Just got our first Corvette...
What the heck took us so long?
Ha!

We are long time Chevy owners, having been involved with the Vintage Chevrolet Club of America for the past 35 years. After owning 1931 and 1938 Chevs for most of the time, it became increasingly

apparent that a car that could travel at freeway speeds would make life much more enjoyable.

Spent a considerable amount of time at the Portland Swap Meet in April looking for a more modern car to acquire. Narrowed it down to a 1956 Chev convertible and a 1961 Corvette convertible. I sat in the Vette the first day of the meet and loved it. Then on the second day, I sat in it again when the top was up and it was raining cats and dogs... ouch. The top metal bars rubbed against my head. It was definitely not a good feeling. Darn. (You, see, I'm six foot three inches tall.) By the way, the '56 was too much money, with too much work remaining.

So, I came home without a "new" car. Five days later, I decided to go for a drive up Highway 99 between Lynnwood and Everett. I remembered that there used to be a car lot there with "vintage" cars. After looking on the wrong side of the road for three miles I finally found them. Apparently they moved across the street to a new location in 1991. I guess that it has been a while since I was in that neck of the woods. Ha! I walked the entire car lot without seeing anything that caught my fancy, and then went inside. There was a yellow '66 vette that blocked my way... and I was hooked before I even got to the other side of it. I called my good friend, Bob Helgeson and he immediately drove over to look it over with me. Together we couldn't find any reason NOT to get it. All that was left was the price negotiation.

I came back with my wife two days later on Sunday, an hour before the dealer opened. Amazingly enough, the same salesman was there an hour before opening time on Sunday!!! What the?? Within the next two hours we concluded our negotiations and I drove the car home around noon. Got home just as it started raining. Pulled it in the garage just as the drops started. Little did I know... but it snowed on both of the next two weekends!!! I didn't drive it again for three weeks!! So I'm now making up for that lost time.

By Kevin Jewell - CMCS President

If you were not at the July 4th picnic, you missed what I would describe as one of the best club events since I have been a member of this fine club. Al Dager and his legions of volunteers did a fantastic job of pulling this event together. OK, they couldn't plan the weather (which was OK), but they did plan the food, activities and location; all of which worked very well. Everything worked, and I heard all positive comments about the picnic.

You probably noticed that the picnic was 100% club financed. Our club has been fortunate in having several money making events, plus being frugal on other cost issues with volunteers, so that we have achieved a fair club cash balance. Consequently, your club's board decided to spend a bit our club money with a give back to our members. Come to all the next meetings to take advantage of this policy.

We also agreed this year to have club sponsored door prizes for those people that come to meetings. Chris and Leslie vonRavensberg are coordinating this effort this year. Red & white wine plus blue vodka, makes for nice basket, for a July 4th event. If you don't come to the meetings, you can't win the prize, so we hope to see you.

You have heard in prior messages about our sponsors. Our next meeting will be at Speedway Chevrolet on 8/16/08. We invite you to join us at Speedway for the August meeting. If you attended the meeting last Fall at Lee Johnson, we expect the Speedway meeting to be similar.

We are in the heart of the car activity season. Pick those events that sound good to you and participate accordingly. I will continue to recommend that we enjoy the events planned and not have regrets later in the year because we didn't do some events.

See you on the road.

USS John C Stennis Aircraft Carrier - Event Report

Message From The Captain To The Ship's Crew (following the event)

I could not be more happy with the way you all presented the JOHN C. STENNIS to the car clubs this weekend. Those folks were ecstatic!

- The way the Sheriff got them through the gate and supported them with parking.
- the way Chad greeted them on the pier and got them formed up for the photo-ex expeditiously and meticulously.
- the way Cindy greeted them on the ceremonial quarterdeck to start the tours.
- the way Doug presented flight deck control, Sean presented the flight deck and Lynn presented the Bridge. Two hour tours in only three spots because they loved it so much and had endless questions. And yes I did get routinely asked if the yellow Z06 that got launched off the cats on the Oujas Board was mine.
- the emblematics provided by Fun boss and the MWR staff were hugely popular, generating over 5,000 dollars in proceeds for our ships store.
- and the photos I got to distribute as they departed were absolute first rate memories of a lifetime.

Shipmates, you made dreams come true for the 250 people we had onboard this weekend and lots of our Sailors (over 75) got to hear the enthusiasm in these peoples voices as they went for rides in the Ferraris, Porsches, Vettes and Mustangs.

BZ and Well Done! WR/Capn

Write-up by Byron Faber for the GOCC Newsletter

A mid July summer day was a good (no, GREAT) one for the crew of the USS John C Stennis aircraft carrier & several car clubs, including 4 Corvette Clubs from the Pacific NW. We had all submitted the necessary information for the security forces to evaluate in order to have base access. And this was a privilege for the car clubs, not the general public (or they would be swamped with requests).

The Corvettes gathered near the base to await their turn to go on base and get a nicely staged group photo of each club's cars beside the ship.

After the photo session, we moved our cars to nearby parking and then we were escorted onto the ship.

In the hanger bay they had refreshments set out for us, Starbuck's coffee, muffins, cookies, fruit, water bottles and donuts. They also had a selection of ship merchandise to sell for the benefit of the Morale, Welfare & Recreation (MWR) department. They took orders for shirts with our club's logo on the back and personalized with our names & the ship's decal on the front. We placed the orders & they personalized them to be ready when we finished our tour. The Captain said that the sales and orders made over \$5,000 for the benefit of the MWR department.

The people who conducted the tours were very knowledgeable and courteous. It was awesome to see the giant ship and to meet the sailors who help it to function as the mightiest warship the planet has ever seen.

Universally, the comments I heard were about how competent & how very nice all the personnel were. This ship has set many performance records, so we knew they were very capable, but now we also could see how personable the officers & crew were, as well.

After the tours were over, we went back to the cars to give rides. The sailors had been able to sign up for rides in advance of the event, so it was fun to give some repayment to them for their service to our nation.

One sailor said that this was the best duty day he had ever had. One of the fellows I took for a ride laughed out loud as I “punched it” getting on to the freeway, as I always do, too!

All in all, I think we made some of our great military folks delighted with seeing the cars & having rides, and I know the Corvette people were just as delighted to have the photos, tours, shirts and to be able to give these worthy folks rides in our cars.

The ship's web site is <http://www.cvn74.navy.mil/news.html>

Perhaps we could encourage car clubs nationwide to do similar events for their local military heroes?

CMCS General Meeting Minutes

by Jean Dager

July 4, 2008

A great 4th of July Membership Appreciation picnic was held at Perrigo Community Park in Redmond. Approximately 80 members were in attendance. Members feasted on an abundance of food including hors D'oeuvres, baby back ribs, coleslaw, roast beef and barbecued beef sandwiches, homemade chili, fabulous desserts, and beverages provided by CMCS. Eight

participants in the chili cook-off provided their delicious chili as well. After several members returned from driving in the 4th of July Bothell Parade, President Kevin Jewell called the meeting to order at 1:45 PM.

Board Members Present: Kevin Jewell, Gary Main, Dennis Montgomery, Cheryl Heppner, David Ormerod, Chris vonRavensberg and Jean Dager.

Kevin welcomed everyone present and thanked Al and Jean Dager and all the volunteers that helped in organizing the picnic. He reported that there were 139 cars in attendance at the Mt. Hood Corvette Annual Corvette Owners BBQ on June 21.

Vice President Report: David Ormerod announced that the next Board meeting will be held on July 18 beginning at 6 PM at Lee Johnson Chevrolet. Members are welcome. He said that the Club currently has six club radios for sale at \$195 each.

Treasurer Report: Dennis Montgomery gave the Treasurer's Report and said that the books were open for review to all members.

Secretary Report: Jean Dager asked if there were any corrections to the last published report. Since there were none, a motion was made and seconded to accept the minutes as published. The motion was approved.

Membership Report: Kayla Main asked if there were any prospective new members present. There were not. She said the current membership count stands at 272.

Activities Report:

- Cheryl Heppner thanked the 4th of July volunteer team for their contributions. She encouraged members to read their newsletters for upcoming events and reminded everyone to attend the August General Meeting on the 16th to be held at Speedway Chevrolet. Cheryl then announced the September 6th meeting will include a meal at Chung Du Chinese Restaurant in Overlake as well as a tour. The October 18th meeting will be a Mexican Fiesta hosted at the home of John Henderson and Genie Holt.
- Gary Main invited members to turn in their security information today if they wished to tour the John C. Stennis Aircraft Carrier on July 19. He said so far 54 people have signed up. Everyone attending must bring identification in order to board the Stennis. Following the tour, CMCS is participating with the Glass Odyssey Corvette Club in the "Vette Rides for Sailors." Cars are leaving from Fry's Electronics in Renton in the late morning. The exact time schedule will be provided later.
- He announced a Cruise for Kids is planned July 26 hosted by the Anchorage Corvette Assoc. to benefit Seattle's Ronald McDonald House. Those interested should see Gary for tour information. The group is interested in raising support for this worthy cause. He reported that \$17,000 was raised last year and that the Ronald McDonald newsletter wrote about the Club's participation. Donations may be sent in care of Gary.

- Kevin asked Robert and Shauna Bean to talk about the upcoming July 12 Mill Creek Car Show. Robert said that there have been a few changes from last year's show and that he would send e-mail to members about the changes.
- Mike and Jane Armstrong were not present to report on Seattle in September. Kevin said that this is the CMCS premier event which is held every other year. This year it is scheduled for September 12-14 and so far registrations have been very good. The Club would like to have a really good turn out this year, and Kevin encouraged those members who have not yet registered to do so.
- The President announced that, to date, we do not have a chairperson for the February 2009 Wet Weekend and that if anyone is interested, to please contact him.
- Dennis Montgomery announced that he expected approximately 200-250 cars to attend the August 24 All Corvette Show & Burger Bash at XXX Root Beer Drive-In. Cars will be parked beginning at 8:00 AM. Please see Lorrie or Dennis for further information.

Committee Reports:

NCRS: Kevin informed members that Jay Cockrum is moving out of state and he introduced Stan Trask as the new representative. Stan announced there would be a tour July 12 in Astoria, OR, Yakima Valley wine tour August 9 and the NW Regional Meet September 11-13 in Bend, OR.

Parades: Jim McDonnell said there were 15 cars that participated in the 4th of July Bothell parade. He reminded members who were interested in Redmond's Saturday parade to see him. The parade starts at 9 AM at QFC and will finish at 11:30 AM. The Greenwood parade is scheduled for July 23. The Torchlight parade will be on July 26 and so far, 15 cars have signed up. Jim said that more convertibles are needed for this parade. The Magnolia parade is August 2 and 10 cars are needed. October 4th is the Issaquah Salmon Days parade. He asked that members contact him concerning these upcoming parades.

School Daze: Rick Milsow said that 31 people attended Ground School July 2nd. This year, 41 have signed up for the July 10 School Daze event at Pacific Raceways. He said volunteers are needed to help out, and asked members to contact him for information. Kevin said that members are welcome to come and watch.

NWAC: Tim Cox announced that July and August are busy months. He said that the Tacoma Corvette Club and Classical Glass Corvette Clubs are hosting their premier events July 11-13. Lots of activities including poker run tours, rallies, banquets, autocross, and awards are planned. The Rose City Corvette Club is hosting their premier event August 1-4 which among other things includes a track day and a great banquet. He encouraged members to read their newsletters for more information of Corvette events.

Adopt-A-Highway: Chris and Leslie vonRavensberg said the next clean-up is mid-September.

Charity Committee: Marty Cameron was not present. Bill Cameron said to contact Marty if anyone is interested in volunteering at the July 16 Ronald

McDonald House. Marty will supply the boxes of brownies to cook so please let Bill know.

NCM: Wes Holmes informed members that \$703 in goods was sold to benefit the Corvette Museum at the Lee Johnson car show. More merchandise will be offered for sale at SIS to benefit the museum. Wes offered \$10 raffle tickets to win a 2009 Red Corvette coupe.

Kevin asked if there were other activities members would like to mention. Gene Kinnunen said he will be attending *Corvettes in the Park* in Cottage Grove, OR August 8-10 and to see him if anyone would be interested in touring with him to this event.

OLD BUSINESS: The President asked if there was any old business to discuss and there was none.

NEW BUSINESS:

Byron Crocker said he would like to change the name of the Club to Corvette Club of Seattle and leave the word “Marque” out. No one in the Club was interested in this suggestion.

Newsletter: Oran Petersen inquired if people had received their July newsletter and most people were affirmative in their response. He said that he had made up dash plaques for this July 4th picnic and everyone was welcome to take one. Also, that Club business cards were available to pick up to help promote our Club. Oran needs some cover photos and biography information for future newsletters but is covered for the next couple of months.

Door Prize: Chris and Leslie vonRavensberg presented the door prize winner, Gary Main, with a basket of goodies which included a red and white wine and a blue bottle of vodka in commemoration of the 4th of July picnic.

Prizes: Al Dager presented gasoline card prizes in increments of \$15, \$25 & \$50 to chili cookoff winners and a \$20 gas card to the winner among the early registrants. Additionally, a 1st, 2nd, and 3rd prize trophy was presented to each chili-cookoff winner. Jean Fiorentino won 1st prize, Cheryal Heppner 2nd, and Dave Ormerod 3rd.

50/50 Drawing: Kevin said our Club has been exceptional in supporting 50/50 raffle tickets that help support our charities. Jack and Claudia announced that today, \$332 in tickets were sold. A drawing was held and \$166 was given to the winner, Gary Maxwell. The other half will be deposited into the scholarship fund. Kevin reminded members to attend the next general meeting August 16 at Speedway Chevrolet where dinner will be furnished. Also, that the next Board meeting will be July 18 at Lee Johnson Chevrolet.

At 2:25 PM, the meeting adjourned in accordance with a motion that was made, seconded and unanimously passed.

Respectfully submitted,

Jean Dager, Secretary

Corvette Marque Club Seattle in September V

We are back in touch. And we hope that you will be too. Our fifth
Seattle in September

is

September 12-14, 2008.

We think this will be our best SIS ever. We know if you join us again it will be.

What's New?

The Location: The Best Western River's Edge in Tukwila, Washington is the event hotel this year. It is south of Seattle near the intersection of Interstate 405 and Interstate 5. Interstate 90 is a few miles north. This newly remodeled hotel has new pillowtop beds, plasma televisions, mini fridges and other room amenities. It offers a free breakfast and much more. The event room rate is \$92 per night plus tax. (This is \$28 lower than our 2006 hotel rate.) Call (425) 226-1812 or (800) 544-9863 to book your reservation now. Mention CMCS or the Corvette Club to get the event rate. Check out the hotel at www.bestwestern.com/southcenter.

The Dinner Cruise is Back: Not only is it back, but it is a three-hour cruise departing from Elliott Bay on the Royal Argosy – Argosy's premier ship. The buffet dinner is prepared by Argosy's own chef. The food and menu planning are done to the standards of CRI Inc, who own and manage several of Seattle's finest restaurants, including the Metropolitan Grill and Elliott's Seafood Restaurant. The menu includes salmon, prime rib, chicken and all the extras, including vegetarian dishes. They are also serving hors d'oeuvres as we board. Have a look at Argosy's site at www.royalargosy.com.

Also, you can leave the driving to us for the evening. We have bus transportation between the hotel and the ship.

Lance Buller and Stephanie Porter: Lance, Stephanie and the band will wow you with their musical talents during our cruise. They are well recognized and accomplished artists based in the Seattle area. Lance has played with Bob Marley & Little Anthony. He was associated with the Beach Boys for 24 years. In addition to his trumpet skills, when he and Stephanie combine their voices and magic, it is something you will long remember. Check them out at www.lancebuller.com.

Southcenter Area Show 'n Shine: We have been fortunate to secure a great and high-visibility location near the hotel and near the state's largest shopping center. Albert Lee Appliances in Tukwila is the venue for our Saturday morning show, which is a Tukwila Centennial event. Judging is People's Choice.

What Has Not Changed?

Friday Night Reception and Valve Cover Races: Enjoy a CMCS hosted barbecue at the hotel to meet and greet old and new friends. Afterwards are the famous valve cover races. For rules and information about the valve cover races, go to our Web site www.corvettemarqueclub.com and look in the downloads section for the document "[Lets Go Valve Cover Racin' – Rules and More](#)". As you'll recall, the participants and the spectators all enjoy this competitive event.

Great Drives: The event includes two driving events: The **Sleepless in Seattle Tour** on Friday night, after the valve cover races and a Saturday afternoon tour, after the Show 'n Shine. We'll have you back in time for you to get ready for the Saturday cruise, banquet and entertainment.

Sunday Raffles and Awards: We promise to have you on your way by 11 am, after the awards presentation and after the drawings for the many raffle prizes.

The Price: The price, at \$95 per person, has not increased for this event since 2004. By lowering your total cost for two nights at the hotel and for the event by almost \$60, you'll have extra left over for fuel. This weekend extravaganza is exceptional. It is made all the more so by the great folks who come to Corvette events.

A Marque Club Welcome: Our club loves to host this event and to share our town with you. We can do that only if you come.

You will find the [SIS Registration Form](#) at www.CorvetteMarqueClub.com in the **Events>CMCS Flyers** area. This form can be filled out on your computer and printed with newer Acrobat versions, adding convenience & accuracy. This area also has an [SIS Flyer](#) for you to post or hand out to interested Corvette owners.

If you have any questions, contact us at SIS2008@corvettemarqueclub.com.

See you in Seattle in September!

SIS 2008

by Michael & Jane Armstrong

What is special about July 16th, 2008?

July 16th we surpassed the number **100**. That is the number of friends who have registered to attend SIS 2008. This is way ahead of previous SIS events at this relatively early date. We have an equal number of entries from our other clubs and from our own club. The top two clubs for entries are running neck and neck. (The competition continues to heat up!) And there may be another club that surprises everyone to pull ahead in the days ahead. None of this should surprise you. You know that SIS is a high-value event with a wonderful variety of fun activities. The raffle items are coming in and the details just get better. We may sell this one out. Our restriction is the boat capacity, but we would love the challenge of squeezing in just a few more if we hit that number. Okay, our hopes are high. But don't you take a chance. In two months, Seattle in September V will be over and everyone will be home. Those who attended will be sharing their good-time stories and hopefully some of their "goodies" with their club friends who missed out. Now which "boat" do you want to find yourself in? Please mail in your registration today.

We now have club t-shirts available for our members. They are white Hanes tagless in 100% cotton in sizes M to 3X. The cost is \$8. They are available from Mike Armstrong at club meetings and events while quantities last.

See it Come Together on the NCM Construction Cam

If you have been watching the NCM Construction Cam then you have seen a lot of things really taking shape. Concrete work has been going on this week

and many of the large steel girders and the barrel roof pieces are going up now.

A second construction cam will be going up on the inside of the Museum soon to help showcase the action taking place on the new Corvette Boulevard – stay tuned.

Take a minute and view our outdoor “construction cam” here.

Preserve and Document Your Corvette's History

Images, documents and pieces of historic memorabilia preserve a Corvette’s history, and we offer another way to save your Corvette’s past and preserve it for the future with Build sheets and reproduction window stickers.

Build sheets are available on Corvettes 1981 – current model year, and you can save by ordering the complete package that includes your Corvette’s dealer brochure and the Corvette Black Book. Find out more about this special way to document your Corvette’s history and place your order online or call us at: (800) 53-VETTE.

We have also obtained a limited number of original Corvette build sheets from the Corvette Assembly Plant and are offering them for sale through our Resource Center. We have random build sheets on Corvettes produced from 2002-2007.

These are “not” reproduction copies and many are marked, tattered and worn from the journey through the build process. Build sheets are available at \$40 for NCM members and \$50 for non members. You may contact the Resource Center at: (800) 53-VETTE to find out if your 2002-2007 build sheet is available prior to purchase.

Ronald McDonald House - Event Report

by Marty Cameron

Arriving at the Ronald McDonald House on July 16th at 4 pm gave Joyce Jones, Joice Bueling, myself and my sister-in-law (Bev) a chance to help with the dinner meal. Susan, who has been a volunteer at the house for 2 years, supplies the dinner (a baked potato bar/salad) and we bring dessert. Joice was in the right place at the right time and has purchased enough brownie mixes to last us "forever". Anyone interested

in helping baking or serving at the Ronald McDonald House, please contact Marty Cameron, Marty@CorvetteMarqueClub.com.

Our next outing will be September 17th at 5pm .

Laps From the Past or "Marque in Time" A CMCS history feature by Ben Benninghoff

40 LAPS AGO: August '68. President Bruce Kelly oversees the monthly business meeting at the home of the Clarks. A modest profit was realized from the past Rally; expenses were less than expected. PRI practices have been arraigned for next month. Jeff Weymouth will handle publicity for the event. Carl Mollow is working on gathering 39 trophies for the Rally. If profits allow the purchase of timing lights will take place. Larry Shirk will take care of the tech inspections. Corner workers are still needed, contact Dan Boemeke or Larry Hillard to volunteer. Frank Olsheski will take care of timing. John Thomas will handle traffic control. A Halloween party is in the works for October, location not secured yet. A questionnaire for WWSCC was filled out and future dates and events for the coming year were announced. The typewriter issue was tabled for further discussions. Wally Arrowsmith asked about the telephone committee and the program chair.

30 LAPS AGO: August '78. President Len Hodges opens the monthly meeting after the Beach Party get together at Kayak Point Park in Marysville, where 32 members attend. CMCS celebrates the Corvette's Silver Anniversary Ball at the Windjammer on Shilshoe Bay, and attends the 9th Vintage Corvette Enthusiasts Picnic at Rainbow Falls State Park. Since the past 5 out of 8 official monthly meeting have not seen a quorum present to make motions and call for voting, a mail out ballet electing support for a bylaw change to waive such has been sent out to all members for approval. There still exists the requirement for a 2/3 majority vote to carry a motion at a meeting, but this will go a long way to have the meetings be official and legal on these matters. CMCS obtains 1,000 "Would you like to meet other Corvette enthusiasts?" hand out cards. Each member may have up to 10 free, or for purchase of \$2.50 for 100. Window-Bumper Stickers "Road Race Drivers Do It Deeper And Come Out Harder", or, "Have You Hugged Your Car Today", are available for \$5@; 6 or more for \$3@. Membership chair Melody Kahler motions the club approves John & Penny Grosso, and Mr. & Mrs. Lee Johnson as honorary members, while voting in new members Conrad Engeness, Sally Christian, Barb Kelly, all approved by the members (nothing mentioned in minutes concerning the total membership numbers-Ben).

20 LAPS AGO: August '88. President Val Johnson holds the monthly meeting during the annual Beach Party get together at the home of John Thomas on Vashon Island. No new members voted in by a few 'prospective attend, present membership stands at 93. A new membership log is in the works and will be mailed out as soon as possible. Classical Glass holds their sponsored Autocross/Concour in Tacoma while NCRS holds its Western Regional Meet in Bend Oregon. Parades around the Sound are in Greenwood, Kent (English Leather Girls!!!), and, Seafair. Oak Harbor Auto Center/ Wallgreen Tire Center co-hosts an annual Car Show/Competition. Seattle Int'l Raceway (SIR) holds its Super Chevy Sunday; bracket racing and show classes. Anacortes Arts & Crafts and Corvette show will be hosted by Seaside Chevrolet. CMCS and NCRS will team up for the first time for their meet held at the St Michele Winery in Woodinville in September. In the past only the Jaguar, Porches, and BMW clubs have hosted an NCRS event so this will be historic for a Corvette club to host. CMCS will be celebrating its 25th Anniversary as well during this event.

10 LAPS AGO: August '98. Pavo McDonald's 1976 silver L48 automatic T-Top is featured on the cover of the monthly newsletter. President Ben Benninghoff conducts the monthly meeting in the Upper Room at Seaview Chevrolet in Lynnwood. Seaview Chevrolet in Lynnwood hosts the 7th Annual Show n Shine for CMCS. Outing to Emerald Downs race track for

a day of horse racing. The Charity committee meets to talk about supporting community events like the GM mechanic scholarship at Shoreline Community College, a donation to the Snohomish County Battered Women's Center through the Boeing Stratocruiser Car Club, and the children's charity function for the year with the Christmas Adopt-A-Family event, and a Santa visit at a local nursing home. Lorrie Montgomery reports on the club's 40th Anniversary next month. Pat Luczyk, Patty Bunn, and Mike Thompson, known as "Patty LaVette and the Stingrays" sang a special song for the anniversary. A day event will take place at Christa Ministry and the evening dinner will be at the Seattle Museum of Flight. Seattle In September 2004 logo is designed by Ron Eden. Cloyd Jackson brings his 10 year tenure to a close as club newsletter editor of the club's monthly "On Your Marque" publication. Oran Petersen will step into big shoes but know he will do very well as the new editor.
