Cover Story - Bob & Bonnie Eaton's 50th Anniv. Convertible

Bob and Bonnie Eaton have a 2003 – 50th Anniversary Red Special Edition Convertible and live in Mill Creek, WA. Bob's love with the Corvette began in 1953 when as a small child he would accompany his mother on Saturdays to Sevenich Chevrolet where on one special Saturday, he witness the coming of an American icon being delivered – the first 1953 Corvette to this dealership. This memory has stayed

with Bob for many years and he had let it be known many times that for Christmas, his Birthday, Father's Day, Anniversary, (any date!) a great present would be a Corvette. Bob was lucky to receive many types of Corvettes on these dates as presents from his extended family – all in the form of models and/or pictures.

When the time finally came to seriously pursue the dream, Bonnie stepped in to help make the decision on the correct model to get. Bob had always wanted a 1965 – but while loving to drive anything that moves - is admittedly not the great technical gear-head- under the hood. So Bonnie strongly suggested a C5 or newer. With that concession in mind – Bob locked in on the idea of the car that would help reinforce that memory from 1953 – the 2003 50th Anniversary Edition.

Bob and Bonnie have just relocated back to Mill Creek from the Tri-Cities where they helped re-establish the Tri-City Corvette Club (now known as the 3 Rivers Corvette Club or 3RCC) and look forward to becoming active members in CMCS.

One of item of note: It's very lucky for them (?) that their neighbor across the street is the one and only Byron Crocker – Mr. 50th Anniversary Convertible himself. He is providing all kinds of guidance to Bonnie on future possible “gifts” for Bob's 50th Anniversary (understand the first suggestion was the chrome dip-stick!).

Yakima Vette-A-Bratton - Event Report ***by Kevin Jewell***

Seven CMCS cars left Issaquah Friday morning, June 12, to attend the Vette-A-Bratton meet, where we joined up with CMCS members, George and Aida Walden from Republic. After a leisurely tour and lunch we arrived to typical Yakima weather, sunny and warm. There were about 80 cars registered and in addition to CMCS, we had the Spokane, Tri-Cities, both Tacoma clubs and several different Oregon clubs represented. Car show awards went to:

C4 Convertible	2nd Place	Al & Jean Dager
C5 Convertible	1st Place	Byron Crocker
C6 Coupe	3rd Place	George and Aida Walden

The poker rally on Sunday was diabolical to say the least. Most of us missed the first major instruction when the Terrace Heights Blvd actually turned right into a secondary road and if you continued on the 4 lane road you were on, the name changed. Of course there was no instruction such as “Turn right to continue on Terrace Heights Blvd”. We knew we were lost when the road ended with the sign “End of county maintained road, no trespassing”. This was definitely a time when the club radios came in handy. The rally ended at a large residence in the hills overlooking Yakima where we all enjoyed a BBQ lunch and live music.

Consider attending other clubs’ events. They are a great way to meet other people, see how they host events and even get to better know your own club members.

By Jack Goodman & Claudia Simmons

At our Monthly CMCS General Meeting 50/50 tickets are available for a dollar each. Half goes toward our scholarship fund for the Shoreline Community College Automotive Program. The remaining half goes to the lucky one holding the ticket number drawn. The more tickets bought the bigger the pot.

For the June 6th General Meeting at Billy McHale's we collected \$188.

\$94 went to the winner, Shelda Orlando. **\$94** went into the scholarship fund.

Marque My Words

*by President
Dennis
Montgomery*

I hope you have had the chance to get out in this extraordinary weather. As I write this it is sunny and warm, with more sun coming. Not exactly sunburned yet but at least the sun is out.

Keep your fingers crossed for good weather for upcoming CMCS events such as School Daze on July 9th, The Mill Creek Show and Shine on July 18th, the Seafair Parades, the Ferrous Fanny Tour on August 7-9 and The XXX All-Corvette Show and Shine and Burger Bash on August 23. While you're at it, keep those same fingers crossed for good weather in September for the Cascade Loop and the Wine Tour. You can cross them again in the hopes you win the Lottery too!

This is the time of the year for Corvette Clubs around the area to put on events and I would encourage you to go to as many of those as you can. These events, whether they are for a day or a weekend, are a terrific way to have fun with other CMCS members and make new friends at other clubs. If you are planning to attend another club's event be sure to ask if other CMCS members are going and arrange a caravan to the festivities. Sometimes, getting there is half the fun! At the suggestion of CMCS member Paul Luczyk, we are working on a "clearing house" for events through our web site so you can look up to see who is going to specific events and get in touch with them. More info to follow.

A group of us were lead by Kevin and Judy Jewell to the Yakima Corvette Club's event in June and had a great time. We went over by way of the Yakima Canyon route and came back over Chinook Pass. What a sight to see a line of shiny Corvettes of all colors going through the canyon! Beautiful drive(s) and a fun weekend! The best part of the weekend was the Yakima Club's 50-50 drawing at their event, which yours truly won! Byron Crocker and Al Dager and George & Aida Walden won trophies in the Show and Shine too! Lorrie and I were pretty sure we had won a third place trophy in our class but, alas, another C6 convertible showed up so we were a lock for fourth!

A word about our sponsors.....We have all read about the problems GM has been having and the closure of some dealers. I'm happy to report that our sponsors, Lee Johnson Chevrolet and Speedway Chevrolet are alive and well and ready to be of service to us. If you are even considering a new, or used,

Corvette or other car or truck, now is the time to buy. Our sponsors are well stocked with vehicles and are ready to accommodate us. We are very fortunate to have sponsors as generous and supportive as Lee Johnson Chevrolet and Speedway Chevrolet are and we need to be equally supportive of them, both in sales and service.

I hope you all continue to have a great summer and I look forward to seeing you soon.

Charity - Vettes for Veterans

by Marty Cameron

On Flag Day, June 14th 10 cars enjoyed the trip to the Veteran's Home in Port Orchard. Rather than fill the corvettes with the hundreds of books and MANY donated clothing items along with a wide range of miscellaneous items, Bill and I filled our Toyota Camry. From the front seat to the trunk (which you had to be careful and stand back to open) we were FULL. Everyone was very appreciative. Thank you to all that made this a success.

Charity - Lap Blankets for Veterans Needed

Calling all knitters, crocheters and sewers. Need lap blankets for the veterans. Lap Blankets to be used by male and female wheelchair patients. July 31st to August 3rd, 2009

This is a special invitation for you to join us for our annual Corvette weekend at the location of the 2010 Olympic Winter Games in Whistler, British Columbia.

Have fun with other Corvette enthusiasts at our Friday evening reception, Saturday show & shine, Saturday banquet and Sunday slalom. You may win one of the many trophies or door prizes. Take Monday to enjoy a Whistler experience; one of countless outdoor or indoor activities.

Be sure to join us for a tour of the Whistler Olympic Park to see where the ski jumping and biathlon events will take place in February 2010. See the Whistler Sliding Centre for bobsleigh, luge and skeleton. For a breath taking experience, ride the brand new Peak to Peak Gondola, the largest of its kind, as it soars some 1400 feet over the valley floor. Take a once in a lifetime photograph of your Corvette with Olympic backgrounds. And don't forget, plan to pick up Olympic memorabilia for the folks at home.

This once in a lifetime experience will take place on the weekend of Friday July 31st to Monday August 3rd 2009. Registration is Cdn\$160 for driver and car and Cdn\$95 for guests. Those registering prior to April 30th will receive a collectible Olympic pin.

The highway to Whistler has been improved immensely and you will be amazed at the transformation of Whistler, one of the best ski resorts in North America. If you plan to watch the Olympics next year on television you owe it to yourself to experience the Olympic site this summer. We'll see you there!

Vette Rides for Veterans - Event Report

by Gary Main

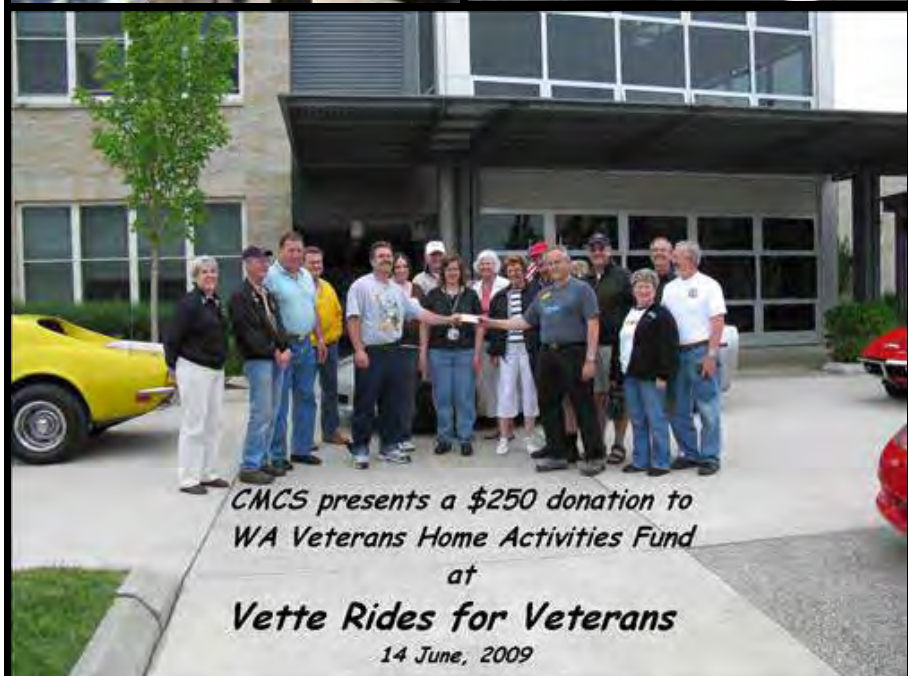

THANK YOU, one and all, for coming out Sunday & supporting Vette Rides for Veterans! As is usually the case, it's hard to tell who had more fun, us or them. Doesn't matter. Everybody wins in a deal like this. Fifteen people in nine Corvettes & an iron car in our group. I think I counted 22 Vettes at the event. It was great to have our most recent new members **Bob, Mike & Mo** join us old-timers on this event. We were happy to welcome our guests **Vinny & Penny**, too, and hope they had enough fun that they'll want to get more involved with the club.

Special thanks to **Marty & Bill** who left their Vette at home & hauled a truck load of donations in their Toyoter and to Oran & Dee who came out to Fry's to see us off and add some coats to the crammed "charity car".

I just posted 26 photos of our escapades on the CMCS Web Site. Seems like I saw several of you taking photos also. If you have some you'd like to contribute to the website, either submit them yourself or send them to me & I'll put them up. If sending to me and you want a particular caption on the photo, be sure to tell me what it is...otherwise, I'll use my own imagination & y'all know how dangerous that can be...!

Next *Vette Rides for Veterans* will probably be sometime in September. Watch the club calendar & expect to get a "gentle" reminder from me when the date gets closer. *Event photos are on the following page.*

The Membership Tachometer by Lorrie Montgomery

Our June General Membership Meeting was held at Billy McHales Restaurant in Renton. Starting in Issaquah, Oran Petersen led us on a great 50s Tour through some very scenic back roads to our destination. We didn't see any Poodle Skirts, but lots of old time cowboys! It was a great tour and a fun day. Now to the real reason for this column! We welcomed 6 new members to CMCS. Our membership count is now **276**.

Welcome to the Club

Bob and Bonnie Eaton recently moved to Mill Creek from the Tri Cities and live very close to Byron Crocker. I cautioned Bob about making this fact public, but he didn't take the hint. They have a beautiful **2003 Anniversary Red Convertible** (Cover car for this issue) and Bob said the reason he bought it was because Bonnie said she wanted it. What a guy! They enjoy Driving, Golf, Reading and Wines. Sounds like a perfect addition to the Marque Club!

Bill and Shari Roberts join us from Renton. They have a **2008 Red Coupe**. Bill joined us for the LaConner Parade and the Reeves Callaway meeting at Speedway Chevrolet. Bob is interested in Electronics, Car Modifications, and Photography. We'll be expecting pictures of all the modifications he does to that Vette! Shari was unable to attend the meeting, but we decided that if Bill was good CMCS material, that Shari would be too. We hope to meet her soon! Welcome Bill and Shari.

Mike and Mo Canny live in Monroe and have the car they've always wanted - a **2008 Black Z06**. The first weekend they had it they took a little drive to Neah Bay to visit their grandchildren. Said it was the best car they'd ever driven. Apparently their son agreed. Happy owners. Happy kids! Mike enjoys fishing, golf and fast cars and Mo enjoys reading and needlework. The both like gardening, so I'm hoping they'll stop by my house one of these days! Welcome Mike and Mo.

Please help me welcome Bob & Bonnie, Bill & Shari and Mike & Mo to CMCS. When you see them, please take the opportunity to introduce yourself. That's how you make the great friendships that we share in the Marque Club.

Parades
by Jim McDonnell
(425) 753-6658
Jim@CorvetteMarqueClub.com

July is the biggest month of the year for parades. We need to have many CMCS participants in these events. Two parades are for any Corvette- coupe, convertible or hardtop. Only Torchlight is restricted to convertibles only.

July 4th - Sat. - Bothell 4th of July Parade

All Corvettes are welcome. This year some convertibles will carry dignitaries. I need to know how many convertibles are coming, so please RSVP.

Gather at 9 am at the Country Inn Suites of Bothell. From I-405 northbound, take Exit 24, turn right and right again at the Shell station. The Inn is on your right.

At 9:30 am we caravan from the Inn to the parade staging area. There we will decorate our Corvettes with flags and banners. The parade is noon.

NOTE: After the parade we caravan to Perrigo Park in Redmond to attend the CMCS Member Appreciation Picnic and general meeting.

July 22nd - Wed. - Greenwood-Phinney Parade

Evening Parade for all Corvettes, coupes, hardtops & convertibles. Some convertibles may carry dignitaries. Gather by 6 pm at 95th St. and Greenwood Ave. From I-5 southbound, take the Northgate Way/105th St exit. Turn right (west) onto Northgate. From I-5 Northbound, take the 100th St exit to Northgate and turn left. Greenwood will be blocked, so turn south onto Dayton to 95th and go west to Greenwood. Please RSVP.

July 25th - Sat. - Seattle Seafair Torchlight Parade

Night Parade for convertibles only. Over 100,000 people line the streets of 4th Avenue to view this event. Only the number of convertibles needed can participate. Make yourself one of the lucky ones! RSVP is required. To date we have 8 cars, and very likely will need more.

We gather at 3 pm for lunch and move to the staging area at 5 pm. The parade starts about 7 pm. The parade is 4 miles and 2 hours long. This is why we eat at 3 pm. They want our participation.

Late Note: We have been asked by the Seafair committee to consider the possibility of providing support vehicles for the Seafair princesses. By the time this newsletter gets to you I may have called some prospective members. This may involve up to 15 parades for 8-12 convertibles. At print time details are not known. Contact me if you find this a tantalizing and exciting. This is a great way to give back to the community.

August 1- Sat. - Magnolia Summerfest Parade

Morning parade for convertibles only.

Gather at 9 am. Parade starts at 11 am. You are on the way home by noon.

Very short, nice parade, friendly people, nice celebrities and joyous crowds.

Corvette Technical Tips by Mike Roylance

Got Vette manual clutch problems? You've probably got clutch dust?

Corvette Forum Member call sign Ranger has the fix and excellent explanation of the problem. Before taking it in, check out his site and video to see if this easy fix is for you.

The Problem:

When driven aggressively, GM cars with manual transmissions and the LS1, LS2, LS6, and LS7 engines sometimes fall prey to clutch pedal issues during or following high-rpm shifts. For clarity sake, driven "aggressively" means cars that are launched or see high-rpm up-shifts or down-shifts. And consequential clutch problems affect many brands of car besides GM and motorcycles too.

The Fix:

Replace the clutch fluid. Check out Rangers neat "You Tube" video and web site for the entire problem and fix.

50s Tour - Event Report

by Oran Petersen

Saturday June 6th was overcast, with occasional drizzle. This did not dampen the spirits of the almost 30 Corvettes that gathered in Issaquah at Michael's Chevrolet to participate in the long-standing **CMCS 50s Tour** event.

After eating most of the snacks while talking Vettes, buying poker run cards and trying to identify a couple of "Name That Tune" song snippets, we departed on a 50 mile tour of mostly country roads with one stop at Ravensdale Park for a break, card draw and more song snippets. The tour terminated at Billy McHale's Restaurant in Renton.

Here we ordered from an early bird menu and held our monthly general membership meeting, with just under 70 members in attendance.

Poker run Results: We took in \$170. This went to two winners and a loser.

Most of a kind: Three aces by Michael Armstrong. \$85

Most of a suit: Two got 4 in one suit. Gary Main won \$51 with the high card.

Worst hand: Jean Fiorentino "lost" to collect her prize of \$34.

The "Name That Tune" contest netted 6 members that got all 6 song snippets correct. A high-card draw gave Bob Eaton, a new member, the trophy.

"Tour" Radios Available Through CMCS

The "business" UHF radios that the Club uses to coordinate tours are available for purchase from CMCS. This is a Club courtesy/benefit to make it easier for you to join in the communications during the Club caravans and tours.

They are passed to you directly at CMCS cost, which is a significant discount from retail. The "standard model" we stock is the **Motorola RDU2080d**, a 2-watt 8-channel unit that has a MSRP of \$291. Club cost is **\$222.19**.

We also set them up for CMCS operations by charging the batteries and programming:

Frequency **467.9000 Mhz** &
Interference Frequency **179.9 Hz**.

These are UHF frequency radios. "Family" VHF radios will not work.

You may purchase these radios at CMCS General Meetings or by contacting the Club "radio man" Al Dager: Al@CorvetteMarqueClub.com.

NOTE: These are commercial/professional quality units, not toys.

You may also choose a different brand or model radio by visiting www.techwholesale.com or another source of your choice.

UPDATE: Ferrous Fannie 500 – Crater Lake Tour

We have created an e-mail distribution list of all of the people (61 so far) known to be going to Crater Lake on Aug 7-9. Details of the trip...maps, timelines, dinner arrangements, etc...are being e-mailed to participants in several installments. The first such e-mail was sent on 6/9/09. If you are planning to go on this event and did not receive the 6/9 e-mail, you need to get your Ferrous Fannie in gear and contact kayla@corvettemarqueclub.com ASAP and get yourself on the list.

Dash Plaque Replacements Available

by Oran Petersen

I have been making the soft magnetic back dash plaques for many CMCS events for about 4 years or so. Events include:

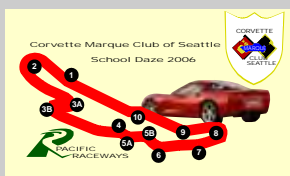

Wet Weekend	4th of July Picnic	Seattle in September
Women Only Weekend	50s Tour	Valve Cover Races
Cascade Loop Tour	School Daze	Show & Shines

These are done with the “Newsletter” printer on business card stock applied to magnetic sheets and covered with plastic.

Many are personalized with your name, while others are generic.

While inexpensive to make and easy to personalize, durability, especially of the earlier ones, may be an issue.

If you like to keep them as mementos of the various events, and they are looking fuzzy or faded, send me an e-mail of which ones you need and I will make you a replacement. If you lost one, we can replace that also.

Laps From the Past or "Marque in Time"

A CMCS history feature by Ben Benninghoff

40 LAPS AGO: July '69. President Frank Olsheski gets the monthly meeting started at the beach at Normandy Park by introducing guest speaker Bill Goben of the Northwest Falcon Association. SIR practice sessions on the event agenda, club jackets are still available, and tours to Ross Dam and the Atomic Weekend are highlighted for the month. The business of Honorary Membership will be discussed at the next meeting. John Thomas made a

comment about the Olympic Tour, and Howard Esping notes he can obtain Chevrolet parts at a discount for club members. John Grosso volunteers as chairman for the September Autocross. Joe Pike of Corvette News is requesting article contributions from CMCS for their magazine. Frank presented at list of names posted to the WSCC official ballot for their board positions.

30 LAPS AGO: July '79. President Ernie Kahler notes the monthly meeting finally started at the Rainer Brewery after a brief tour, a lasagna dinner, and after following a lot of free beer. Historically the meeting minutes reflect at least 2 Board members being absent from these meeting, but for this one it looks like there were no no-shows. All the club's representatives from NWACC, WWSCC, NCRS were in attendance as well and provided a short report from those organizations. Membership reported the club is at 104

members. Frank O. talked about the club's successful 4th of July gathering. John Nelson talked about the club event held at Fort Flagler. Jacket patches has been orders but not received yet. A Swap Meet and Autocross was held at SIR. Eight Corvettes are requested for the Torch Light Parade, and event coordinator Len Hodges, assures all who wish to participate that our Corvettes will be before the Hydroplanes and absolutely no where's around the SeaFair Pirates.

20 LAPS AGO: July '89. President Jan Cockrum gets a late meeting started at the Nieuw Amsterdam restaurant in Bothell. New members voted in are John Bell and his friend Linda Wilmer, and, Gary & Sheri Orahood, bringing the total to 102. There was a brief discussion concerning the loss of our main sponsor Lee Johnson Chevrolet. In the interim the club will be self producing the monthly newsletters, Glenn Cunningham will put it together but needs volunteers to assemble, staple, etc. Marianne Shober from Big Auto Supply is looking for a '84 & up Corvette as a model for pictures. The club typewriter ran out of ribbon, after scouting two stores later; find it has to be ordered. (Minutes are hand scribed in the newsletter- Ben). Tour to Port Ludlow meet up with SACE Straight-Axle Corvette Enthusiasts who are hosting a 3 day event there. 4th of July Parade in Bothell, and a Swap Meet in Puyallup prior to an autocross at SIR. Rose City Corvettes hold their Run What You Brung II (NWACC #2) event.

10 LAPS AGO: July '99. Jim Tait's 1966, 327/350 4-speed "no power options" Nassau Blue roadster is featured on the newsletter's cover. President Frank DePuy conducts the monthly meeting in the Winston Suite in the starting tower at SIR during the evening of bracket drag strip racing night. New members voted into membership were; Mary Ann Zito, Robert & Lois McCracken, bringing the total to 180. News letter editor Cloyd Jackson asked if anyone was experiencing late deliveries of their monthly newsletters. Also that each household would be receiving two address membership directories and please check for discrepancies. Cloyd notes he strives for accuracy in whatever he publishes, but, sometimes "s—t" happens. Club events fill the calendar, highlights are the annual 4th of July parade in Bothell and the BBQ picnic afterwards at Ted & Carole Stewart's, SIR Night at the Drags, School Daze at SIR, 2nd Annual Women Only Weekend overnights for women only, Ride the Wild Rouge in Southern Oregon, 12th Annual Thunder in the Mountains at Whistler B.C., Greenwood Parade, Port Gardner Rotary Concours d'Elegance & Rod/Custom show, Vette Fest in Boise, Idaho, In the Shadow of the Mountain in Tacoma, and wrapping up the month is the 6th Annual Take Me Out to the Ball Park with the Everett Aquasox; all contributing to one of the most busy July's for CMCS ever.

5 LAPS AGO: July '04. Bob & Patty Bunn's 1998 Silver Coupe is featured on the newsletter's cover. President Tim Cox opens the monthly meeting at

NCM Insurance Program Update

The NCM Collector Car Insurance program is off and running and we appreciate the opportunity to offer a quote on your collector cars. We have quoted over 700 Corvettes and have helped participants save money and get specialized coverage.

“We are really enjoying the opportunity to talk with so many collector car owners who are considering moving their policies to our insurance program,” states NCM Insurance Agent, Adam Boca. “The common misconception is that collector car insurance is only for antique cars. We are capable of covering new and old cars of all styles. Let us show you what we can offer.” For a free online quote, visit <http://www.ncminsurance.org/>
