Butch has wanted a Corvette ever since High School, but always felt they were only for rich kids. He liked the Sting Rays. That's Butch's style.

I also liked Corvettes but never said anything. When Butch would bring up having a Corvette, I would think to myself WHY NOT?

We purchased our 1986 Signet Red Corvette Coupe in September of 2010.

We contacted CMCS shortly after the purchase.

Prior to joining we participated in the Salmon Days Parade and met some very nice club members.

We received a big welcome as visitors at the club meeting held at the Buzz Inn and also enjoyed the tour after the meeting.

The following month we became club members. The Vette fever has begun. After test driving a newer Corvette we knew another one was coming.

We purchased a 2004 Spiral Gray Coupe in May of 2011. This was one of the best things we have done! She drives so nice & we love the heads up display on the windshield. Just can't get over this feature.

The first function we did with our new purchase was the Vettes for Vets in June. What a fun experience that was.

The 50's tour was also a lot of fun, driving roads in remote areas in the rain.

Both of us are looking forward to the many fun functions to come in our 2004 Corvette.

Marque My Words

*by President
Steve
Yabroff*

Well they say that Summer doesn't really start in the NW until after the 4th of July. But starting with July 2nd's Car Corral at the Historic Car Races, the weather has been terrific for our events.

Then our 4th of July picnic came with GREAT weather too, and the legions of Mike & Bonnie Roylance's assistants helped put together a warm and delightful day. Vittles included hamburgers, hotdogs, polish & brat delights too. Winners of the Cake contest were Richard Worthen for the best looking Cake, Mona Cox for the Best Cake Mix, Kim Quenzer for the Best Frosting, and Candy Turi for the Best Overall cake. Congratulations to the winners and thanks to all the entrants.

The following weekend Dennis & Lorrie put on the fabulous 2nd Annual All Corvette Show & Shop 'Til You Drop event, hosted by our super CMCS Sponsors, Lee Johnson & Speedway Chevrolet. A great event, and some superb Corvettes on display, including a rare 2009 commemorative Z06 GT1, a rare green '57 Fuelie, etc. You had to be there to appreciate them all.

Then on July 16th Kayla Main and Marty Cameron (with the help and support of their dearly beloveds) put on the Drive -Eat - Eat - Drive - Eat event. An all day blast of what we all like to do--Eat'n Drive.

And don't forget the Seafair Parades that have been going on.

Then just after this column was written, we had the School Daze event, where yours truly learned how to DRIVE. This is the opportunity to really see how your skill measures up to your Corvette's skill. In my case, the Corvette is much better...but I'm learning.

And there are events every weekend in August too. Starting to get a theme here? We're in prime Corvette event season and there is more to come; just check out the Upcoming Activities page and join us for a good time!. If you are not participating in these events YOU ARE MISSING OUT! Now is the time to get your Corvettes out, let 'em run, and smooze with all these other Corvette enthusiasts.

Enjoy the Summer and save the wave.

Vettes For Vets - Event Report - June 4th

by Marty Cameron, Charity Coordinator

Editor's Note: This report got lost in e-mail and therefore did not make the July issue, which contained photos but no text.

What a wonderful sunny Saturday. Everyone took the tops off of their cars for the Veterans to enjoy the SUN! There were 15 cars that met at Fry's Electronics in Renton. Traffic wasn't too bad till we tried to exit I-5 to Highway 16 but with all the weaving and maneuvering we all arrived safely at Buck's A & W for a quick lunch. This is where we met up with Glass Odyssey CC to make a total of 21 cars. Upon arriving at the Veterans Home we found them all lined up and waiting for us. One gentleman was so eager he picked his car right away, red of course (Gary R.) and sat patiently for about 20 -30 minutes till all the other cars had passengers. Thanks to Ada Hawks and Jean Yabroff for sewing the lap blankets. I overheard a veteran in a wheelchair saying "o-boy, I hope I get a new blanket". As a group we had many cars filled with gently used clothing for men and women along with CD's, DVD's, magazines, books, puzzle

books, popcorn, and many other items. We over filled 5 carts with these items which are going to be greatly appreciated by the men and women who defended our country so many years ago.

Thank you for attending and sharing this day at the Veterans Home: John Eames, Butch and Carol Feveryear, Jerry Harper, Dennis and Lorrie Montgomery, Darryl McGill, Joe Powell, Tim and Hilary Quenzer, Dave Rayner, Mike and Bonnie Roylance, Gary Rozmierski, John Thomas, Stan and Billi Trask, Mike Westbrook, and also a non-member Pete Caputo. You all helped revive plenty of car memories and put smiles on all their the faces for days to come.

Summer is just around the corner...

Enjoy the Ride... and Remember to Save the Wave!

Drive-Eat-Drive-Eat-Drive-Eat - Event Report

by Marty Cameron, Charity Coordinator

Meeting time 7 am. Wow that's early! A brave 8 appeared at the Redmond Family Pancake House to enjoy breakfast. Craig and Candy Turi showed up for the driver's meeting and off we went on our all-day driving tour.

We arrived in Conway a half hour earlier than expected for lunch, so we had time to roam around town, visiting the local shops and antique stores, until it was time for lunch. We all moaned and groaned as menus were passed out and the waitress asked what we would like to order. But as I looked around when we were done eating, every plate was close to empty! Dennis and Lorrie Montgomery showed up for lunch. Then Kayla Main and told to get ready to put the pedal to the metal, as the roads were going to get "fun." And fun they were. Nothing like enjoying a

curvy, windy country road in a Corvette. Needless to say there were a few more potty stops added to this tour! The weather started clearing up.

Dinner was up next. Again I heard the same moans and groans, but the menus were passed around again. Plates emptied and we now were ready to tackle the last part of our tour.

We drove to the Yabroff's for dessert. Kayla Main, Marty Cameron, Candy & Craig Turi, Gene Kinnunen, Steve Yabroff, Fran Bedard & Gary Rozmierski, Dennis & Lorrie Montgomery and Jack Goodman & Claudia Simmons arrived at 6 pm to again EAT and devour the strawberry shortcake and enjoy talking about our long day.

Thank you to Kayla Main for all your time in making this charity event successful.

Parades
by Jim McDonnell
(425) 753-6658
Jim@CorvetteMarqueClub.com

By the time you read this most of the parades will be over. We have had a good season and were able to put about 25 cars in Torchlight parade. We were joined by some members of the Tacoma Corvette Club and Tacoma's Classical Glass.

I want to thank all the members and others who have contributed their time and energy to making "parades" a workable community service.

Laps From the Past or “Marque in Time”

A CMCS history feature by Ben Benninghoff

40 LAPS AGO: August '71. The Board of Directors monthly meet was held at the home of Dee and Howard Esping. Frank Diss is the club's editor of our monthly newsletter but he is looking for an assistant to help out. There was a late-month tour to Okanogan. Membership stands at the present level but one prospective member is qualified to be voted in at the next meeting. The ordered walkie talkies will be here next month. *(Note: the above mentioned*

occurrences were recorded from the Board Officer Monthly minutes and from OYM newsletters I have in my possession. There are no General Membership Meeting minutes in the club's histories for the month of August 1991. There is some precedence of a history of this occurring in the Month of August in the club's early years where no club meeting either did not take place formally, or, were not recorded for posterity. In these cases I must rely on other sources at hand. This is true as well with the December Board Monthly meeting being dispensed with in the late years of the club with respects to the holiday family commitments for all our club members. Whenever I must rely upon available Board Meeting minutes to mention here, I will only record generalized mention of club 'activities' and will not post details of our club's business the Board Officers discuss amongst themselves for the betterment of CMCS. All your club's Histories are available for personal review by all members in good standing per a request of such to the Board for approval - Ben)

30 LAPS AGO: August '81. Vice President Cece Nelson fills in for the absent President Ernie Kahler and gets the monthly meeting started after lunch at The Flame Restaurant in Kirkland. A good selection of events around the Puget Sound region took place; Tour to the NCRS 12th Vintage Corvette Picnic at Rainbow Falls Park, Seafair Torchlight Parade seeing 16 Corvettes participating from our club, Parking Sessions & SIR for Funny Car Drags, NWACC Rally & Autocross at Vancouver WA, CMCS General Membership meeting & Brunch at The Flame Restaurant in Kirkland, SCCASports Car Road Races at SIR, and, the All Corvette Drag Race & Swap Meet at SIR. Frank O reported on last month's bicycle 'weekend long' outing at Fort Flagler from a story in the monthly OYM newsletter. Membership chair Jan Cockrum reported that there are a total of 96 members after Kemp Frazer was voted into full membership. A newsletter article forwarded 'by love from Bruce' entails the start of an incredible odyssey undertaken by Bruce Kelly of a bicycle adventure in London, England and the country side, then catching a ferry to France and beginning his own

Tour d' France homage while trying to understand strange roadside markings, like "cul de sac..." Bruce ends his first report mentioning he 'wished he had Frank O's legs, but, then again they weren't as pretty as his own.'

20 LAPS AGO: August '91. President John Bell provides the leadership at Rose Eckenbergs home in Lake Stevens to celebrate the club's annual Summer Barbecue and General Membership Meeting. Dee Esping noted membership at 101. Gary Main reported the upcoming club activities; Majestic Glass car show in Anacortes, the Beach Party at the Eckenbergs, NWCA All Corvette Cruise-In, Car Show Grand Old Days in Auburn North, a Tour to Mt. Rainier, Western Corvette Supply's Fall Show n Shine, NWCA Corvette Challenge weekend, and a NCRS car show at the Columbia Winery. Volunteers are being solicited to take over as Activities Chairperson, Dee will head up the Christmas party organization, John Thomas is handling the NWACC Banquet held at the Silver Cloud Inn in Renton, catered by Renton Vo-Tech with a Rallye in the afternoon, John Paul Nelson III reported a good show at the Greenwood parade last May 31st, and the Woodinville Wine Festival is scheduled for September 15th at Columbia Winery and we will combine that event with our monthly meeting. John Thomas, newsletter editor noted that he is going to drop the expanded format in favor of meeting the 1 oz. postal rate to save mailing costs of our newsletter. The Club received a thank you letter from the National Corvette Museum for our purchase of a commemorative brick, Cruzin' Magazine is organizing a Western Washington Council of car clubs to protect the interest of automobile enthusiasts, kick off meeting was held on the 21st as John & Cece Nelson attended as our representatives. John Bell thanked the Eckenbergs for hosting the day's event, and for the "free entertainment"; don't ask as you needed to be present to understand. Rose said she built a china cabinet in her living room for her Vette if she couldn't drive it anymore. A two page article in the newsletter reflects Touring Etiquette guidelines; reprinted by E. L. Kahler from October 1974 (these can be reprinted here upon request- Ben), and another article on the VH-1 giveaway contest of 56 Corvettes, one for each year of production, the winner, Dennis Amondeo of Santa Clara didn't even own a garage, sold them in total to a Peter Max, an artist who planned to restore them to original condition, then repaint them in 60s psychedelic colors from hand painted models that may have to be reclassified to meet NCRS standards.

10 LAPS AGO: August '01. Loren & Verlene Sawyer's 1958 white with red coves roadster is featured on the newsletter's cover. President Jan

Cockrum gets the monthly meeting started at Western Corvette Supply in Lynnwood, with guest speaker Jodi Fordahl talking about the Autocrossing sport from 20 years of experience and holding 4 National Championships, and an instructor for Evolution Autocross School. Gary Main reported on the club's Treasury for Dick D'Alessandro. New members voted into membership were Kevin & Judy Jewell, Jim McDonnell, John & Cynthia Lucke, Don & Chris Berry, and, Rick & Peggy Middlebrook, bringing the total to 273. Club activities included the W.O.W. weekend tour to Cannon Beach, Oregon, joining others at the 14th Thunder in the Mountains in Whistler, BC, attending the Seafair GM Hydroplane Races, NCRS NW Chapter meet in Bend, Oregon, The 2nd Good Samaritan Foundation car classic meet in Puyallup at the Four Sisters, a Mystery Rally to Mt Hood, Oregon, the 5th Annual Corvette Club's Show n Shine at Seaview Chevrolet in Lynnwood, the 11th 5 Star 2001 with Classical Glass of Tacoma at the Emerald Queen Casino, the 8th Annual Take Me Out To The Ball Game with FrogStock 2001 night at the Everett Aquasox stadium, Majestic Glass's Corvette show in Anacortes, the Wild Wild West Vette Fest in West Yellowstone, Montana, and the Open House at LeMay in Parkland, WA. Parades attended were in Magnolia and Lake City. Rick Milsow writes an article for the newsletter on his trip back to St. Louis and the birth place of his '66 Corvette, and another from Gary Main; In Memory of Roy Robinson, a past club sponsor from Marysville who passed away last month from cancer. Club Secretary Jane Shimanek places an ad in the newsletter's Classifieds; CMCS Secretary's notebook missing with meeting minutes prior to 1999, both general & Executive minutes which are not published. On a more positive note two pictures are printed in the newsletter noting the long lost President's Trophy reflect the trophy finally showing up on both doorsteps of the Cockrum's home. But wait, oh no, no one's home, so off it goes again...

5 LAPS AGO: August '06. Bob & Jo Spurr's 1994 LT1 6-speed White Coupe with only 28,128 miles on it is featured on the newsletter's cover. President Gary Main gets the monthly meeting started after a round of pizza at Alf's in Lynnwood. Membership stands at 298, Activities included the 10th Annual Seaview Chevrolet Corvette Show n Shine in Lynnwood, a cleanup session for our Adopt-A-Highway event with a follow up of bbq and boxing up the collections of items to be mailed to soldiers overseas as part of our Support The Troops project under the Charity Committees program; 284 pounds of magazines, candy, toiletries are gathered up and packed into 23 Priority Mail boxes and 4 ground mail boxes filling up Ben's Blazer to

be delivered the next day; thanks go to the Mains, Dagers, Mona Cox & the Jewells for assisting, Gary Main's newsletter article note Shoreline Community College receives a new 2007 Corvette donated from GM for the Professional Automotive Training Center. Pictures of the Magnolia and Lake City parades are published in the newsletter. Dennis Montgomery writes an article for the newsletter noting of each day's events for next month's SIS 2006 event. Another article notes the Adopt-A-Highway program has been renewed with the state through February 2008. Rick Milsow noted 53 registered cars showed for the School Daze event at Pacific Raceways even though it rained a little, all had a great time. The last parade of the year was the Salmon Days Parade in Issaquah. Gary reported on his trip to Alaska, taking the donations collected from CMCS for their Ronald McDonald House Charity Drive; \$1,505.00; the event raised a total of \$22,600. Rick Milsow noted that next month's meeting he has secured a gentleman that was a WWII B-17 pilot who was shot down and captured as a POW, right out of the movie The Great Escape, and will share his experience with the club

If you host a CMCS sponsored event and do not post a follow-up report in our On Your Marque newsletter, chances are no one will ever know about it in the future as I scour the club's histories for events and happenings like those above; if your story isn't in the histories, it won't be revealed here for all's enjoyment- Ben
