

CORVETTE MARQUE CLUB OF SEATTLE **ON YOUR MARQUE**

March 2014

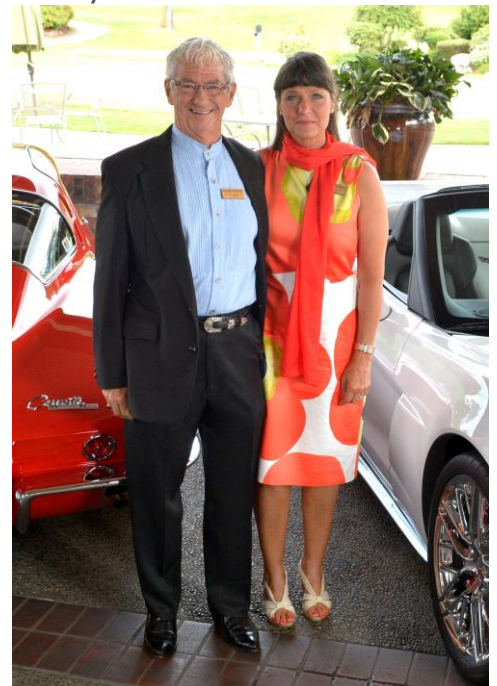

Richard Worthen's C5 With fiancée Alice Holmes

Alice and I joined the club in the fall of 2010 after buying my first Corvette in the spring of that year. The car was so stock, it didn't sound like a Corvette. A new Billy Boat Fusion muffler package solved that problem. We have had a lot of fun making it into a more custom car that is truly one of a kind. I have always loved the old west and am a collector of western items. Silver Bits, Spurs and old cowboy guns. So when we had the show sign made, Alice wanted to name "our" car, thus Corvette Cowboy was born.

We have a lot of fun doing show and shine car shows and have even won a few 1st place trophies. A big hand to Alice as this is a lot of work and she is the best helper and partner. This Corvette is not a trailer queen, This weekend the mileage topped 97,000 miles.

We enjoy the Club tours and parades as well as shows. We look forward to another sun and fun packed summer { I am semi-retired, finally } starting with the weekend show sponsored by 3 Rivers Corvette Club, Corvettes on the Columbia.

A VIEW

THROUGH THE SPLIT WINDOW

By President Stan Trask

March 2014

February was a very busy month for CMCS with Officer Elections, Wet Weekend and the Puyallup Corvette & High Performance Swap Meet. I would like to personally thank all of the CMCS volunteers who gave their time to help at the Swap Meet with the Valve Cover Races and to help promote CMCS to the general public at our booth. Once again, due to your efforts and diligence, CMCS showed everyone in attendance

what a great club it is!

As we come to the close of another year for CMCS, as your President I would like to thank all of the Board and Committee members who gave their time to help make CMCS a better club for all. You all made a difference this last year and through your efforts made my job much easier and for that, you have my sincere gratitude and heartfelt thanks! I would also like to say that it has been my distinct honor and pleasure to serve as your President for the last two years. I will now look forward to working with the new incoming Board as Past President, continuing to serve CMCS in any manner I can.

As we turn the calendar to March, we inch closer and closer to spring and I'm confident that clear sunny "Corvette Days" are just ahead! Please mark your calendars now to attend our March General Meeting & Officer Installation Banquet to be held on Saturday, March 8th at the Pogacha Restaurant in Issaquah. There will be a great buffet meal followed by our General Meeting and Installation of new Officers for the coming year. Please come out and help say thank you to those individuals leaving the Board and show your support for the new officers coming on the Board.

Looking ahead the Spring Season gets started on Saturday, April 12th with the La Conner Tulip Parade. This event is open to all Corvettes, hardtops, coupes and convertibles. This is a great event and an excellent chance to get out and see all of the tulips in full bloom! For more information please contact Jim McDonnell, our CMCS Parade Chair at: Parades@CorvetteMarqueClub.com Following the Parade we will have our April General Membership Meeting at the Collectors Choice Restaurant in Snohomish at 4:00 pm.

Last but not least, I would like to remind you to consider supporting our wonderful club Sponsor's, Lee Johnson Chevrolet in Kirkland and Speedway Chevrolet in Monroe whenever you need service or parts for your Corvette or when it becomes time to look for that next Corvette!

I look forward to seeing you at the March General Meeting and Officer Installation Banquet!

Keep the shiny side up!
Stan

Wet Weekend 2014

45 Members braved the weather and participated in Wet Weekend last month (February 21 – 24).

Two friendly ducks showed up as well to direct us to our parking spots at Fry's Electronics. How appropriate! Ducks and rain. Seems to just go together.

Craig & Candy Turi did a great job of putting the event together and producing a 12 page handout with details on the event, and most importantly, driving directions. The group took mostly back roads from Renton down to Chehalis for lunch and then down to Battle Ground, the headquarters for the event. The photo on the left shows people looking at the route directions for the first time.

Wet Weekend lived up to its name at the departure on Friday. The parking lot was wet, but that didn't dampen the enthusiasm of the group as they prepared to get underway. At least it wasn't raining as we gathered at Fry's Electronics!

Autocross with NWACC and your CMCS Friends

The autocross season is starting again in May. There are 6 events planned this year, including a **training day** for anyone interested in giving autocross a try. The autocross events are held on large open pavement with few if any things to hit that could damage your car. The events in Shelton (5 of the 6 events this year) are held on an abandoned airstrip at the Shelton airstrip. There are no curbs to hit, and if you really mess up, you go into a grass field with short grass or hit a few cones. If this happens you may get a round of applause.

So do you have to be a race driver to participate? NO! People of all abilities enjoy the sport. Age is not a factor either. The local BMW club has two people (a man and a woman) that regularly drive their cars, and both of these people are 90 years old. Speaking of women, we do have a CMCS gal that regularly drives here. I think that's her in the silver C5 on the left!

If you are new to the sport, and just want to "dip your toe in the water," you can come to the driving school on June 14th in Shelton.

There is a group of folks from the Seattle area that drive down to Shelton for these events. You would of

course be welcome to join us. We leave around 5 AM and meet for breakfast at the Denny's in Shelton before going to the airstrip. If that is too early for you, you can book a room at the Little Creek Casino in Shelton. They offer discounts for people driving at the Ridge. Their rooms are under \$100 a night.

Here's the official schedule:

May 4,	Aug 3 (Rose City, Portland)
June 14 (Autocross School)	Aug 10
June 15	Sept 14
July 13	All at Shelton, except Aug 3

Save the date...the **RAD** is returning!

Remember Kayla's **R**eally **A**wesome **D**riving events? They started back in 2002 and ran for several years. We went to places like Mt. St Helens & Hood River (twice), Coulee Dam, the Covered Bridges of Oregon, the beach at Seaside, and we used backroads to get to most of them. We took a break for a few years then brought the event back as the *Ferrous Fanny 500* for a banzai run to Crater Lake in '10 and to the Oregon Caves in '11. New name but the same philosophy, which was: Driving your Corvette for a couple (or more) days, on genuine "Corvette" roads that perhaps you'd never travelled, see some stuff that may have been around forever but you didn't know it (remember the camels in Cathlamet?) because it can't be seen from the freeway, all while enjoying the company of like-minded Corvette people. Then we took another break.

Members keep asking me, "When's the next **RAD**?" and, "What twisty roads are you leading us down next?" Here's when: **Aug 22 & 23, 2014**. Mark your calendar & save the dates. They are firm. Yes, it's a Fri & Sat event. Sunday will be optional for those who want to continue the fun. Where? That's TBD. I have several different & unrelated routes & destinations in the hopper. Which one I choose depends on how many Vettes are going, so email me at kaylamain67@hotmail.com if you want to do some **RAD**. And, do it soon, 'cause I need to get the hotels & eatin' joints nailed down. Oh, one more thing: If you thought the twisties on the road up to Oregon Caves were a challenge, you ain't seen nothin' yet! Some of this year's roads will be a real eye-opener! For the driver, anyway. Maybe an eye-closer for the passenger...

Corvette Swap Meet.

The club had a booth at the **39th Corvette & High Performance Swap Meet** in Puyallup. It was held at the Puyallup Fair & Events Center. They had displays of several corvettes, including Anniversary editions, Pace Cars, etc. Our own Richard Worthen's C5 was on display.

PARADE REPORT

By Jim McDonnell

Save the Date

La Conner Parade is on April 12th

Parade time is getting close. Dates have already been set for many July Parades for us to carry Women Scholarship Winners hoping for a chance to be Seafair Queen. So still looking for several more drivers. More on that later.

For now, the next big Parade is the Tulip Festival parade through downtown La Conner on April 12th, Saturday.

Those who want to caravan will meet at the Starbucks on 128th Avenue SW in Everett. That is the Paine Field exit and the store is one light West of the I-5 Freeway. We meet there about 9:00 A.M. for coffee, and depart there at about 9:30. There are several restaurants in the area for those who might want to come earlier and have a meal.

Driving North we will take State Route 20 toward Anacortes. For those who might be interested, PACCAR opens its test facility only once a year and some may want to take the tour and rejoin the rest of us around 12:30 at the parade Staging area. The parade is at two and it is really a pleasant ride through downtown La Conner. Visitors to La Conner are close and friendly and I guarantee many pictures being taken of our cars.

After the parade we will Caravan to the CMCS monthly meeting.

For all parades, bring club radios, flags and a joyful attitude. Please let me (Jim McDonnell) know if you want to attend so I have an idea of whom to expect. Several Corvette Clubs want to join with us. Therefore, it is nice to have a number. Contact me at either my home e-mail or at Parades@CorvetteMarqueClub.com

Laps From The Past, Or Marque-In-Time

by Ben Benninghoff

50 LAPS AGO: March '64. The monthly meeting took place at Clark's Crabapple Restaurant in Bellevue, during the Annual Banquet, presided over by President Dick Stanley. Rawlee Ridgeway presented two Corvette Marque Club Annual Awards for 1963 to Dick and Sue Stanley. Alan Green of Alan Green Chevrolet presented two Alan Green Annual Awards to Bob & Maureen Morse. The Northwind Rally, a BSCC (?) invitation to see slides of the 1963 Sebring, and a Driver Training Session at Seattle International Speedway (SIR), all took place in March, with another SCCA Autocross scheduled for April. Entertainment for the evening included viewing slides of Club activities, and a film concerning the design, construction, and testing of the Ford Mustang (*yes, I reread that twice!*- Ben). The newly elected Board Officers was announced to those in attendance; President- Dick Stanley, VP- Bob Morse, Secretary- Roger Orth, Treasurer- Bill Fowler, along with other Board Officers; Ed Baker, Ron Peters, and, Ken Deckman.

40 LAPS AGO: March '74. The Annual Awards Banquet was held at Horatio's Restaurant, presided over by President Ernie Kahler. Ernie explained that a tie for President existed that required a vote be taken at the meeting; this required ballots be handed out and counted before the meeting terminated. During this period of time Club business proceeded. Western Washington Sports Car Council (WWSCC) requested the Club forward the names of our new Club Officials and of the new newsletter editor so they could be current with our information. They also requested that the WWSCC phone number be included in our newsletter. A Boeing Employees Auto Sports Club has been organized. Bremerton Sports Car Club put on an autocross at Sanderson Field in Shelton the last of the month. Jim Hobbs, the Club's Northwest Association of Corvette Clubs (NWACC) representative, reported on the Portland meeting last month. Team rally patches and team autocross patches are now available. A crossed Canadian and American flag pin is also available. Their next meeting will take place in May in Vancouver, Washington. Frank Olsheski requested an updated mailing list of all NWACC clubs. Kevin Christian explained about the Sock Hop at 6001 Clubhouse, and, a Tune Up session in April at Bill Hazelett Chevrolet in preparation for the Practice Session also to be held in April. Frank O. reminded all in attendance to send in their membership renewals before April 1. Don Schwab would like to make up a crib sheet on costs of the Wet Weekend to be used as a basis for the next year. Ernie explained that after talking with representatives from Bill Hazelett Chevrolet, they will continue as our sponsors with parts and service discounts but no help on the newsletter. The Club will need to start getting more advertising to help pay for the newsletter. The results of ballots that were passed out at the beginning of the meeting were then announced for the new President, and the new Board Officers for 1974; they were: President- Dee Esping, VP- John R. Thomas, Treasurer- Noreen Millen, Secretary- Penny Grosso, Board Member- Jim McLees. Ernie then passed out awards of thanks to the outgoing officers.

30 LAPS AGO: March '84. The Club's Annual Awards Banquet meeting was called to order by President Bob Johansen at the Bellevue Red Lion Inn. The National Corvette Restorers Society (NCRS) representative from our Club announced they will host a Corvette Picnic at Lake Sammamish State Park in June on a Sunday afternoon. The Membership Chair announced that the Club has 142 members at present. The newsletter editor, Val Johansen, noted she will put together the current newsletter but is still looking for someone to take over the duties. John R. Thomas apologized for the mix-up in room rates at the Alderbrook Inn on the last Wet Weekend outing. Those that participated in the event congratulated John on an excellent dinner. Jay Cockrum discussed the Reno V & T Tour coming up in May and noted those wishing to go should contact him for room reservations. Rick Stark introduced a new publication about the history of 75 years at General Motors, and has editions available at \$24.95 each. Rick also has graciously donated wall space for a Club bulletin-board to post Club news, meetings, and events. Jeff Schmidt passed out the new flyers for the Drag Race at SIR this summer. CMCS has a booth donated for use at the World of Wheels Show at the Coliseum. We need volunteers to man the booth. Mike Shelly discussed a possible tie-in with Flakey Jakes for Corvette Shows (day) for a free meal and possibly other considerations. Carl Mollnow will contact certain individuals for media publicity of our Drag

Race. Bob Johansen reflected on the last twelve months of his administration before presenting awards to outgoing Officers, then announced the new Board Officers for 1984; President- John R. Thomas, VP- Don (All Profit) Gord, Treasurer- Mike (Smurf) Shelly, Secretary- Val Johansen, 2-Year Board- Neil Millen. Jay presented an award to Bob for his active participation and leadership during the last year.

20 LAPS AGO: March '94. President Dee Esping called the monthly meeting to order at the 13 Coins Restaurant in conjunction with the annual Awards & Officer Installation Banquet. Gary Main reported that the Club's finances were in 'reasonable' solvency. Jan Cockrum announced that the Club ended the year with a total of 122 members, and, an all-time record renewals so far at 94; 65 being full members. The honorary membership was again granted to Mrs. Olsheski for the year. Jan then welcomed prospective members Dee & Oran Petersen to all in attendance. Cloyd Jackson agreed to be the new newsletter editor, with John R. Thomas assisting as necessary. NCRS will host a Father's Day Picnic at Lake Sammamish once again in June. SIR event planning is taking shape and information on spring and summer Club events will be posted in the newsletter. Dale Beltz from the National Council of Corvette Clubs (NCCC) left a number of magazines with information; Cloyd has copies. Insurance issues were raised by Dale and will be discussed by the Board and presented to the membership at a later date. The new Board Officers were then presented to those in attendance: President- Dave Barlia, VP- Ben Benninghoff, Treasurer- Gary Orahod, Secretary- Barbara Jackson, 2-Year Board Officer - Kayla Main, with 1-Year Board Officer- John Paul Nelson III, and Past President- Dee Esping staying on. The outgoing Board members were presented gifts of appreciation for their service to the Club over the past year.

10 LAPS AGO: March '04. Ed & Sharon Bloom's 2001 Magnetic Red Convertible was featured on the OYM newsletter cover. This is their 6th Corvette, the present one featured some very cool modifications by Club sponsor Rick Stark Enterprises in Kirkland. President Dennis Montgomery got the meeting started at the College Club in Seattle during the annual Awards and Officer Installation Banquet. The festivities were attended by 58 Club members and 1 guest. Membership Chair Lorrie Montgomery introduced prospective member Greg Vick who was voted into full membership, bringing the total to 307. Wayne Kanaby took over the Parade Chairmanship from Rob Wyllie. NCRS announced their spring and summer schedules. Kayla Main took over as the Club's NWACC representative. Rachelle Woodcook reported on the Club's participation in the Seattle Roadster Show in Seattle. We had ten members attending the weekend show with two receiving trophies for second place, and three receiving first place awards. A check was presented to the Club of \$100 from the activity. Dennis passed out to his current Board and Committee Chairpersons, etched marble tiles with a picture of the CMCS emblem and each member's Corvette, in thanks for their support during the past year. Dennis then announced the new Board Officers for the coming year: President- Tim Cox, VP- Paul Luczyk, Treasurer- Dick D'Alessandro, Secretary- Bill Cameron, 2-Year Board Officer- Shelia Wyllie, 1-Year Board Officer- Sharon Bloom, and Past President- Dennis Montgomery.

5 LAPS AGO: March '09. Rowland & Kathleen Brasch's 1999 Red convertible was featured on the On Your Marque (OYM) Newsletter cover. Rowland was 39 years in between Corvettes since owning a 1962 Corvette in his youth. He had to sell his current '56 Ford F-100 restored hot-rod pickup in order to purchase the 1999 Corvette, returning once more to the Corvette family; a good recovery! The CMCS Officer Installation and Awards Meeting took place at Shawn O'Donnell's American Grill & Irish Pub in Everett, with President Kevin Jewell presiding over the festivities. Kevin enjoyed pronouncing an old Irish blessing upon the membership in attendance. He then thanked Ken & Joyce Jones for their outstanding work in putting together a very successful Wet Weekend at the Suquamish Clearwater Casino and Resort in February. He introduced Dennis Montgomery as the incoming president, and then awarded Al Dager with the infamous Wet Weekend Hard Luck award- a wood carved moose (complete with tasty moose droppings). Al was a good sport, munching on a few of the droppings to everyone's delight. There was a brief break in the meeting in order to allow Shawn O'Donnell to perform some magic tricks for the Club. VP Dave Ormerod reported the Club has one radio in stock for \$195, and noted the price will probably go up after this one. Candace & Mike (not in attendance) Paulino were voted into full membership, bringing the total to 300. To date so far the membership's renewals are 199. Lorrie Montgomery announced that next month's General Membership meeting will coincide

with the La Conner Tulip Parade, but will not interfere with the Club's meeting at Speedway Chevrolet in Monroe, which will provide snacks and beverages, while the Club will provide pizzas, salad, and desserts. She then noted plans to support a Corvette Show at the XXX Drive-Inn in Issaquah in August. Oran Petersen mentioned that he has a cover for the upcoming newsletter but needs member bio's for future publications. He also noted the upcoming 50's Tour in June, that there will be an early-bird dinner at Billy McHale's in Renton. Those planning on attending need to get their RSVP's in so the number of dash plaques can be ordered. Chris vonRavensberg noted that next month's Adopt-A-Highway cleanup will need 10-12 volunteers. Kevin thanked all who help support the Club the past year, especially the Board Officers and Committee Chairs. Past President Gary Main presented Kevin with the Club's Past President trophy to hold for the year, and then Kevin presented his outgoing Board Officers with jazzy red car blankets embroidered with the Club logo. Dave Ormerod recognized Kevin & Judy Jewell for their leadership with a \$150 Schwartz Bros. dinner gift certificate. Kevin then presented to the membership in attendance, the incoming President Dennis Montgomery, who presented the new Board Officers: President- Dennis Montgomery, VP- Al Dager, Treasurer- Tim Cox, Secretary- Bill Cameron, 2-Year Board Officer- Ken Jones, 1-Year Board Officer- Mike Roylance, and, Past President- Kevin Jewell. Mike Armstrong announced that CMCS t-shirts were available for \$8 each- all sizes. Ron Holly won the raffle, and many door prizes were handed out; Lorrie Montgomery provided a game for each table to win their center pieces.
