## 7 Steps to Investing In Rental Properties!

- 1- Choose a REALTOR®... (okay, you have that covered!)
- 2- Find a Money Source... bank, partner, etc.
- 3- Search until you find the one... then inspect it!
- 4- Prepare for Repairs.
- 5- Be Smart & SCREEN your renters. (there are plenty out there!)
- 6- RENT! (Requiring a deposit of at least 1/2 of a month's rent is wise.)
- 7- Sign a Lease. (To help ensure you have constant rental income!)

# *Marque My Words*

*by President  
Al Dager*

Spring has sprung; fall has fell. Summer is here, and it's hotter'n, well, not really. One of the great things about living in the northwest is the moderate climate, especially our summers. While the rest of the nation, and much of the world, is sweltering in hot, humid weather, we luxuriate in temperatures ranging from the low sixties to the high eighties, with an occasional "hot spell" of two or three days in the nineties. Perfect weather for Corvette driving and parades.

It is the latter activity that several in the Club enjoy, especially during the weeks of Seafair. And we have the distinct pleasure of providing rides for various celebrities during many of the parades. In fact, because Chevrolet withdrew its sponsorship of Seafair, it fell to CMCS to provide all the cars for their dignitaries this year. Seafair officials have gushed eloquent about how much they appreciate CMCS's participation. Without us they would have been hard-pressed to provide the rides they needed.

In this year's Torchlight Parade, Jean and I had the privilege of carrying Army Major General J.D. Johnson from Joint Base Lewis-McChord, and his wife Cheryl. Behind us marched the Army band (cool!).

Although the Club did not receive any official recognition on the telecast, over and over could be seen our Corvettes with the name emblazoned across the windshields: "Corvette Marque Club."

Another thanks to Joe Harvey and Speedway Chevrolet for hosting our August general meeting. Speedway paid for the pizzas, and provided some neat door prizes. In spite of the rain we had a pretty good turnout. Mark VerMurlen led a really nice drive from the Totem Lake Mall parking lot to Speedway. Until Ken and Jean Fiorentino showed up, all the cars waiting in the parking lot were red. Then Oran and Dee showed up just in time with their 35th Anniversary white.

While we were waiting in the parking lot, Paul Blart and one of his cohorts approached to tell us that we are not allowed to gather there. They let us off with a warning this time. I would have asked for a ride on his Segway PT, but he didn't have it with him.

Jean (my Jean) thought that having a few cars in their lot might attract some business. They should have been glad we were there.

After some early morning rain, the XXX Show & Shine and Burger Bash went well as Corvettes continued to show up when the sun began to come out. Thanks to Dennis and Lorrie Montgomery for their hard

work in planning and coordinating this special event, and to those who helped them pull it off. Someone posted a video of it on YouTube: <http://www.youtube.com/watch?v=VpSIO5787qw>. Check it out.

I'd like to welcome new member Ken Dobrow to the Club. When Ken's name came up as an applicant I was taken aback at first. We have a good friend in California whose name is Ken Dabrow, and I thought, "What is Ken doing joining CMCS? I didn't even know he had a Corvette". I was just about to give him a call and accuse him of pulling my leg when I noticed the spelling: in place of the "a" was an "o."

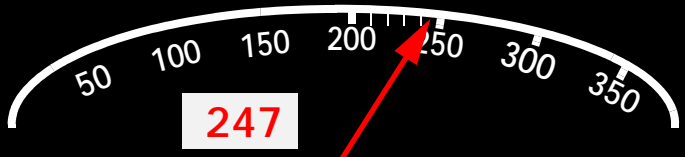

Ken DObrow (in his RED '87 coupe) joined us on the tour to Speedway.

See you at SIS! If you haven't registered yet, gitter done. CMCS should be the most represented club there. Th' th' th' that's all folks!

## The Membership Tachometer

by Jean Dager

August 7 was a beautiful sunny day for the General Membership Meeting. Especially since Mark and Cheri VerMurlen planned a great tour departing at 2:30 pm from the Totem Lake Shopping Center. Monroe was our destination and Speedway Chevrolet hosted this meeting. Speedway graciously provided pizzas and the Club supplied salad for the membership. After the meeting, Joe Harvey spoke and gave out door prizes. He arranged to have Darrin Lee, one of Speedway's top notch technicians, answer questions from the floor concerning their Vettes. Darrin's expert knowledge and experience was really appreciated.

Membership now stands at **247**.

CMCS unanimously voted to accept **Ken Dobrow** as a new member.

Ken owns a **1987 Red Coupe**.

Ken has a very colorful auto background. He's a member of Sports Car Club of America, a former crew chief for Showroom Stock, SCCA Pro, Corvette Challenge Series 1988 leaving the circuit in 1993. He's also interested in auto restoration and maintenance. *Welcome Ken!*

## **Adopt-a-Highway Cleanup - Event Report**

### ***Cleanup on the Hottest Day of the Year***

Sunday, August 15, had been chosen as our next cleanup day because it was in the month when we needed to avoid too long a gap in our efforts and because it appeared to have fewer conflicts than other days of this month or even the previous month. However, summer is busy for all, and there was the NWACC 5-Star event with autocross on that Sunday. Thus, I felt very pleased that we had nine volunteers arrive for the clean up on the 15th.

Thanks very much to **Dennis Montgomery, Bill Roberts, Mike Roylance, Lyal Schlotterbeck, Joe Showaker, Lynetta Showaker, Kevin Wilson and Steve Yabroff** (alphabetical order) for their work on this hot Sunday

morning. All except Bill were in the group that worked our previous cleanup and their continued willingness is greatly appreciated. We were happy to see Bill Roberts. He explained that he had been working a lot of weekends and had been unable to attend club events for a while, but is now hopeful that he will be able to attend more frequently.

As we started the cleanup about 10 am, the temperature was quite warm, but not too uncomfortable. However, the temperature climbed as we worked, and of course the work area on the highway shoulder was in full sun. Despite the conditions we did a very thorough cleanup. We found quite a few large metal trash objects. In addition, two volunteers each found a \$5 bill and two others found a few dollar bills. One found a nice 1/8-drive ratchet and another a useful box-open-end wrench. Also, someone found and gave me a 41-mm (just a bit tight for a 1-5/8 inch fastener) open-end wrench (spanner). I am not sure what I am going to do with this rather large piece. Later that afternoon the temperature peaked at 96 F at SeaTac, a record for all weekend days in Seattle.

## ***Disclosure Consent - CMCS Protects Your Privacy***

A great perk for any social club, such as CMCS, is the ability to communicate, collaborate and associate with other members with a common interest, which for our club, is our Corvettes. Having means to contact other members enhances the club and its social agenda.

***CMCS respects your privacy.*** Therefore the club needs your consent before publishing your personal information, either online or in the printed directory.

CMCS now has a **Disclosure Consent** form that allows you to choose the information that you wish other members to view, both in the new online membership list and in the printed directory that CMCS traditionally has issued once or twice a year. You can choose to disclose different information online versus the printed directory.

***CMCS must have your completed and signed form on file to publish or display any information except your name.***

The print date for a new membership directory is October 20th. We will distribute it shortly afterward.

***If you wish to have your contact information included, you must have your completed and signed Disclosure Consent to the Club no later than October 15th.***

See the sample form on the next page. A full size [Disclosure Form](#) is available from the CMCS Web Site at:

<http://www.corvettemarqueclub.com>

in the *members only* Downloads area. You must have a valid account. Instructions and additional information are on the form.

This form is interactive. If you can create a pdf on your computer, you can complete this form on your computer and e-mail it to

[Membership@CorvetteMarqueClub.com](mailto:Membership@CorvetteMarqueClub.com).

If you cannot create a pdf, you can still complete it with your computer, print the completed form, and mail it to the club address.

You may also print it from the Web Site, fill it out by hand and mail it.

Please do not include change information with the form, or fill out your information on the form. It was not designed for that purpose as we already have your data. The form is for permissions only.

If your data on file with CMCS needs changing, please send a separate e-mail to membership so that it does not get lost with the disclosure data.

Forms will also be available at CMCS meetings and events.

Also, if you choose to manage your *online* information yourself, indicate this on the form. *We must still have the Disclosure Consent on file for the printed directory, and to confirm that you are managing your data online.*

## Personal Information Disclosure Consent

### Corvette Marque Club of Seattle (CMCS)

A great perk for any social club, such as CMCS, is the ability to communicate, collaborate and associate with other members with a common interest, which for our club, is our Corvettes. Having means to contact other members enhances the club and its social agenda.

CMCS respects your privacy. Therefore the club needs your consent before publishing your personal information, either online or in the printed directory.

Please check the boxes below to indicate your consent for CMCS to publish your information.

**Note:** Even if you manage your online display yourself you must have this consent on file with CMCS to display more than your name in the printed directory.

This form is interactive. You can fill it out using your computer or print it and fill it out on paper.

- Note:** The member signature authorizes disclosure for both the member and spouse/associate member. The consent is for an address, not individual members.
- Note:** Both the online display and printed directories are limited to members only. Members must have a validated account for Web Site access to member information, and printed directories are mailed only to current member addresses.
- Note:** CMCS never sells or distributes the member lists outside the club. Members are reminded to never give information from the lists to any outside party without specific permission from the affected members.
- Note:** Members are not allowed to use the lists to advertise their business, organization, charity, or for any other purpose. All-member e-mails may be sent only by authorized board members for Corvette or Club related activities and information only.

## CMCS Membership Information Systems

CMCS has two independent membership information systems:

- An online system available only to CMCS members that have established an account that has been validated by CMCS Web Site Moderators.
- An address database that is computer based and is NOT online. The electronic files for this database are available only to Club trustees for Club operations.

---

### Online Membership Information

This became available with the “new” Club Web Site implemented in 2009. For members at large, it is a “Membership List”, allowing members in good standing with an established and validated account to view the information of other members by selecting their name.

It has a simple “Name” filter, but is NOT a query database at this time for members at large. At this time it cannot be used to make database queries, such as “show me all members that have yellow cars” or “show me all members that live in Redmond”.

Those members with a validated account can modify their own information and control what information can be seen by other members. **This is an “opt in” choice. By default, except for your name, information does not display.** You must choose to allow display. You may also send a request to the membership chairperson to make changes per your instructions.

---

### Address Database

This database is PC based, and is used for:

- Creating mailing covers for newsletters and other printed matter such as the annual ballots
- Birthday information for newsletters
- Creating printed directories for internal use by the membership.

It also holds event registration information for tracking, contacting and archival purposes. It does extensive queries, such as “show me all Non-CMCS addresses registered for SIS 2006”. It is the administrative database used by, and available only to, club trustees for managing club operations.

The choices you make on the *Disclosure Consent* form determine the information published for you in the printed directory. We send this directory once or twice per year, listing only member information allowed by the consent form on record with CMCS.

CMCS publishes only the member name(s) if the consent form is not on file.

# Seattle in September 2010

By Stan & Billi Trask

[Stan@CorvetteMarqueClub.com](mailto:Stan@CorvetteMarqueClub.com)

**Registration Deadline is September 2nd.**

We must lock in our Argosy Cruise count on September 3rd.

If you are one to wait until the last moment, it is now!

Registration forms and more are available on the CMCS Web Site under:

[Seattle In September - General Information](#)

Download your [registration form](#), fill it out and e-mail it. (It is too late for mail-in registrations.)

You need NOT stay at the Embassy Suites to attend the event. If you do choose to stay at the Embassy Suites we have arranged a great rate, so be sure to let Embassy Suites know that you are with the Corvette Marque Club of Seattle.

The Web Site also has a [Newsletter and Event Information](#) booklet, which contains expanded details for each activity, and much more information.

The following pages hold an SIS flyer and a half-size registration form for more information and your convenience.

Hope to see you at SEATTLE IN SEPTEMBER 2010!!!

## ***A Quick & Easy SIS Survey Question***

For those CMCS members that did not sign up for our premier event: *Seattle In September* we would like to know why. We can then modify future events to better suit the membership at large, to make it a well attended and premier event, and make it more to your liking. Please take a moment and send an e-mail to:

[SIS2010@corvettemarqueclub.com](mailto:SIS2010@corvettemarqueclub.com) with a simple statement:

**I did not sign up for SIS 2010 because:**

## SIS 2010 Event Support & Coordinators

**Parades**  
**by Jim McDonnell**  
**(425) 753-6658**  
**[Jim@CorvetteMarqueClub.com](mailto:Jim@CorvetteMarqueClub.com)**

What a parade summer this has been. So many parades in so little time. We had a great number of volunteers to make this work. We just completed the last convertible-only parade with 5 cars in the Monroe City Parade on August 28th.

This has been an outstanding year and the club publicity has been sensational, as evidenced by the Apolo Ohno photo. No one mentioned us, but as shown in the photo, we can blow our own horns successfully.

Apolo Ohno and a friend from Children's Hospital ride the Torchlight Parade in Frank & Mary Stanfield's 2008 Crystal Red Convertible.

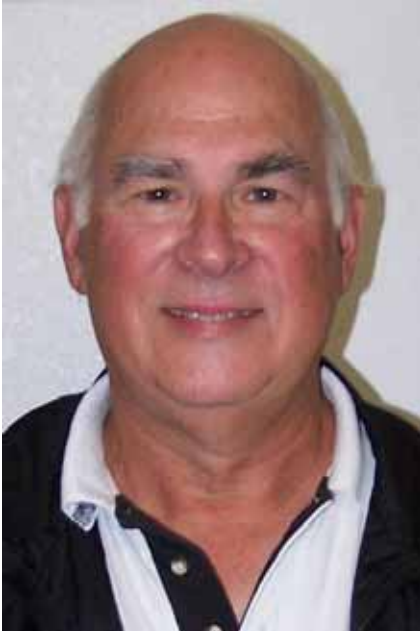

***Last Parade for the Season***

October 2nd - Sat. - Issaquah Salmon Days Parade  
All, and I do mean ALL Corvettes are welcomed. Coupes, hardtops and convertibles are welcome in this parade. We don't usually carry dignitaries but will be happy to help if the City of Issaquah wishes. Gather by 8:30 at Issaquah in the parking lot shared by Krispy Kreme Donuts, Starbucks and Home Depot. You have time to get a morning beverage or snack if you wish. We then stage for the 10 am parade. **Dennis & Lorrie Montgomery are coordinating this parade event. Please contact them if you plan to attend.**

Dennis has extended a welcome to the Tacoma Corvette Club to join us as they have in the past and Classical Glass may join also this year. After the parade, as usual, we have a no-host lunch at the Newcastle Golf Club. If you plan to attend, bring cash as that makes checking out much easier and quicker. They do handle credit cards with ease.

## **CMCS Special Recognition - Jim McDonnell** **Member of the Month for September 2010**

The Board, at its July 8th meeting decided that some CMCS members deserved special recognition for the extra efforts they have made on behalf of the Club. They have and often continue to work in the background to facilitate on-going and special events that we all enjoy. Because the Board Members already receive some recognition, they are not eligible for this program. At its monthly meetings, the Board will select a CMCS member who has made outstanding contributions and there will be a write-up in the monthly Newsletter as well as special recognition at the monthly General Meeting.

The Board recognizes that initially, there may be a backlog of deserving members, but we hope to give special recognition to each deserving CMCS member and show our appreciation for their support and all they do for us in the Club. As a CMCS member, we would appreciate you also thanking the CMCS members singled out for this special recognition. You may remember, last month the Board recognized Mike Roylance.

For its second selection, the CMCS Board of Directors has chosen Jim McDonnell, CMCS Parade Chairman, as our "Member of the Month" for September. Jim has been "Mister-go-to" for all those groups needing America's most iconic car in their parades. Some venues need convertibles to showcase their politicians or local beauties. Other venues simply need the "spectacularity" of Corvettes to make their parade more memorable. And it's not for just one or two parades a year. No, it's for 12 parades per year, needing anywhere from as few as three cars to as many as 30!

In all cases, Jim puts out the call for the requisite number of Corvettes (Coupes or Convertibles as needed) and we all get to represent CMCS and show off our gorgeous cars to the onlookers. Typically, Jim also sets a breakfast or lunch prior to, or after the parade so we have a

chance to enjoy some time together, too. Jim has been doing this for the Club for many years.

Jim's dedication to the job as Parade Chairman has been exemplary. This year's parade season presented exceptional challenges because Chevrolet decided not to sponsor Seafair, and pulled out as Seafair's provider of Corvettes. Thus, Jim was asked by Seafair officials to provide all the Corvette convertibles to carry their dignitaries. Last-minute changes in the number of needed Corvettes added to Jim's burden, but he came through with flying colors.

In addition to the numerous Seafair parades, Jim provided Corvettes for the LaConner Tulip Festival parade, and will also be providing them for the upcoming Monroe parade and Issaquah Salmon Days parade.

Jim's cheerful demeanor and organizing skills make it a pleasure to be a part of his parade activities.

For those of you who have been members for a number of years an remember the late Dick D'Alessandro... Jim and Dick are cousins!

It is our pleasure to extend our thanks to you, Jim, for your help and support of CMCS. We really appreciate all that you do for us.

Here's to you...Save the Wave!

## **CMCS General Meeting Minutes**

**By Mary Stanfield**

**August 7, 2010**

**Speedway Chevrolet - Monroe**

The meeting was called to order at 4:05, by our President, Al Dager.

**Secretary: Mary Stanfield** There was one correction to the published minutes of our last meeting.: In the report for community service, "at the last clean up" is changed to "at a previous cleanup a \$50 Pottery Barn gift card was found ...". The July 4th minutes were approved as corrected by a majority vote of members present.

Al Dager reported for Steve Yabroff and Bob Renner, who were out of town.

The club has two radios available at this meeting.

The treasury is solvent, bills have been paid, and School Daze expenses have been covered.

Gary Main spoke about the August 28th Vette Rides for Veterans, asking for an RSVP for a count on how many members/cars will be going from CMCS. (There are several events scheduled on this date.) Al encouraged members to participate, as the veterans do love the outing and attention this ride provides.

**Membership Chairman: Jean Dager** announced that we currently have 241 members.

She introduced Ken Dobrow, who has applied for membership. He has an 1987 red Corvette which has been in his family for 18 years. Ken works for Boeing. He has been involved in racing. A motion was made, seconded, and unanimously approved to accept Ken as a new member.

**Activities Chairman: Mark VerMurlen** reminded members to check the newsletter and website for the many activities coming up in the next months:

- Next weekend includes: Classical Glass Five Star Classic and August 15th Adopt A Highway clean up,
- August 22nd is the XXX All Corvette Show and Burger Bash.
- The wine Tour Dennis and Lorrie Montgomery have organized will be August 27-29
- Seattle in September 10-12

**Public/Community Service: John Thomas** would appreciate more volunteers. He will e-mail directions. The group will meet August 15th at the north Metro base.

**Newsletter: Oran Petersen:** The September issue will feature SIS for the cover. Members' cars and bios are needed for future covers.

Oran presented information about the CMCS database and directory. With regard for security and privacy issues, we now will use a disclosure consent form giving choices for what information each member would like to be listed in 1) the member/password protected website pages and 2) a printed directory mailed to members. Both of these are for members' use only. Please fill out and sign the consent form by the end of September. The form may be sent to Jean Dager. An October publication of the printed directory is planned.

John Thomas added his encouragement for members to include information for communication as well as getting to know each other.

**Communications: Lorrie Montgomery** asked if all members were getting the member e-mails. Call Lorrie if you're having a problem.

**Charity: for Marty Cameron,** Al asked if members would be interested in supporting a Coast Guard Auxiliary project involving sewing and/

or providing items and packing Christmas stockings for homeless children. A question was asked about how many stockings this would involve. We will look into this.

**Apparel: Bonnie Roylance** has club jackets for sale. There are also hats for \$10, short-sleeved t-shirts which are priced at 2 for \$10 or \$8 each. New offerings include long sleeved T shirts with club logo (unisex sizes small through XXXT) for \$20 and polo shirts with club logo for \$30.

**Parades: Jim McDonnell** There were 16 Corvettes in the La Conner and Bothell parades. CMCS convertibles carried Seafair Scholarship winners with: 6-8 cars in Kent, White Center, West Seattle, the International District, and Magnolia parades. 28 Corvette convertibles were in the Torchlight Parade. There were cars from 2 other clubs joining us. There will be 2 more parades: August 28th in Monroe and October 2nd in Issaquah.

Note: Jim was named "King of the Realm" by the Seafair organization. Dennis and the membership thanked Jim for a terrific job working with Seafair and all the varying requests that were made (and changed at the last minute).

**SIS / Seattle in September: Stan Trask** is counting down, 34 days to SIS. It's in the final preparation stages.

- There are 72 cars registered, which include 136 participants. Of those 48 are CMCS members, 88 are non-members.
- There has been a schedule change for the Saturday morning show & shine. It will be held from 8:00-noon at Factoria, and followed by the Poker Run which will end at the Embassy Suites.
- The schedule for Friday night includes the Hawaiian theme reception, duck, and valve cover races, and Sleepless in Seattle. Saturday will feature the Show & Shine, poker run, bus ride to the boat - tour and dinner. Sunday's conclusion will have a slide show, awards, and raffle winners.
- You can still contribute a basket for the raffle (or money for one).
- Registration forms are available from Stan and on the web site. Please participate!
- The Embassy Suites management is appreciative of our business and would like to be a part of car club events in future years.

**NCRS** - this includes models from 1953 - 1986. The next judging event will be in Bend, Oregon.

**NWACC** - Tim said that they had an excellent event in Portland last week. There will be an auto cross on Sunday.

**NCM / National Corvette Museum** - we're encouraged to view the website to check out the items for sale.

**Lorrie Montgomery** provided information about the following two events.

- August 22nd XXX All Corvette Show and Burger Bash - there will be a different edition of the mini root beer mug for entering the show
- August 28th the Wine Tour will start at XXX in Issaquah and stop at wineries in the Richland and Walla Walla areas. Although the Hampton Inn in Walla Walla has released rooms being held for CMCS, there are still reservations available. Ask for CMCS rates. They also have discounts for AAA and AARP.

***New Business:***

Al explained that the club would like to have a member or members who could manage advertising - for ads in the newsletter. We would like to have someone recruit and handle advertising accounts. Please let him know if you're interested in helping in this capacity.

Honoring our Member of the Month:

Mike Roylance is recognized for the work he has done with the membership appreciation picnic, help with the budget, and support of CMCS. Thank you, Mike. We appreciate you!

50/50 - \$154 was collected today. \$77 went to the raffle winner, Leon Browning, \$77 went into the scholarship fund.

Speedway Chevrolet has been generous to CMCS. In hosting our meeting tonight, they are providing pizza and drinks.

Joe Harvey was introduced and spoke to the group. He introduced Darrin, a Corvette technician at Speedway, who answered questions from members.

- Joe noted that a clear coating on front lights of the C-6 may be worthwhile, as he recently found that replacing the glass covers cost \$1000 each!
- Winterizing recommendations were made.
- Do check on recalls either online or by calling.
- There was a raffle for several Corvette items.

The meeting was adjourned at 5:30 pm.

CMCS Secretary, Mary Stanfield

## **Laps From the Past or “Marque in Time”**

*A CMCS history feature by Ben Benninghoff*

**40 LAPS AGO: September '70.** The monthly meeting was held at the home of Howard Esping's father. WWSCC's meeting took place without any resolution due to lack of a quorum. Discussions of autocross sites revealed shortages of available sites. Their plans on creating a newsletter was dropped as well. A telephone recording set up was discussed, and some members want to look at by-law changes to allow anyone on a competition committee cannot be a council rep at the same time. John Thomas is seeking suggestions on a shop that might put on a fashion show for our club meeting, and, other ideas for programs for meetings. The beach party was a tremendous success, many thanks to John & Maralyn Thomas. Ginger Molow read an invitation to a press luncheon at the Hyatt House for drivers in the Trans-Am. Jeff Weymouth was elected to attend for CMCS. Frank O. passed out some information on several up coming events, such as two rallies, one here and another in Spokane, a car show in Portland, the Trans-Am race & autocross in Portland. Several other activities for the up coming months were also discussed. Diane Phelps and Dick & Mary Elmsly were voted into full membership.

**30 LAPS AGO: September '80.** President Bruce Kelly gets the monthly meeting started at the home of John & Cece Nelson. After the minutes were approved everyone attending took a moment and introduced themselves. Wendy Hodges reported on WWSCC business while John Nelson did likewise for NWACC and NCRS. Jan Cockrum will take over membership for the remainder of the year as Howard Esping is getting a job. Frank LaCato almost passed but failed to jump through the final hoop towards being granted full membership due to a paperwork foul up and has to wait until next month. Jan Cockrum notes newsletters from other clubs are available for anyone to read them. Samples for two different Corvette emblem latch hook rugs are on order. Len Hodges reported on the Snoqualmie Falls breakfast & tour. A tour to Leavenworth's Oktoberfest has been scheduled, as well a Progressive Dinner in November. Cece Nelson thanked Bruce Kelly for filling in last month as President while Bruce was on vacation on his European bicycle trip. Jan Cockrum will attend a meeting at Fort Flagler for bidding on future dates the club wishes to schedule to use the facilities. An all Corvette drag function was discussed for next summer, or a possible sports car race at intermission; perhaps a swap meet included as well. Frank O. will have a slide show at the next meeting of his European adventure. Thanks went to John & Cece Nelson for using their home for the meeting, and for the wine and desserts.

**20 LAPS AGO: September '90.** President Cloyd Jackson started the meeting in the Columbia Winery Patio. Dee Esping presented the membership report

and apologized for the accidental omission of the Lazaroffs from the recent roster. Numerous prospective members have submitted applications, but not enough hoops were available for all to join, maybe next month. Kayla Main reported that the Spider Meadows outing was a good trip. John Nelson recommended that reservations for next summer's NCRS National at Disneyland be made soon. He will lead a tour from Seattle. John Sinnar reported the Bayside Driver School was very well received; he will try for more publicity next year. Unger's sale of Western Corvette Supply to Steve & Paul Johnson was reported.

**10 LAPS AGO: September '00.** Howard Esping's 1959 Turquoise/White 427, 40% alcohol & gas dragster, and, Sharon Newman's 1994 Dark Red Metallic Coupe share cover art for the month's newsletter cover. President Jan Cockrum starts the meeting at Alf's Pizza in Lynnwood. Ben & Maurice Crist are voted into membership bringing the total to 224. Activities are posted in the newsletter. We are still short a host for the Halloween Party. Roger Smith is looking for someone going on the Cascade Loop trip that wants to trade rooms as he has only a twin bed reserved. Adopt-A-Highway looks good, next scheduled date will be in October. NCRS end-of-year party in September 16-17. Jim Micus reported NWACC is in trouble, the board officers are burned out and replacements needed, clubs need to schedule events to support NWACC. If the club is forced to shut down then CMCS will lose their source of insurance for club events. Bob Barnott volunteered to step up and represent CMCS. WCCC's next meeting is on the 5th. Jan and the general members thank Cloyd for arraigning John Cafaro to come to our meeting and the Seaview Show n Shine last month. Gary Main gave an update on our Seattle in September event. Bob Barnott asked for volunteers to show cars at Issaquah Chevrolet as a favor for supporting SIS. Barbara Jackson mentioned September birthdays and everyone sang happy birthday, well, as well as pizza n beer would allow.

**5 LAPS AGO: September '05.** Bill & Laura Preston's 1966 Red roadster graces the newsletter's cover. Quite a story is attached with their purchasing the vehicle in 1999 out of Alaska from an ad Gary Main noted from a Fairbanks daily newspaper that noted "powered by a new BMW engine and 5-speed, needs interior finished". After a 2 ½ year restoration project, the Corvette is once again pure to its original form. President Rick Milsow conducts the business for the month at the Totem Lake Mall Old Country Buffet. New members voted into full membership were; Genie Holt & John Henderson, Laura & Jeffery Jensen, Deb & Tim McGuire, Marien & Mike Ketola, and, Chad & Diane Gudjonson, bringing the membership to 302. Tours to Paradise, a Wine tour, and the Cascade Loop tour were all well attended. Newsletter editor Oran Petersen needs cover art of member's Corvettes and the owner's bio's for future publications. Lyal Schlotterbeck is temporarily storing CMCS gear. The Charity committee bake goods and craft auction is scheduled during the annual Thanksgiving buffet. Members need to remember this function is the main income for our Charity committee towards supporting community outreach projects. NWACC notes two remaining autocrosses for

the year. The Board officers will be reviewing the club's insurance package and report to the membership of its findings at the next monthly meeting. Rick Milsow and Gary Main will look into whether Seaview Chevrolet will install a trophy case in their showroom, and what their coupon discounts cover that are in the monthly newsletters.

NOTE: Making up for last month's missing cover art are the following:

August 2000: Carl & Sharon Neuswanger's 1978 L-82 Anniversary Silver & Medium Gray Metallic Coupe

August 2005: Bill and Marty Cameron's 2000 Bowling Green Coupe, a Canadian model reflecting 300 mph on the speedometer (ok, really it's in kilometers, but that's still pretty cool!) Ben - - - more laps to come...

## Advertising Rates (Classified and Commercial)

Classified advertising must be Corvette related.

Commercial advertising must either be Corvette related or must be associated with the business/professional activities of a Club member or Club sponsor.

Personal item, non-commercial ads, up to 1/4 page, are free to members for a maximum of 3 months. Over 1/4 page is one-half of the rate for non-members published below. The 4th and subsequent months are at the full non-member rates published below. The fees must be paid in advance to the Club Treasurer.

Non-member personal item advertising, or member commercial rates

- Up to 1/4 page \$5.00 per issue
- 1/2 page \$10.00 per issue
- Full page \$18.00 per issue

Non-member/non-sponsor commercial Corvette related advertising rates are:

- Up to 1/4 page \$10.00 per issue
  - 1/2 page \$20.00 per issue
  - Full page \$40.00 per issue
