through it all weekend. We stopped in Kelso for a much-needed rest stop and as we were getting out of our cars, it started to rain. This was the “wet” part of Wet Weekend. The minute we finished our pop, coffee, or ice cream, the rain stopped and it was clear all the way to Portland. With the Portland Airport on our right and the Columbia River on our left, we had a nice ride up Marine Drive, the home of the most house boats on the West Coast. We all arrived safely at McMenamins at 4:00 PM. It was sunny.

Shortly thereafter, we unpacked, then went to Kanaby’s room (The size of a basketball court) for the social hour with cheeses, crackers, pop, wine, beer, and all sorts of good things. Then we went to dinner. Some ate at the Power House Pub, and others at the Black Rabbit restaurant. Then we had the board meeting in

Montgomery's room. Ballots were counted in Jewell's room. Then desserts were served in the alcove. Then 31 games broke out like fights in a hockey game!

Saturday started with breakfast in the Black Rabbit, followed by 2 activities. Lois Kanaby and Lorraine Crummer went to Portland, to visit the Fabric Depot...the largest fabric shop in the West. The rest of us took a sightseeing trip up the Columbia basin, led by Kevin and Judy Jewell. It was sunny.

We left the hotel and almost immediately avoided I-84, as we traveled East. We first traveled on Historic Columbia River Highway (the old highway) and then connected to Crown Point Highway. Our first stop was the Crown Point Observatory overlooking the Columbia basin, where a wedding was taking place. We re-joined the old highway and continued to Multnomah Falls where we stopped for 20 minutes for a rest stop and to view the falls or have a coffee. It was sunny.

After that we joined I-84 for a few miles until Hood River. Shortly after Hood River we again left the main highway to travel on old highway 30 thru the twists and turns to "The Dalles" where we had lunch at Cousin's Café. After lunch we crossed the Columbia and traveled West along the Columbia on Washington Highway 14 to Stevenson. At Stevenson we crossed the river again at the Bridge of the Gods to I-84 and traveled back to the hotel. I might add for those looking forward to \$5-10 fees for the SR 520 bridge, the toll on Bridge of the Gods was \$1/car. It was still sunny!

Once back at the Hotel, everyone "freshened up" for the Academy Awards banquet. The "attic" ballroom was creatively decorated with large movie posters, movie props, an old projector, film strips, etc...and a "green" carpet entrance (Couldn't get red...sold out from Valentine's day).

The "Stars" arrived in their finest attire! A sight to behold! The bar was open, and the party commenced.

A giant buffet (not Jimmy Buffet) was set-up to include steak, salmon, vegetables, other side dishes, and of course...very good desserts!

After dinner, the award presentations took place. There were many categories, and some interesting "prizes".

Kevin presented the "tough luck" award for the windshield mishap to the Dail's. They were hoping for some cash instead of the block of wood they received.

As does a hockey game break out when a fight starts in Detroit, so did the cards of "31" when the event was over!

Sunday morning, we had breakfast, and people left in groups, or by themselves to wander back North to reality.

For those who attended, it was a terrific time. One of the best Wet Weekends ever! For those who couldn't make it...there's always next year!

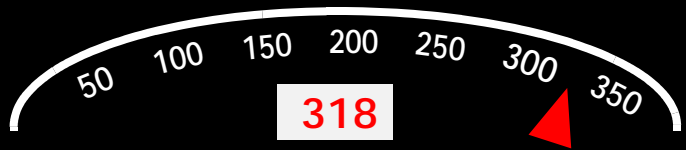

Many thanks to the Montgomery's, who organized the great, scenic route to the event, the Jewells for leading the Saturday country drive, and especially to Lois Kanaby, who did a phenomenal job organizing the event, going through great lengths to make the weekend worry-free, and providing a really great time for all!

The pictures on the CMCS website tell only "part" of the story...you really had to be there! Wayne (Who let Lois do all the work) Kanaby

The Membership Tachometer

Kayla Main

Our CMCS Year End Awards banquet was held at the Best Western River's Edge. They did a great job providing us with a tasty meal to satisfy our palates and the selection of desserts was fantastic. As usual the announcement and changing of the guard took place at this event. I was filling in for Mike Dail while he was in upstate New York, but will continue on as the new membership chairperson. At the time of the meeting, I reported we had 199 renewals making our renewal rate 63%. Now is the time to send in those forms with your check so that you won't miss a newsletter or a fun activity. Also as a friendly reminder to those of you who still like to collect the membership cards, you must let me know if you want one. This brings our total membership to **318**.

New Members

Welcome

Our membership continues to grow, as **Ken & Joyce Jones** returned to the club after a long hiatus. Ken was a charter member of CMCS from the early days of the club. He still owns the '59 Vette that he drove back then as well as a '67 Vette. Neither have seen the light of day for a long time. Maybe now they will. Ken and Joyce decided that since the nest is finally empty, it's time to order a new Corvette and get involved with the club again. We couldn't agree more. Welcome back, Ken & Joyce!

Membership Renewals - Are You Current?

March 31st is the end of the CMCS membership year. Over half of our members have renewed for 2008/2009 using the pre-printed forms sent to them earlier.

If you are included in the "other half" you are now in the 30 day April "grace period" and it is time for you to "git-er-done". This is the last newsletter you will receive until your renewal. Don't miss out!

If you lost your pre-printed form contact Kayla@corvettemarqueclub.com to have a replacement sent to you by e-mail or snail mail.

Corvette Marque Club Seattle in September V

We are back in touch. And we hope that you will be too. Our fifth
Seattle in September

is

September 12-14, 2008.

We think this will be our best SIS ever. We know if you join us again it will be.

What's New?

The Location: The Best Western River's Edge in Tukwila, Washington is the event hotel this year. It is south of Seattle near the intersection of Interstate 405 and Interstate 5. Interstate 90 is a few miles north. This newly remodeled hotel has new pillowtop beds, plasma televisions, mini fridges and other room amenities. It offers a free breakfast and much more. The event room rate is \$92 per night plus tax. (This is \$28 lower than our 2006 hotel rate.)

Call (425) 226-1812 or (800) 544-9863 to book your reservation now. Mention CMCS or the Corvette Club to get the event rate. Check out the hotel at www.bestwestern.com/southcenter.

The Dinner Cruise is Back: Not only is it back, but it is a three-hour cruise departing from Elliott Bay on the Royal Argosy – Argosy's premier ship. The buffet dinner is prepared by Argosy's own chef. The food and menu planning are done to the standards of CRI Inc, who own and manage several of Seattle's finest restaurants, including the Metropolitan Grill and Elliott's Seafood Restaurant. The menu includes salmon, prime rib, chicken and all the extras, including vegetarian dishes. They are also serving hors d'oeuvres as we board. Have a look at Argosy's site at www.royalargosy.com.

Also, you can leave the driving to us for the evening. We have bus transportation between the hotel and the ship.

Lance Buller and Stephanie Porter: Lance, Stephanie and the band will wow you with their musical talents during our cruise. They are well recognized and accomplished artists based in the Seattle area. Lance has played with Bob Marley & Little Anthony. He was associated with the Beach Boys for 24 years. In addition to his trumpet skills, when he and Stephanie combine their voices and magic, it is something you will long remember. Check them out at www.lancebuller.com.

Southcenter Area Show 'n Shine: We have been fortunate to secure a great and high-visibility location near the hotel and near the state's largest shopping center. Albert Lee Appliances in Tukwila is the venue for our Saturday morning show, which is a Tukwila Centennial event. Judging is People's Choice.

What Has Not Changed?

Friday Night Reception and Valve Cover Races: Enjoy a CMCS hosted barbecue at the hotel to meet and greet old and new friends. Afterwards are the famous valve cover races. For rules and information about the valve cover races, go to our Web site www.corvettemarqueclub.com and look in the downloads section for the document "[Lets Go Valve Cover Racin' – Rules and More](#)". As you'll recall, the participants and the spectators all enjoy this competitive event.

Great Drives: The event includes two driving events: The **Sleepless in Seattle Tour** on Friday night, after the valve cover races and a Saturday afternoon tour, after the Show 'n Shine. We'll have you back in time for you to get ready for the Saturday cruise, banquet and entertainment.

Sunday Raffles and Awards: We promise to have you on your way by 11 am, after the awards presentation and after the drawings for the many raffle prizes.

The Price: The price, at \$95 per person, has not increased for this event since 2004. By lowering your total cost for two nights at the hotel and for the event by almost \$60, you'll have extra left over for fuel. This weekend extravaganza is exceptional. It is made all the more so by the great folks who come to Corvette events.

A Marque Club Welcome: Our club loves to host this event and to share our town with you. We can do that only if you come.

You will find the [SIS Registration Form](#) at www.CorvetteMarqueClub.com in the **Downloads>CMCS Files** area. This form can be filled out on your computer and printed with newer Acrobat versions, adding convenience & accuracy. This area also has an [SIS Flyer](#) for you to post or hand out to interested Corvette owners.

If you have any questions, contact us at SIS2008@corvettemarqueclub.com.

See you in Seattle in September!

SIS 2008 Status Report *by Michael & Jane Armstrong*

We have moved from the planning stage into the executing stage. We have people heading each event and support activity. In the next few months, we will be heavy into event promotion and event fundraising.

Steve Eriksen is heading up sponsorship activities. **Jan Harris** is leading our quest for donations for the raffle. **Tim & Mona Cox** is focusing attention on member-generated baskets for the raffle. **Marty Cameron** is in charge of the goody bags and what will go in them. Our leaders in these areas would appreciate any help you can give. These important areas are part of how we avoid cost increases for the event.

If you are going to an event where you are likely to see other Corvette owners, please take along your ON YOUR MARQUE newsletter to share the good news and registration form. Remember there is a copy of the information and the registration form in both the March and April OYM. If you need more forms, let us know. You can also print the forms from the www.corvettemarqueclub.com website.

Turnout is the final piece to have the BEST SIS ever. If you haven't sent in your registration, please do so now. Make sure it is on your calendar and that you are on ours!

Our next meeting is **Monday, May 5th** at Round Table Pizza in Redmond/Overlake. Dinner is any time after 6 pm. The meeting starts at 7 pm.

"Tour" Radios Available Through CMCS

The "business" UHF radios that the Club uses to coordinate tours are available for purchase from CMCS. This is a Club courtesy/benefit to make it easier for you to join in the communications during the Club caravans and tours.

They are passed directly to you at CMCS cost, which is a significant discount from retail. The "standard model" we stock is the **Motorola XU2600**, a two-watt 6-channel unit that retails for \$350. Club cost is **\$195**. Other models are available by special order.

We will also assist you to get them set up for CMCS operations, if you wish, by programming:

Frequency **467.9000 Mhz** * Interference Frequency **179.9 Hz**.

These are UHF frequency radios. "Family" VHF radios will not work.

You may purchase at CMCS General Meetings or by contacting the CMCS Vice-President.

NOTE: These are commercial/professional quality units, not toys.

Laps From the Past or "Marque in Time"

A CMCS history feature by Ben Benninghoff

40 Years Ago: April 1968: President Bruce Kelly gets the monthly membership meeting called to order after dinner in the Phoenix Room at the Hyatt House in Seattle. Activities discussed centering around the practice session at PRI to all ready for the Championship Autocross at Cheney Stadium next month. Wally Arrowsmith retracts his resignation as VP. Forest Bouldry was appointed editor of our newsletter. Discussions involved supporting WSCC, and, entry forms would be added to the newsletter for their upcoming

Convention. Autocross insurance is required according to the City of Tacoma for these types of events. Joe Bridgeman reported that 'he' volunteered CMCS to judge the Concourse at the WWSCC Sports Car Spectacular. Sponsor Alan Green returns the funds they donated to WWSCC for their annual banquet to CMCS which will be added to the club's general funds. Roger Orth presents a slide show of his recent European tour after the meeting closed.

30 Years Ago: April 1978: President Len Hodges gets the meeting called to order after diner at the Landmark Inn in Lynnwood. Membership introduces new prospectives to vote into full membership; Frank & Barbara Leigh, Diana Lynn Malara, and, George & Barbara O'Connell, bringing the total to 111. WWSCC and NWACC post their autocross schedules for the summer, and CMCS conducts a Progressive Dinner Tour starting at Steve & Carrie Forbes for hors D'oeuvres in Bothell, then touring to Dave & Sandy Richards in Bothell for the Salad Course, then off to Don & Mimi Schwab's in Bellevue for the main course, and finally to Ernie & Marlene Zellmer's home on Mercer Island for Dessert (*life is good!* - Ben) Looking into the Corvette's 25th anniversary party and events. The ferry system will not allow us to put more than 2 cars on the ferry for a party. Ordered T-shirts are 3 weeks out from delivery. SCCA notes no Trans Am at SIR this year, but the National regional will be at SIR and Westwood. Rick Stark talked about different racing events club membership participates in. A file from Goodrich was shown, and, Mary Elmslie won the raffle. February General Membership and March Board Officers minutes are published in the April newsletter; a first ever. Daffodil Parade, and a Sports Car Spectacular in Kent highlight the activities. All the Board positions and those currently holding them explain their duties to the club membership in an article in the newsletter.

20 Years Ago: April 1988: President Val Johansen presides at the monthly meeting at the home of the Nelsons. Ed Moore submits the club's tax exempt certificate to the IRS. The club has been closing its Fiscal Year at the end of February, but for the last 10 years or so we've been closing the books at the end of March. Ed's accountant recommends that the club changes the By-Laws for

consistency. NWACC insurance coverage for 'speed' events this year is \$5 per family. Kudos to Glenn Cunningham's first attempt at the published newsletter. The State of Washington is looking for 1959-1968 Corvettes to caravan to commemorate the 25th anniversary of the Evergreen Point Floating Bridge in August. The Garfield Volunteer Ambulance Corps. is raffling of a 1988 Corvette at \$50 a ticket. A picnic at Marymoor Park rounds out the monthly activities. No membership report other than recognizing 5 prospectives joining us for the meeting.

10 Years Ago: April 1998: Rick Stark's 1982 #17 C4 Corvette race car is featured on the newsletter cover. President Ben Benninghoff calls the monthly meeting together held in the 'upper room' of Seaview Chevrolet in Lynnwood. Five new members are voted into full membership; Roger Smith (who voted against himself), Gary & Linda Worley, and, Rich & Linda Tarsitano, bringing the total to 123. There were another 7 prospective members in attendance as well. Tulip Rally, Adopt-A-Highway and an Autocross in Kent highlight the month's activities. Bob & Karen Barnott sell their Corvette so they can not organize the tour to Victoria, Vancouver Island, BC., so Ben takes over as the tour leader. Need a new chairperson for the Charity Committee. The drawing for a free CMCS membership in 1998 was won by Cloyd Jackson. Jan Cockrum spearheads the CMCS 35th Anniversary Party this coming September at the General Petroleum Museum in Seattle; any wishing to participate in the planning contact Jan. Scott Main announces that Alyshia Bleiler has accepted his hand in marriage; a June wedding is being planned. An autocross video was viewed after the meeting concluded while the majority conducted emergency egress evacuation drills down the stairs and across the street to Sparta's Pizza & Spaghetti House.

5 Years Ago: April 2003: Owner Gary Main and Driver Cameron Main's 2002 Red "Convertible" Z06 "Limited Edition" is displayed on the newsletter cover. President Dennis Montgomery calls the meeting to order at the Golden Corral restaurant in Marysville. Guest speaker Bob Flores, national sales manager for CORSA Performance, was introduced and gave a presentation. New members voted in were; David & Rachelle Woodcook, Jay Haines, Mike & Lea Ann Westbrook, Neil & Judy Kather, and, Bob Stewart, bringing the total to 245. Activities were identified (*too many to list here-Ben*), 30 Corvettes so far on the books for the Corvette Caravan back to Bowling Green. Club needs a Parade Chairperson. Cassie Black takes over as Charity Committee chairperson. Twelve show up for the Adopt-A-Highway clean up, collected treasures range from hub caps to a 'live' mouse to an Arabic audio tape (?!), followed by the compulsory lunch at Wyllie's. The new Board Members for 2003 were introduced to the general membership. The Show trophy CMCS won at the Seattle Roadster Show was shown to all. Dick and Lolly D'Alessandro officially chair the SIS 2004 committee.

More Laps To Come- Ben.
