**Look who's turning 50!
We all will be - CMCS that is
Save August 17, 2013
for a CMCS 50th Anniversary event**

Cover Car - Oran & Dee Petersen's 2003 Electron Blue Coupe

My mantra for years concerning our 1988 35th Anniversary - it is actually three Vettes: *First, Last and Only*. We have owned it for over 19 years now. Well so much for that! In May of 2011 we bought the "blue one", which also has anniversary badges, for the 50th, although it is not the red "Anniversary" model. All 2003 Vettes have the badges.

We justify the purchase in several ways:

- We have always wanted a blue car
- Reliability (got weary of fixing the white one)
- Dee's broken leg, causing mobility and driving issues with the C4
- Six-speed manual, quieter, comfortable & roomy, better mileage
- Reasonably priced.

Another plus for me is that Dee is edgy about driving it, having made only one solo, so it is all mine most of the time! Besides, the plate on the white one is DEE TOY, which refers to the car, not me, so that makes the blue one *Oran's Toy* by default. Right?

This car is a driver for us. It is not afraid of the rain, and you are not going to see it displayed at car shows.

The combination of the manual transmission and high ratio differential option gives us great mileage. Two days after bringing it home I drove it to La Grande, in eastern Oregon, an 800 mile round trip. I finally fueled at 500 miles, certain that the gauge and totalizer were not working correctly. 31.5 MPG confirmed!

The white one officially becomes an antique this year, and will be reserved for occasional shows and special trips.

The blue one will see standard service, wash & wax, light detailing and lots of driving.

A View Through The Split Window

*by President
Stan Trask*

Having written this month's article in advance of the Holidays to meet Newsletter deadlines, I am making the assumption that if you are reading this, we all survived the December 21st end of the world. With that in mind, I suppose it is time to move the calendar forward, ring in 2013 and decide how to pay for all of the things I bought with the thought in mind that the Mayans must certainly know what they were talking about!

Before we get started on 2013 however, I would like to thank Ken and Joyce Jones for all of their efforts in putting together our annual Christmas Party and General Meeting that was held on December 8th at the Everett Golf and Country Club. What a GREAT event and first class venue for this year's event with a wonderful buffet meal of Prime Rib and Salmon. 60 plus members attended the event and were on hand to help congratulate this year's recipient of the Frank Olsheski Award, Jim McDonnell. Congratulations to Jim and many thanks for all he contributes to CMCS and his support of the club! December also marked the annual CMCS charity donations with donations being made to Toys for Tots, Frank Love Elementary School in Bothell and Eastside Baby Corner in Issaquah. All 3 groups were VERY appreciative of the donations made on behalf of all CMCS members.

Moving on to 2013, nominations are now being accepted for Board Officer Positions for the 2013 / 2014 year. This is your chance to get involved with your club and make a difference. If you have an interest in running for a Board position, please see our Vice President Lorrie Montgomery or any current Board member as soon as possible! February 2013 will be a very busy month for CMCS as we will hold our annual Club Officer nominations at the February General Membership meeting on February 2nd and the following weekend on February 9th and 10th CMCS will host a booth and hold Valve Cover Races at the Puyallup Corvette and High Performance Swap Meet. Once you have taken in the Valve Cover races on Saturday, stop by the CMCS booth and say hi! We will be there promoting CMCS to prospective club members and fellow Corvette owners. Also in February on the 22nd through 24th you don't want to miss our 48th Annual Wet Weekend! This year's rendition will be held at the Polynesian Resort at Ocean Shores and is shaping up to be a great event. Complete details on the upcoming Wet Weekend can be found in this Newsletter.

Last but not least, I would like to remind you to consider supporting our wonderful club Sponsor's, Lee Johnson Chevrolet in Kirkland and Speedway Chevrolet in Monroe whenever you need service or parts for your Corvette or when it becomes time to look for that next Corvette!

I look forward to seeing you at the Puyallup Swap Meet and Wet Weekend!
Until next month - Keep the shiny side up!

Stan

Discount for CMCS Members

Coordinated by Steve Yabroff

CMCS members are being offered several items at a substantial discount.

1. The 1953-2013 Corvette Black Book, which has facts and specifications on every year Corvette produced through 2013, plus production figures through 2012. This normally retails for \$19.95 + tax, and is being offered for \$9.98 + shipping.
2. The 2013 Corvette-a-Day calendars normally they retail at \$14.99 + tax. But the publisher is making a special offer to us for \$6.00 + shipping.
3. And the new book, Corvette--Sixty Years, normally retailing at \$50.00 + tax is being offered to us at \$25.00 + shipping.

The actual shipping cost on the order will be prorated between the buyers and any overage will be refunded to you.

Steve Yabroff, our Past President, is again coordinating this special offer for CMCS members.

You can contact Steve in person, at (425) 486-4458 or at PastPresident@CorvetteMarqueClub.com.

Club Radio Bandwidth Change for 2013

by Oran Petersen

A few months ago we mentioned that the FCC is halving the bandwidth for frequencies in the business class spectrum that includes our CMCS club radios that we use for tours, effective January 2013.

Bear in mind that the club frequency is not changing, just the “channel spacing”. All club radios sold by the club for more than the past 10 years have selectable channel spacing in our chosen frequency. Most club radios are likely set to HI=25kHz to assure optimum audio quality with older units. But to comply with the new FCC rules, we must change them to LO=12.5 kHz.

If you wish help with the change, bring your radio to a general or board meeting (or social at the Plum) and we will help you or do it for you. Like all such tech stuff, it is simple once you know how.

For you DIY folks that have the RDU2080d units, the instructions are on page 42 to enter programming mode, and on page 44 to change the bandwidth to LO if not already set.

Abbreviated instructions for the RDU2080d are:

- With radio off, hold down both the PTT and the small round button (SB1) just under the PTT and turn on the radio. (Do not release the buttons until the beep (The Channel indicator flashes on the display.) You are now in programming mode.
- Short push the PTT (or Menu) three times to select the bandwidth programming mode. The display shows BW and either LO or HI flashing.
 - If LO you are done. Just turn off the radio.
 - If HI, push the + once to change to LO, and long-push the PTT until the radio beeps. You are done. Turn off the radio.

The older XTN series is similar: (read the procedure above first)

- Use PTT and Mon to enter Prog.
- Move to “b” with the menu button
- Use + to set to LO if necessary and long push the PTT.

The older Spirit MU2 radios (no display) are not legal for transmitting in 2013, but can be used as receivers. The audio quality may be somewhat diminished, but they will work as receivers fine.

Wet Weekend - February 22-24, 2013 - 48th Annual

This is our traditional winter get-away *"Wet" can mean a lot of things!*

Wet Weekend is our first official tour of the year, and everyone is always anxious to get out on the road after the long winter. Rain or shine (and many times the sun does shine in February), we'll have a great road tour to Ocean Shores.

Lodging

We'll be staying and playing at the **Polynesian Condominium Resort**. 615 Ocean Shores Blvd., Ocean Shores WA. A block of rooms has been held for us until January 9th. **Discounts: 1 night 20%, 2 nights 35%.**

Call now for reservations: **(800) 562-4836**

Be sure to let them know you are with the Corvette Marque Club of Seattle.

Friday Caravan to Ocean Shores

For those who can escape early on Friday and want to go with the Corvette Caravan, departure will be 9:30 am from the parking lot of Fry's Electronics just off I-405 in Renton.

Friday Dinner at Ocean Shores

We'll have our traditional "Spud Feast" around 6:30 pm in the big meeting room. Dinner will include salad, bread, baked potatoes with some kinda trimmings, dessert, pop and coffee. After dinner the board will meet in the same room, count the election ballots and QUICKLY handle any other necessary club business. All members are welcome at the board meeting. We'll then adjourn to start the traditional "31" tournament. Be sure to bring your quarters, your favorite beverage and your luck (or skill?) for playing "31".

Saturday Activities

Saturday you can rise & shine...or not...whenever you get "a round tuit". By Presidential decree, this shall be a laid back-low key (dare we say lazy?) weekend. Breakfast and lunch are on your own. Go shopping. Com to the beach. Go fly a kite. Stay in the sack and pull the covers over your head. Who cares? It's your call. If the weather is decent, an impromptu tour might happen so pack your radios to keep in contact.

Saturday Night Dinner

We will gather for a buffet dinner on Saturday night at **Mariah's Restaurant** adjacent to the Polynesian.

The buffet will consist of salads, veggies, Prime Rib and Chicken, and dessert. And whatever else Chef Gordon decides to add.

Cost - \$35 Pre-Paid Reservations

\$35 gets you Friday and Saturday dinner. (And More!)

Pre-paid reservations Required by Feb. 10th, 2013!

See Registration form on the next page.

Meal Reservations Required!

Charity - Toys for Tots

Saturday, December 1st a group of CMCS members gathered at Stan & Billi Trask's home to do a Santa run. We took about 160 toys purchased earlier to a Toys for Tots drop at the XXX Drive-In.

Dennis Montgomery, Gary Rozmierski, Fran Bedard, Jan Harris, Mike Roylance, Lorrie Montgomery, Bonnie Roylance, Billi Trask, Bill & Molly Baker, Dee Petersen, Joe & Susan Powell, Steve Yabroff.

Santa's "Rain-Vettes" Roylance (Rudolf), Baker, Rozmierski, Montgomery, Harris, Petersen

Charity - Toys for Tots (Continued)

The weather was heavy continuous rain, making loading a bit of a challenge. We drove each car close to the door in turn and stuffed in as many toys as possible. You can't get many toys in Vettes, especially convertibles, so two steel cars picked up the balance.

The XXX was jammed to capacity, so most of the group migrated to an Issaquah pizza joint for lunch prior to going home to dry out.

Bill & Molly Baker finishing their load.

A group effort to squeeze one more toy into Rozmierski's convertible. (No one had their top down, which helped.)

Charity - Thank You from Swedish Medical Center

Editor's Note: CMCS donated to the suggested charity on behalf of Gerrie Tumia, wife of Dan Tumia of Corvettes of Auburn. Gerrie lost her long battle with cancer in August.

October 26, 2012

Corvette Marque Club
PO Box 534
Kirkland, WA 98083

Dear Corvette Marque Club,

On behalf of Swedish Medical Center Foundation and the Marsha Rivkin Center for Ovarian Cancer Research, thank you for your generous gift of \$100.00 in support of Gerrie Tumia in the *2012 SummeRun & Walk for Ovarian Cancer*. We received your gift on Friday, October 19, 2012.

As part of Swedish's longstanding partnership with the Rivkin Center, 100% of all funds raised through the *SummeRun & Walk* support the Rivkin Center's program to save lives by improving treatment, early detection and prevention of ovarian cancer. Your vital support provides funding for multiple efforts, including innovative pilot studies that help lay the groundwork for major national studies, and scientific scholar awards to up-and-coming research investigators to ensure the brightest minds pursue a career in ovarian cancer research. Also, you are helping the Rivkin Center provide the region's only ovarian cancer early detection screening program free of charge to women throughout Washington State.

Thank you for your generosity and your commitment to this important effort.

Sincerely,

Ashley M. Petty

Charity - Thank You from Frank Love Elementary

Editor's Note: CMCS donated a total of 10 - \$50 Gift Cards: (5 @ \$50 Target and 5 @ \$50 Fred Meyer) for a total of \$500 from the Dee Esping Charity Fund to Frank Love Elementary.

Dear Corvette Marque Club of Seattle,

On behalf of the staff, students and families at Frank Love Elementary, I would like to express my gratitude for your generosity during the upcoming holiday season. We are extremely appreciative of the \$50 gift cards to Fred Meyer and Target. Both stores are easily accessible to our families and offer a wide variety of items that are in need including food, clothing, and toys for children. An increasingly diverse and at-risk community, our families often struggle with basic needs. Therefore, we appreciate your generous donation and are confident it will serve many families, and most importantly children, in need over the holidays.

Again, many thanks for your generous donation.

Warmly,
Jen Benson

Christmas Banquet - Event Report

About 60 members attended our annual Christmas Party, held this year at the Everett Golf and Country Club, a very nice facility. The mid afternoon buffet meal was very good, and after eating we played our traditional game of "Pirate Bingo", during which lots of "valuable" prizes moved around the room in short order, some of which experienced multiple and short lived "ownership".

Olsheski Award Goes to Jim McDonnell

In the first ever “election” by CMCS members present at the December Christmas Party, Jim McDonnell became the 2012 recipient of the Frank Olsheski Award. Previously the choice was made exclusively by the CMCS Board. For full details of this award, please see the December OYM newsletter. Jim’s name will be engraved on the trophy, which will then be put on display in the club trophy case at Lee Johnson Chevrolet.

In addition, President Stan Trask had certificates made for the previous recipients, and distributed them to those present at the event. Others will be mailed.

Congratulations Jim. You well deserve this award for your many contributions to the club over the past several years.

Saturday February 9th Only!

Registration/Practice from 9:30 am to 10:30 am

CMCS supplies the track and runs this event.

Tune up your racer and get ready to roll

(Kids over age 40 are also welcome at the race)

We have a new scheduling and timing system this year.

We need your help to run and participate in the event

Contact: Gary Main to volunteer or get info:

Races@corvettemarqueclub.com

Racer details & rules are in modification and will be posted on the CMCS Web Site shortly.

New this year: Two classes, Light and Heavy with a 5 pound limit on Light and 7 pound limit on Heavy. Stock and Modified are gone.

You may dude up your racer (within limits for protrusions) any way you see fit.

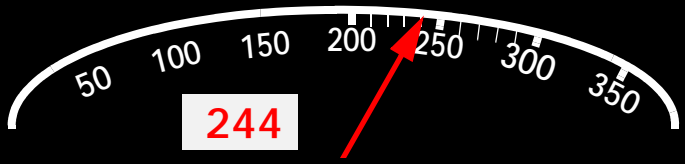

Also, a new timing system allows winners to be based on cumulative times. No more double-elimination. You all get to run your racer the same number of races without elimination. More fun for all.

More details to follow.

Laps From the Past or "Marque in Time"

A CMCS history feature by Ben Benninghoff

50 LAPS AGO: January '63. The first official club meeting was recorded in August of 1963, with the club being State-recognized on November 7th, 1963. This is the beginning of the Corvette Marque Club of Seattle's 50th Anniversary. (If any club members have previously recorded club monthly minutes prior to August, 1963, please make a copy and send them to me so they may be placed into the club's histories as a permanent record for all to enjoy- Ben)

40 LAPS AGO: January '73. The monthly meeting was held at the Sea Horse Restaurant in Mukilteo. There was a report in the minutes that the Christmas party expenses resulted in a loss. NWACC reported that they have patches for sale, and they had a club meeting in Bremerton and a Rally on Sunday the 14th. Activities noted a club outing at the Burien Ice Arena, and, a ski party at Alpentel. New members voted into full membership were; Rick & Dee Stark, Kevin & Sally Christian, Will & Joan Bixler, and, Neil Millen, and with Noreen Warehouse as an Associate Member. Frank Olsheski encouraged club members interested in running for an office position should let the Nomination Committee know. Rick Drake was going to be leaving to accept a job in Chicago, but wanted to retain his membership and keep in touch with us. Following the meeting, a film on hypothermia was shown.

30 LAPS AGO: January '83. The monthly meeting was held at the Ming Palace restaurant, and called to order by President Noreen Millen. Membership reported there were 130 members. Club activities included a Moonlight Bowling outing to SunVilla Lanes. Wet Weekend plans were set for the Alderbrook Inn in February. Those wishing to be part of the caravan

heading to Alderbrook were to gather at Southcenter. Donations to the Christmas family were delivered by Santa and his helpers with food, gifts, and a \$50 gift certificate from the Bon Marche. Food items received at the club's Christmas party were donated to the Northwest Second Harvest. A contract has been signed with SIR (Seattle International Raceway) for our future parking sessions, practice sessions, and, the annual Drag/Swap Meet. There was scheduled a Practice Session at SIR in late February. A slate of officers was compiled for the upcoming elections to be announced soon. There was a waiting list for club jackets. When Jan has received at least 20 requests she will place the order. The Annual Awards Banquet was scheduled in March at Pantley's in Edmond.

20 LAPS AGO: January '93. President Bob Lazaroff got the monthly meeting started following the tour of the Miss Budweiser Hydroplane facilities in Tukwila. This was one of the most attended and fun club event we've had for some time, with 42 members attending. Loren Sawyer, club member and part of the Miss Budweiser pit crew, led all on a tour of the facilities, and meeting with the driver, Chip Hanauer. Membership chair Dee Esping reported there were 102 members, it was unanimously approved that Loren Sawyer's application fee be waived for 1993 since he just joined in December 1992. Wet Weekend plans for next month were to head to the Pacific Beach military recreation center. Bob Lazaroff was able to secure 3 base housing homes to stay at. Annual fees were approved and forwarded for NWACC and the 50% deposit for SIR the coming summer. Rain Country Club has also forwarded funds to SIR towards our deposit. The Annual Awards Banquet for March was to be at the Keg in Kirkland. Cloyd Jackson shopped around for new club radios before the next tour. He was authorized to spend up to \$200. A request was received from the National Corvette Museum to subscribe to a "club brick" at a cost of \$600. It was suggested that individual members could contribute and we will then purchase the brick once funds have been raised. John Bell, chairman of the SIR event in July, announced he will have a meeting next month for all those wishing to participate. Dee Esping reported on the Christmas adopted family visit last month. Sandra Green reported that she had received only 20 questionnaires out of the 70 that were mailed out to the membership before Christmas, and was disappointed at the lack of interest by members in planning their 1993 club activities. Of those received she noted several suggestions of new places to go as club activities.

10 LAPS AGO: January '03. Paul & Pat Luczyk's 1987 L98 red convertible, pictured with the Mukilteo Lighthouse in the background, was featured on the OYM (On Your Marque) Newsletter cover. President Dennis Montgomery called the monthly meeting to order following dinner at the Holiday Inn Select in Renton. There were 57 members and 4 guests in attendance. Guest speakers George Schwartz, VP of the NWACC (North West Association of Corvette Clubs), and, Dave Kaiser Treasurer of same club, talked about the proposed 2003 rule changes for Show and Shine events and Autocross classes. These involved simplifying existing rules for clarity of all entrants and hosting clubs. Dave gave an overview of the insurance offered through

NWACC for the member clubs. He also noted that due to rising insurance costs, insurance rates will increase to \$75 per year, a 20% rise over the previous year. Dennis read thank you letters received from the City of Kirkland and the family of Lee Johnson for the CMCS donations to the Aid Car Fund made in memory of Lee Johnson. Lorrie Montgomery introduced new members to be voted into full membership; James Croisier, Jeff Weymouth, Bill Johnson, and Ginny Brightwell, all of whom were accepted by a vote of those members in attendance, bringing the total membership to 293.

Editors Note: Jeff Weymouth first joined CMCS in 1967, and rejoined in 2003, so did not need to be voted in again. He was CMCS President in 1972.

Cloyd Jackson said the new renewal form will be in the February newsletter. The Seattle Roadster Show in Seattle invited our club to participate in their show with 10 Corvettes as a club entry, scheduled in March. Lorrie Montgomery read a thank you letter from the Deaconess families we helped as part of our Adopt a Family Charity activity during Christmas. Jane Shimanek reported that Santa and all his helpers delivered gifts and visited with the residents at the Lake View Gardens Care Center. Lorrie announced that the club's 40th Anniversary celebration will take place in September at the Museum of Flight in Seattle. Roger Smith has raffle tickets from the National Corvette Museum for this year's raffles of a 2004 Electron Blue convertible, and, another for a one-of-a-kind 2003 gold Corvette, that was designed in conjuncture with the JD Power Gold award. Newsletter articles of note: "In Memoriam" by Ed Moore (an article from Composites Technology magazine, October 2002) concerning the passing of Robert S. Morrison in September, who founded the Molded Fiber Glass Company, in Ashtabula, Ohio in 1948, which made the first production fiberglass body panels for the Chevrolet Corvette in 1953. "Where Have All The Wet Weekends Been", by Jan & Jay Cockrum, who noted the destinations where all the Wet Weekends have taken place from 1970 to 2003 (the most being at the Beachwood Resorts, Copalis Beach from 1970 through 1982 (15)). The 38th Annual Wet Weekend outing next month was set to once again be held at the Polynesian Condominium Resort at Ocean Shores, WA. This year's theme is "Tacky Tourists." NCRS (National Corvette Restores Society) will be holding a meeting next month in Issaquah.

5 LAPS AGO: January '08. Molly & Dick Baker's 2006 Z06 Velocity Yellow coup was featured on the OYM newsletter cover. Molly referred to Dick as her "Motorman" as he's happiest while in something going fast. With a previous 1998 Torch Red Corvette (owned now by John & Vicky Kingston), being a Harley driver putting over 75,000 miles on 7 different bikes, and, a project 1932 "F***" roadster he's trying to make into a car. Don't think too harshly of Dick for having a "F**D" in his stable, at least he put a small block Chevy motor in it! President Kevin Jewell got the monthly meeting started at Alf's Pizza in Lynnwood for an afternoon meeting. Kevin read a few thank you letters from some of the charities that CMCS had contributed to. He thanked Tim Cox and Oran Peterson for the video they put together that

played in the background during lunch. Wayne Kanaby stated that he still had club radios for sale. He then handed the microphone to each of the Board Officers to explain their duties to the club, so all in attendance thinking of running for office knew what offices' responsibilities entailed. Mike Dail, Membership chair, introduced new members for approval; Marvin & Gayle Gotner, Michael Wilderman, Robert & Lois Renner, and Aaron & Jennifer Hastings were all approved, bringing the total to 314. Chris vonRavensberg thanked the 18 volunteers who showed up for the quarterly Adopt-A-Highway cleanup project. Oran Petersen noted that the new 2008 club calendars were available for \$5 each; half the proceeds go to the club's charity funds.
