Notes from your Editor Pro Tem

Our Marque club has a long tradition of newsletters. This history started with ditto masters (with that purple stuff) produced by Mo Morse, moved on through mimeograph style and then reproduction of typed and pasted-up masters by Xerox copiers. When I learned that we were contemplating no newsletter this month, I felt that it was exceedingly disappointing to break this tradition. I knew I could produce a newsletter, more or less in the style of the current past, so I volunteered to Stan that I would produce a short, mostly black-and-white April newsletter. I hope this product brings you the information you need. Now, we need a new editor as Stan details in his column.

It took a bit more work than I had anticipated. It made me appreciate the outstanding service of our previous editor, Oran, who did the job so efficiently for 10 years. He tolerated past-deadline contributions, obviously automated many tasks that I tweaked individually, and worked full time. I thank him particularly for various elements of the newsletter that I took directly from the March pdf review version.

I am looking forward to upcoming events: half-priced pizza at Alfy's, the super combination of breakfast at the Poodle Dog before a meeting at the new LeMay Museum, and a great 50-year-anniversary celebration in August. Did Candy know that we used to have dinner meetings at the Poodle Dog? We have outlasted sponsors and survived Seattle's "turn out the lights." I just need a dozen or so helpers to continue our Adopt-a-Highway tradition this month.

A View Through The Split Window

by President Stan Trask

Dear CMCS Members:

Recently I was advised by Oran Petersen that he was resigning his position on the CMCS Board as well as all Committee positions, including that of CMCS Newsletter Editor, effective immediately. This development has left your CMCS Board of Directors with more questions than answers on the future of the CMCS Newsletter. It is the intent of the Board to first and foremost honor the wishes of the majority of the membership where that is operationally and fiscally feasible. This Newsletter you have received for April is meant to be an interim, stop gap measure until a decision on the future of the CMCS Newsletter can be made.

To continue the current CMCS Newsletter in its present format will not only involve considerable expense to CMCS, but the club **MUST** have a volunteer step forward with the skills to coordinate a project of this magnitude on a monthly basis. There has also been conversation at Board level on the possibility of continuing the present newsletter in an “electronic format”, where each member would receive the newsletter in an email each month and the newsletter would be available for viewing on the CMCS Website. Again this option, while less expensive for the club, will require a volunteer to coordinate the newsletter on a monthly basis.

In order for your Board to proceed in a fashion that is consistent with the wishes of a majority of the membership, I would ask for your opinion and support by replying to a poll that will be sent to you via US Mail on or about April 6th. In a letter that will be sent with the poll, you will find a document with Newsletter Pro’s and Con’s as well as Newsletter Facts designed to aid in your decision making process.

Once you have marked your choices on the poll, please return it in the enclosed postage paid envelope by April 20, 2013.

Thank you in advance for taking the time to voice your opinion in this very important issue for CMCS!

Stan

Renewal Reminder: Renewal dues for the 2013-14 year were due by March 31, 2013. If you have not paid, this will be your next-to-last newsletter. To renew, send renewal form (or updated information per web site form) with dues of \$45 (single) or \$50 (couple) made out to CMCS to P.O. Box 534, Kirkland, WA 98083-0534.

Parades

Jim McDonnell—Parade Chairman

Parades@CorvetteMarqueClub.com

(425) 753-6658

The new parade season is on for CMCS beginning with the Not-So-Improptu Tulip Parade in La Conner on April 13. Hope to see you there.

La Conner Tulip Parade

Saturday, April 13, 2 PM

A fun-filled event at the Skagit Valley Tulip Festival.

All Corvettes are welcome in this parade: hardtops, coupes, convertibles. We have generally had good weather for this short but fun little parade through one of the Northwest’s historic towns.

We begin at 9 AM with coffee at Starbucks on 128th Ave SE, Everett, just a few blocks west of the Payne Field exit off of I-5. If you want breakfast, go to Patty’s Pancake House just across the street. Be at Starbucks at 9:15 AM for departure to La Conner about 9:30.

You may want to attend the PACCAR once-a-year opening at their technology, innovation and testing headquarters. View their latest trucks and see the antique truck show. It is a great one-time visit. On State Highway 20, we pass Farm-to-Market Road. To visit PACCAR leave the tour at this point.

Those not stopping at PACCAR remain with the tour to the staging area at the school headquarters on 6th Street in La Conner. We stage there until the parade start at 2 PM. You have a chance to do some shopping in downtown La Conner, have lunch, or window shop.

After the parade, you may find Tulip Town, a sales mecca like a Saturday Market with fields of multi-colored tulips. We shall depart in time to attend the General Membership meeting at Alfy’s in Lynnwood, 5 PM.

Be sure to let Jim know that you are coming.

Torchlight Parade

Saturday, July 27 (convertibles only)

CMCS April General Membership Meeting

Saturday, April 13 **5 PM dinner** **5:45 PM meeting**
Alfy's Pizza, 4820 196th St. SW, Lynnwood, WA (425) 227-6141
Half-Price Pizza

Mention that you are with the CMCS group when ordering.

Info: Ken Jones vintageracer@att.net (425) 338-2196

The late afternoon meeting time allows those participating in the La Conner Parade to caravan to the meeting after the parade. Others, please come to enjoy the half-price pizza and our meeting with new Board and committees.

Directions

From I-5 Southbound take exit 181 (196th St exit) ramp to the right onto 196th St. SW. From I-5 Northbound, take exit 181A Westbound, left onto 44th Ave W and a left onto 196th St SW. From both, continue to Alfy's on left just beyond the intersection with 48th Ave. W. It requires a left turn through traffic that often backs up from this intersection. An alternative to this mid-block left turn (requires about a mile extra driving, but I prefer it) is to take a left onto 48th Ave. W, then right on 200th St. SW, right on 50th Ave W, right back onto 196th St SW where now Alfy's will be on the right, better for low-clearance nose.

NWACC (Northwest Association of Corvette Clubs)

CMCS coordinator Kevin Jewell (425) 885-0103

NWACC Autocross

In earlier days, CMCS was a major player in the Northwest autocross scene. There has been a renewed interest in autocross among club membership with several new people coming out to try the sport. If you have been thinking about trying, this could be your year. Complete rules and classifications are shown at www.nwacconline.com. There will be a club tech day where we perform an annual tech inspection on participant cars. The date is not fixed yet, but if you let Kevin Jewell (kevinandjudy@isomedia.com or phone) know of your interest, he will add you to the Corvette Autocross address book. This group caravans to autocrosses. The group leaves North Kirkland and picks up people along the way south via I-405 and SR-167. For the Shelton events, after breakfast at a nearby Denny's, it is only a mile or so to the airport runway track.

NWACC Sponsored Autocross Dates

May 19, June 16, July 14, Aug. 11, Sept. 15 all at Shelton airport course
Aug. 4 at Portland International Airport

The Classical Glass Corvette Club (CGCC) 5-Star event will not have an autocross this year. NWACC is considering adding one more event at Shelton, perhaps after Sept. 15 when the weather is usually still nice.

NWACC Sponsored Show & Shine Events

June 22 and August 24 CGCC
July 6 Columbia River

We expect two more show & shine dates to be announced. Check the NWACC web site, contact Kevin or talk to other current participants at club meetings.

The social aspect of the dinner at the Old Spaghetti Factory was great. We had very close to 60 in attendance and just about filled the room. The spaghetti/meatball/lasagna and salad buffet was a popular bargain at \$15. Bread was on the table and coffee or tea including iced tea were included. The banquet room was well isolated from other parts of the restaurant. I enjoyed talking to many friends.

CMCS 50th Anniversary Celebration

August 17, 2013

Bear Creek Country Club

\$50 per Person

13737 202nd Ave NE Woodinville, WA 98077

The **Corvette Marque Club of Seattle** was founded in 1963.

The Club was founded by a small group of Corvette enthusiasts, and due to the dedication of a lot of people we know, and even more that we don't, the Marque Club quickly grew over the years to what it is today. Over 250 members strong and 50 years old! What an accomplishment!

If Chevrolet thought enough of this kind of accomplishment to release a special 50th Anniversary Corvette, could we possibly pass up the chance to celebrate this milestone as well? Of course not! So, on August 17th, 2013, we will gather up as many of the former members as we can find, come together at Bear Creek Country Club with our present members and have one heck of a party.

This is our chance to dress up for a little more formal celebration including a Corvette Display, photo opportunities, a first rate Dinner, exciting entertainment, lots of memorabilia from our earlier days, a "Look Down Memory Lane", and souvenirs to remind us of this milestone for years to come.

2013 Vintage Racing Corral

Saturday, July 6, 2013, organized by SOVREN at Pacific Raceways
(SOciety of Vintage Racing Enthusiasts)
by Kevin Jewell

The best vintage racing of the season takes place during the Pacific Northwest Historics around the July 4 holiday. Ferraris, thundering Corvettes and Cobras, Trans Am cars, formula cars and lots of British sports cars will be there. The paddock is open to all spectators and you can cross the track to view action on the back side.

The car corral is a unique opportunity for individual marque clubs to display cars adjacent to the paddock. We actually park right along the main straight. Each day up to 250 cars are allowed in the corral, with a maximum of 20 for any individual club. We park in designated areas and corral participants are allowed parade laps of the track during lunch break.

The favored day for the car corral is Saturday and CMCS will participate on this day, July 6. Some of you know the drill, but for newer members here are the requirements.

Car Corral participation is for PRE-REGISTERED cars ONLY. No exceptions.

Cost is \$30 for car corral pass, which includes the driver. Additional adult spectator admission is \$25 each, children 7-16 are \$5 each and children under 7 are free.

Arrival is generally 8-10 AM and you can depart when you want. We'll organize a meeting place and a tour to the track if you desire direction and joint entrance.

Since Saturday is the most requested day it is in our best interest to beat the straggler clubs with our request. The organizers don't have time to deal with individuals for the corral so they require one person from each club act as representative and compile the club's requests. If the organizers hit the maximum, the rest of the requests will be returned.

So our deadline for receipt of your request and deposit check is Friday, May 31.

That weekend I, Kevin, will be compiling and mailing in our joint request to SOVREN. SOVREN does not issue refunds for cancellation. Should it be lightly raining and you decide morning of the event not to drive your Corvette, you can come with your daily driver and park in general parking lot with your spectator admission tickets good for entrance.

Mail your checks, payable to CMCS, for the appropriate amount (\$30/1 adult, \$55/2 adults) to Kevin Jewell, 12120 202 Ave NE, Woodinville, WA 98077. Must be received by May 31. A week or so before the event, I will be mailing back to you the car corral pass and the spectator admission tickets. Any questions, contact Kevin at (425) 885-0103 or kevinandjudy@isomedia.com

Remember PRE-REGISTRATION IS REQUIRED.

CMCS coordinator John Thomas

(425) 747-0431 or jrthomas@nwlinc.com

CMCS has maintained a section of I-5 Southbound from the King - Snohomish county border to NE 175th St. for 15 years now as part of Washington State’s Adopt-a-Highway program. The sign to announce this fact is in place on I-5.

At the March Board meeting, we selected April 21 for minimal conflicts. The notice time is rather short so please volunteer if you are able. We gather at 9:45 AM at the Metro Transit North Base in Shoreline for a briefing and preparation. Parking here is easy and safe.

John Thomas will give you additional directions when you contact him to sign up. We need RSVP for planning and coordination. You will be provided reflective vests and safety helmets. Cleanup workers get to keep any item of value found along the highway.

Laps From The Past, Or Marque-In-Time

by Ben Benn

50 LAPS AGO: April ’63. The first official club meeting was recorded in August of 1963, with the club being State-recognized on November 7th, 1963. This is the beginning of the Corvette Marque Club of Seattle’s 50th Anniversary. *(If any club members have previously recorded club monthly minutes prior to August, 1963, please make a copy and send them to me so they may be placed into the club’s histories as a permanent record for all to enjoy- Ben)*

40 LAPS AGO: April ’73. The monthly meeting was held at Meeker’s Landing in Kent. The meeting began with a presentation from the Seattle Police Department, by Mr. Mitchell, who showed a movie demonstrating the different kinds of fire extinguishers. Membership announced 5 prospective members were eligible to be voted into full membership; Norton (Ske) Cegelske, Steve & Edie Heppler, Russ Rathborn, and, Mike Coble were all accepted, and bring the total membership to date as 77 paid members with 2 Associates. WWSCC noted the club’s dues have been paid for the year, and their July 4th Autocross at SIR has been confirmed. Club activities noted a tour to Whidbey Island and Deception Pass, leaving from the Northgate parking lot, led by Ernie Kahler; a bowling party at High Line Lanes in Burien with a feed afterwards at Shakey’s; and a Parking Session at SIR. George Patience, a representative from WWSCC, announced their plans to host the Sports Car Spectacular in June that will consist of a concours, rally, and autocross events over two days. Their benefit will go towards a trust fund for the Washington State Police Board. Frank Diss reported on this month’s Parking Patrol at SIR, and Jeff Weymouth planned to attend the rehearsal on the traffic control. There was mention that 200 dash plaques had been ordered for the 4th of July Autocross. Ernie suggested getting a club emblem. Dee Stark asked for people to help with timing for the road races at SIR. Frank O. was making a new roster. Bill Hazelett planned to put up a display case in the showroom for our trophies. Frank O’s shop class was going to build the display case for us.

30 LAPS AGO: April ’83. President Bob Johansen got the monthly meeting started at the home of the Millens. Membership stood at 93 with a motion to approve Honorary memberships for: Mr. & Mrs. Lee Johnson, Mr. & Mrs. Dick Meyer, and, Charles & Hazel Olsheski; they were all approved. A tour to Whidbey Island was led by Len Hodges, and a shop tour of Rick Stark’s shop highlighted the club’s activities. Several other activities for the coming summer

schedule were announced as well. John Paul Nelson III reported on the SAE Banquet held last month. The South Tacoma Corvette club announced they will host their First Annual Corvette Show on April 23rd. Rick Stark noted that he was going to rent 30 chairs for the General Membership meeting next month at his shop. Frank Olsheski was nominated & elected to fulfill the term of club Secretary for CMCS. John R. Thomas was going to contact as many old CMCS members and charter members as he could about the 20th Anniversary Party to be held August 27th. Wendy Hodges had Drag Racing T-Shirts for sale.

20 LAPS AGO: April '93. President Dee Esping got the monthly meeting started at the home of John R. Thomas, following a pot luck dinner. Dee informed all present that she had transferred the Membership duties over to Jan Cockrum, and that there were now 72 paid-up members, 60 full and 12 associate members. She also announced 3 couples in attendance as guests: the Trask's, the Barlia's and the Reddaway's. The new Activities Director, Cece Nelson, was working on the up-coming summer schedules, to include the Western Corvette's Show 'n Shine, Swap Meet and Father's Day Picnic. John R. Thomas noted he will continue on as the club's editor of our monthly newsletter, but needed help from the membership with articles and pictures of member's Corvettes. Jan Cockrum & John R. Thomas volunteered to co-chair the club's 30th Anniversary event in the fall and were seeking volunteers to assist.

10 LAPS AGO: April '03. Gary Main's Red 2002 Z06 convertible was featured on the newsletter cover. It gets incredible mileage, as long as the driver, Cameron Main's (the Grandson) legs hold out, or extended mileage can be expected if chocolate chips or a peanut butter and jelly sandwich are involved. And it does 0 to the cookie jar in 4.3 seconds. Gary worked out the math that the model is 1 kidpower with an awesome 64 lbs/ft of torque (1-32 lb kid x 2 feet= 64 lbs-ft of torque). Gary says he ordered his through a local Chevrolet dealership. President Dennis Montgomery welcomed guest speaker Bob Flores, National Sales Manager for CORSA Performance, to address the membership at our monthly meeting; there were 61 in attendance. Treasurer Oran Petersen reported the club's finances were sound. Membership chair Lorrie Montgomery introduced prospective members to be voted into full membership: David & Rachelle Woodcook, Jan Harris, Mike & Lea Ann Westbrook, Neal & Judy Kather, and Bob Stewart. All were approved, bringing the total to 245. Paul Luczyk, Highway Cleanup Chair, reported on their latest 'sweep' of their portion of I-5 with 16 volunteers. Some of the "treasures" found included; hub caps, a debit card, a driver's

license, \$1.06 in cash, a cat collar, and a 'live' mouse (no sign of the cat though), a Ford pickup (too big to bag), various cd's, and an Arabic audio tape. A trophy was displayed from our club entry at the recent Seattle Roadster Show in Seattle. Dick & Lolly D'Alessandro were introduced as co-chairs for the 2004 SIS event.

5 LAPS AGO: April '08. A rather long story involved the 1966 White roadster featured on the newsletter cover; who else but Gary & Kayla Main could spin such a tale so full of wonder and woe in the process of acquiring his brother's 40 year old Corvette that Gary really didn't want, but for the love of a brother braved an 1,800-mile odyssey through the height of a blistering Arizona summer, drove it back to the Redmond area, if only the brother was to keep his eyes out for a '67 Sunfire Yellow Coupe that Gary Reeeeeeally wanted. You'll have to ask Gary for the rest of the story. President Kevin Jewell got the monthly meeting started following a rather tasty Irish meal of corned beef and cabbage at Shawn O'Donnell's Old Irish Pub in Everett. Those in attendance were also treated to a presentation, and, thoroughly baffled, by magician Shawn O'Donnell. Kevin called to the front Cheryal Heppner, Mike Dail, and, Jim McDonnell and presented them with CMCS bags, thanking them for their hard work over the past year on behalf of the club, as they were not present at the Awards Banquet last month. Gary Main gave a presentation about the Shoreline Community College GM ASEP program, which was headed by CMCS member Scott Main. CMCS had been funding a scholarship to the ASEP program; the funds came from the club's portion of the 50/50 tickets proceeds at the monthly meetings. The scholarship goes towards helping an automotive student at Shoreline to meet their financial needs. Dennis Montgomery presented Gary Main with a check to be passed along to Scott for this year's scholarship winner that Scott was going to announce at a later date. The scholarship goes towards helping an Automotive student at Shoreline to meet their financial needs. Membership chair Kayla Main introduced 7 prospective members for consideration in becoming full members; Mark & Shelda Orlando, Kelly Green, Jim & Betty Presten, and Tim & Kim Quenzer, who were all voted in, bringing the total to 258. Activities chair Cheryal Heppner noted the summer's schedule, with a Show and Drags event at the Evergreen Raceway in Monroe. Proceeds were to go to the RID Domestic Violence. CMCS members could also "show" their Corvettes for a small fee. A beautiful handmade quilt car blanket was displayed to those in attendance to be raffled off at the next SIS event.
